Independent Auditor's Report

To The Members of
Piramal Fund Management Private Limited

Report on the Audit of Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Piramal Fund Management Private Limited ("the Company"), which comprises of Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, its loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Material Uncertainty related to Going Concern:

Attention is drawn to note no.to the standalone financial statements dealing with going concern assumption for preparation of the accounts of the Company. The Company's continued to incur cash losses, net-worth of the Company is fully eroded including the impact, if any, due to delayed exit from the investments in the Venture Capital Scheme and ultimate realization from those scheme is dependent on the outcome of the litigation matters involved in those scheme and its liabilities (including Borrowings and liability component of compound financial instruments) are exceeding the assets as on March 31, 2024 indicating an uncertainty in meeting the obligations of the Company in next 12 months for various liabilities. These conditions indicate the existence of material uncertainty about the Company's ability to continue as a going concern. As represented by the Management, the Company's holding company will provide financial support as and when required.

Our opinion is not modified in respect of this matter.

Information Other than the Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of other information. The Other information comprises the information included in the Board's Report including Annexures to the Board report, but does not include the financial statement and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system with reference to standalone financial system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion.
  Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. Pursuant to the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and records.

(c) The Balance sheet, the Statement of Profit & Loss (including other comprehensive income), Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

(e) On the basis of the written representation received from the directors as on March 31, 2024 taken on records by the Board of Directors, none of the directors are disqualified as on March 31, 2024 from being appointed as a Directors in terms of Section 164(2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, The Company has not paid remuneration to its directors during the year and accordingly the provisions of Section 197 of the Act are not applicable to the Company.

(h) With respect to the matters to be included in the Auditor's report in accordance with the rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial performance in its financial statements.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv. a) The management has represented that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b) The management has represented, that, to the best of their knowledge and belief**,** no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under sub clause (i) and (ii) of Rule 11(e) of The Companies (Audit and Auditors) Rules, 2014, as provided under (a) and (b) above, contains any material misstatement.

v. The Company has not declared or paid dividend during the financial year 2023-24. Accordingly, reporting under rule 11 (f) of Companies (Audit and Auditors) Rules, 2014 is not applicable.

vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with. [Final Report]

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024

Annexure "A" referred to in "Report on Other Legal and Regulatory Requirements" section of our report to the members of Piramal Fund Management Private Limited of even date:

i. a. In respect of Company's Property, Plant and Equipment (PPE) and Intangible Assets: -

A. The Company has maintained proper records, showing full particulars including quantitative details and situation of PPE and relevant details of right-to-use assets.

B. The Company has maintained proper records showing full particulars of intangible assets.

b. The Company has a programme of physical verification of its PPE by which all PPE are verified on yearly basis. In our opinion, the periodicity of physical verification is reasonable having regard to the size and the nature of business. During the year, the Company has carried out the physical verification of certain PPE and no material discrepancies were noticed on such verification.

c. According to the information and explanations given to us and on the basis of our examination of the records, the company does not hold any immovable property and hence reporting under clause 3(i)(c) of the order is not applicable to the Company.

d. The Company has not revalued any of its PPE (including right- of-use assets) and intangible assets during the year and hence reporting under clause 3(i)(d) of the Order is not applicable to the Company.

e. According to the information and explanations given to us and on the basis of our examination of the records of the Company, neither any proceedings have been initiated during the year nor are pending as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988, as amended, and rules made thereunder and hence reporting under clause 3(i)(e) of the Order is not applicable to the Company.

ii. a. The Company is in the business of rendering investment advisory services and does not have any physical inventories and hence reporting under clause 3(ii) (a) of the order is not applicable to the company.

b. According to the information and explanations given to us and on the basis of our examination of records, the Company does not have any sanctioned working capital borrowing facility at any point of time during the year from banks and financial institutions and hence reporting under clause 3(ii)(b) of the Order is not applicable to the Company.

iii. In respect of Investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties:

(a) The Company has not provided any loans or advances in the nature of loans or guarantee or provided security to any other entity during the year and hence reporting under clause 3(iii)(a) is not applicable to the Company.

(b) According to the information and explanations given to us and on the basis of our examination of records, the investment made are in the ordinary course of business and accordingly in our opinion, prima facie, not prejudicial to the Company's interest.

(c) The Company has not granted any loans or advances in the nature of loans during the year and hence reporting under clauses 3(iii)(c), (d), (e) and (f) of the Order is not applicable to the Company.

iv. According to the information and explanations given to us and on the basis of our examination of records, the Company has complied with the provisions of Section 185 and 186 of the Act, to the extent applicable with respect to the investments made during the year. The Company has not provided any loans, guarantee and security during the year.

v. According to the information and explanations given to us and on the basis of our examination of records, no deposits or amounts which are deemed to be deposits within the meaning of Section 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014 have been accepted by the Company and hence reporting under clause 3(v) of the Order is not applicable to the Company.

vi. According to the information and explanations given to us and on the basis of our examination of records, the Central Government has not prescribed the maintenance of cost records under sub section (1) of Section 148 of the Act or any other relevant provisions of the Act and rules framed there under and hence reporting under clause 3(vi) of the order is not applicable to the Company.

vii. (a) According to the information and explanations given to us and on the basis of our examination of the records, the Company is generally regular in depositing undisputed statutory dues including Goods and Services tax, provident fund, employees' state insurance, income tax, sales tax, custom duty, duty of excise, value added tax, cess and other statutory dues during the year with the appropriate authorities. No undisputed amounts payable in respect of the aforesaid statutory dues were outstanding as at the last day of the financial year for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and on the basis of our examination of records, there are no statutory dues mentioned in clause vii (a) which have been not deposited on account of any dispute except as mentioned below:

Name of the statute	**Nature of dues**	**Amount Rs. in Lakhs**	**Period to which the amount relates**	**Forum where dispute is pending**
Income Tax Act, 1961	Income Tax	209*	Assessment Year – 2015-16	Commissioner of Income Tax (Appeals)

* net-off by Rs. 52 lakhs paid towards filing of appeal.

viii. According to the information and explanations given to us and based on the our examination of the records, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) and hence reporting under clause 3(viii) of the order is not applicable to the Company.

ix. (a) Based on our audit procedures and on the basis of information and explanations given to us, we are of the opinion that the Company has not defaulted in the repayment of loans or other borrowings or in the repayment of interest thereon to the lenders and hence reporting under clause 3(ix) of the Order is not applicable to the Company.

(b) The Company has not been declared as willful defaulter by any bank or financial institution or other lender.

(c) In our opinion and according to the information and explanations given to us, the Company has not taken any term loan during the year and hence reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) On an overall examination of the financial statements, in our opinion the Company has not utilized funds raised on short term basis for long term purposes.

(e) Based on our audit procedures and on the basis of information and explanations given to us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint venture and hence reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

(f) Based on our audit procedures and on the basis of information and explanations given to us, during the year the Company has not raised any funds on the pledge of securities held in its subsidiaries, joint venture and associates and hence reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

x. (a) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of Initial public offer or further public offer (including debt instrument) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment, private placement of shares or fully or partly convertible debentures during the year or in the recent past and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of fraud by or on the Company, noticed or reported during the year, nor have we been informed of such case by the management.

(b) During the year, no report under sub section 12 of Section 143 of the Act has been filed in Form ADT-4 as prescribed in rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) Based on our audit procedure performed and according to the information and explanations given to us, Section 177(9), with regards to whistleblower complaints, of the Act is not applicable and hence reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. According to the information and explanations given to us and based on our examination of the records of the Company, the Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. According to the information and explanations given to us and based on our examination of the records of the Company, all the transactions with related parties are in compliance with Section 177 and Section 188 of the Act, wherever applicable and all the details have been disclosed in the standalone financial statements as required by the applicable Accounting Standard.

xiv. As the Company's turnover is less than 200 crores and it does not have any borrowings from banks/ financial institutions, accordingly provisions of Section 138 of the Act regarding appointment of

Internal auditor is not applicable and hence reporting under clause 3(xiv)(a) and 3(xiv(b) of the order is not applicable to the Company.

xv. According to the information and explanations given to us and on the basis of our examination of records, the Company has not entered into any non-cash transactions prescribed under Section 192 of the Act with directors or persons connected with them during the year.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and hence reporting under clause 3(xvi) (a), (b) and (c) of the Order is not applicable to the Company.

(b) Based on the information and explanations given to us and as represented by the Management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) has only one CIC as a part of the Group.

xvii. The Company has incurred cash losses of Rs. 8,406 lakhs during the financial year covered by our audit and it has incurred cash losses of Rs. 629 lakhs in the immediately preceding financial year.

xviii. There has been no resignation by the statutory auditors of the Company during the year and hence reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. The Company is not required to spent any amount under the provision of Section 135 of the Act during the year and hence reporting under clause 3(xx) (a) and (b) of the Order is not applicable to the Company.

Annexure "B" referred to in "Report on Other Legal and Regulatory Requirements" section of our report to the members of Piramal Fund Management Private Limited of even date:

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to standalone financial statements of the Piramal Fund Management Private Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential component of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A Company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally

accepted accounting principles. A Company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the entity are being made only in accordance with authorisations of management;(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the entity's assets that could have a material effect on the standalone financial statements; and (4) also provide reasonable assurance by the internal auditors through their internal audit reports given to the organisation from time to time.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, broadly, in all material respects, an adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential Component of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Piramal Fund Management Private Limited

Notes to Standalone Financial Statements

for the year ended 31 March 2024

1. BACKGROUND

Piramal Fund Management Private Limited ('The Company') was incorporated on 14 July 2005 with an objective to provide investment advisory services in the real estate sector. The Company has established a contributory trust, viz. 'Indiareit Fund' (the 'Fund'), under the provisions of the Indian Trust Act, 1882. The Fund has received approval from the Securities and Exchange Board of India on 17 October 2005 to carry on the activity of a venture capital fund under its different schemes by pooling together resources and finances from institutional and high net worth investors. On 15 September 2011, the Company received approval from the Securities and Exchange Board of India to carry out the activity of Portfolio Manager.

The Company has been appointed as investment advisor to the Fund under an investment advisory agreement dated 18 August 2005 as amended and restated vide agreement dated 31 January 2006. The Company has also been appointed as an investment advisor to INDIAREIT Investment Management Co. (Mauritius), Piramal Asset Management Private Limited (Singapore) and IIFL Income Opportunities Fund – Series Special Situations. On 15 September 2011, Company has received approval from the Securities and Exchange Board of India to carry the activity of Portfolio Manager. In addition to the above, the Company is also providing consultancy services for development of real estate projects and advisory services for facilitation of investements in to the real estate sector.

2. Material accounting policies

i) Basis of preparation

The standalone financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) and the provisions of the Companies Act, 2013 ('the Act'). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

The Company's standalone financial statements are presented in Indian Rupees (INR), which is also its functional currency.

ii) Basis of Accounting

The standalone financial statements have been prepared on the historical cost basis except for certain standalone financial instruments that are measured at fair values at the end of each reporting period.

The preparation of the standalone financial statements in conformity with Ind AS requires the Management to make certain estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the standalone financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

iii) Use of Estimates and Judgements

The preparation of the financial statements in conformity with Indian Accounting Standards ("Ind AS") requires the management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Accounting estimates could change from period to period. Actual results could differ from those estimates. Revisions to accounting estimates are recognised prospectively. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

Following areas entail a high degree of estimate and judgement or complexity in determining the carrying amount of some assets and liabilities.

1. Impairment of financial assets – Note 31
2. Fair Valuation of financial assets and liabilities - Note 30
3. Measurement of defined benefit obligations; key actuarial assumptions – Note 28

iv) Property, plant and equipment

All property, plant and equipment are stated at cost of acquisition, less accumulated depreciation and accumulated impairment losses, if any. Direct costs are capitalised until the assets are ready for use and includes freight, duties, taxes and expenses incidental to acquisition and installation.

The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Subsequent expenditures related to an item of property, plant and equipment are added to its carrying value only when it is probable that the future economic benefits from the asset will flow to the Company & cost can be reliably measured.

Losses arising from the retirement of, and gains or losses arising from disposal of property, plant and equipment are recognised in the standalone statement of profit and loss.

v) Intangible assets

Intangible assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the disposal proceeds and the carrying amount of the asset and are recognised as income or expense in the standalone statement of profit and loss.

Internal

2. Material accounting policies (Continued)

vi) Depreciation and amortisation

a. Property, plant and equipment

Depreciation is provided on a pro-rata basis using straight line method ('SLM') over the useful lives of the assets specified in Schedule II of the Companies Act, 2013. Estimated useful lives as determined by the management of respective subsidiaires based on technical evaluation are as under :

Office equipments	5 years
Furniture and fixtures	10 years
Computer servers and network devices	6 years
Computer - end user devices	3 years
Motor car	8 years
Leasehold improvements	Amortised over lease tenure

Individual fixed assets costing less than Rupees five thousand are depreciated fully in the year of purchase or acquisition.

b. Intangible assets

Intangible Assets are amortized on a straight line basis over their finite useful lives over the following period:

Computer Software	6 years

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Individual fixed assets costing less than Rupees five thousand are depreciated fully in the year of purchase or acquisition.

vii) Impairment of non financial assets

The Company assesses at each standalone balance sheet date whether there is any indication that an asset may be impaired. For the purposes of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the standalone statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists or may have decreased, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

viii) Financial instruments

Financial assets (including Lease rental discounting assets) and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

Classification:

Financial assets that meet the following conditions are subsequently measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets that meet the following conditions are subsequently measured at fair value through Other Comprehensive Income (FVTOCI):

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

By default, all other financial assets are subsequently measured at fair value through profit and loss (FVTPL).

2. Material accounting policies (Continued)

viii) Financial instruments *(Continued)*

Effective interest rate method:

Income is recognised on an effective interest rate basis for financial assets other than those financial assets classified as at FVTPL.
The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.

Debt instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Financial assets at fair value through profit or loss (FVTPL):

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in the Statement of profit or loss. The net gain or loss recognised in the Statement of profit or loss incorporates any dividend or interest earned on the financial asset. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

Changes in the fair value of financial assets at FVTPL are recognised in the standalone statement of profit and loss.

All assets for which fair value is measured or disclosed in the standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:
Level 1 — Quoted (unadjusted) market prices in active markets for identical assets
Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, loan commitments, trade receivables and other contractual rights to receive cash or other financial asset.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 109, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss ("ECL") allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109.

The expected credit loss is a product of exposure at default, probability of default and loss given default. The Company has devised an internal model to evaluate the probability of default and loss given default based on the parameters set out in Ind AS 109. The Compay has a dedicated Asset Monitoring team which evaluates asset performance on a continued basis to flag of early warning signals. Probability of default have been adjusted with forward looking inputs from anticipated change in future macro-economic conditions to comply with IndAS 109.

Internal

2. Material accounting policies (Continued)

viii) Financial instruments *(Continued)*

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.
Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

Derecognition of financial assets:
The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.
On derecognition of financial assets in entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable, is recognised in the standalone statement of profit and loss.

Foreign exchange gains and losses:
For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments and are recognised in profit and loss.

Financial liabilities and equity instruments

Classification as debt or equity:
Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and equity instrument.

Financial liabilities:
All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

Financial liabilities that are not held for trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

All liabilities for which fair value is measured or disclosed in standalonethe financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:
Level 1 — Quoted (unadjusted) market prices in active markets for identical liabilities
Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

Derecognition of financial liabilities:
The Company derecognises financial liabilities when, and only when, the Company’s obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

Internal

2. Material accounting policies (Continued)

ix) Employee Benefits

Employee benefits include provident fund, compensated absences and long term service awards. In case of provident fund, contributions are made to the Regional Provident Fund Office.

Defined Contribution Plans

The Company's contribution to provident fund (in case of constribution to the Regional Provident Fund office) are considered as defined contribution plans, as the Company does not carry any further obligations apart from the contributions made on a monthly basis and are charged as an expense based on the amount of contribution required to be made.

Defined Benefit Plans

The Company contributes to Defined Benefit Plans comprising of Gratuity and Compensated absences.

Gratuity: The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income.They are included in retained earnings in the standalone statement of changes in equity and in the standalone balance sheet.

Compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the standalone statement of profit and loss in the year in which they arise.

x) Provisions and Contingent Liabilities

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

xi) Revenue recognition

Advisory fees: Revenue from advisory fees is recognised in profit or loss over time as the services are rendered

Dividend: Dividend income from investment is recognised when the Company's right to receive payment has been established (provided that it is probable that economic benefit will flow to the Company in the amount of dividend income can be measured realiably).

Interest: Interest income from a financial asset is recognised when it is probable that economic benefit will flow to the Company and the amount of income can be measured realiably. Interest income is accrued on a time basis, by reference to the principle outstanding and at the effective interest applicable.

Investment Income: Income from investment in private equity funds is recognised when the Company's right to receive payment has been established (provided that it is probable that economic benefit will flow to the Company in the amount of investment income can be measured realiably).

xii) Leases

The Company's lease asset classes primarily consist of leases for office buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:
(i) the contract involves the use of an identified asset;
(ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease; and
(iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases.

Internal

Notes to Standalone Financial Statements

for the year ended 31 March 2024

2. Material accounting policies (Continued)

xiii) Taxes on Income

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.
Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

xiv) Cash and Cash Equivalents

Cash and cash equivalents includes cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

xv) Borrowing Costs

Borrowing costs directly attributable to acquisition or construction of qualifying assets (i.e. those fixed assets which necessarily take a substantial period of time to get ready for their intended use) are capitalised. Other borrowing costs are recognised as an expense in the period in which they are incurred.

xvi) Foreign Currency Transactions

(a) Functional and Presentation currency
The Financial statements are presented in Indian Rupees (INR), which is Company's functional and presentation currency

(b) Initial Recognition: Transactions in foreign currency are recorded at the exchange rate prevailing on the date of the transaction.
Exchange differences arising on foreign exchange transactions settled during the year are recognized in the Statement of Profit and Loss of the year.

(c) Measurement of Foreign Currency Items at the Balance Sheet Date
Foreign currency monetary items of the Company are restated at the closing exchange rates. Non monetary items are recorded at the exchange rate prevailing on the date of the transaction.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

xvii) Segment Reporting

The accounting policies adopted for segment reporting are in conformity with the accounting policies adopted for the Company. Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Income / Costs which relate to the Company as a whole and are not allocable to segments on a reasonable basis, have been included under Unallocated Income / Costs.

xviii) Earnings per share (EPS)

Basic earnings per share:
Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year.

Diluted earnings per share:
Number of equity shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares which would have been issued on the conversion of all dilutive potential shares. In computing diluted earnings per share only potential equity shares that are dilutive are included.

18.5 Rights, preferences and restrictions attached to shares

Equity shares

The Company has one class of equity shares having a par value of Rs. 10 per share. Each holder of equity share is entitled for one vote per share. There are no restrictions on payment of dividend to equity shareholders. On winding up of the company, the holders of equity share will be entitled to receive remaining assets of the company after distribution of all preferential liabilities. The distribution will be in proportion to the number of equity shares held by the shareholders.

Preference shares

0.01% Cumulative optionally convertible participative preference shares are to be redeemed on expiry of 15 years from date of allotment with an option to the Company to redeem some or all of the preference shares at any time or times before that date after giving 15 days notice to the holders of preference shares. Each preference share shall be redeemed at a premium of Rs. 9,900. Company shall convert each 0.01% Cumulative optionally convertible participative preference shares of Rs. 100 each into 1,000 (One thousand) Equity shares of Rs. 10 each at par at any time after the expiry of 8 (eight) years from the date of allotment.

In the Period of five years immediately preceeding March 31, 2024:

The Company has not alloted any equity shares as fully paid up without payment being recevied in cash or as Bonus Shares or Bought back any equity shares.

28 Employee benefits *(Continued)* :

Notes:

Gratuity is payable as per Company's scheme as detailed in the report.

The Company has a defined benefit gratuity plan in India (funded). The entity's defined benefit gratuity plan is a final salary plan for employees, which requires contributions to be made to a separately administered fund. The fund is managed by a trust which is governed by the Board of Trustees. The Board of Trustees are responsible for the administration of the plan assets and for the definition of the investment strategy.

During the year, there were no plan amendments, curtailments and settlements.

Actuarial gains/losses are recognized in the period of occurrence under Other Comprehensive Income (OCI). All above reported figures of OCI are gross of taxation.

Salary escalation & attrition rate are in line with the industry practice considering promotion and demand & supply of the employees.

Maturity Analysis of Projected Benefit Obligation is done considering future salary, attrition & death in respective year for members as mentioned above.

Average Expected Future Service represents Estimated Term of Post - Employment Benefit Obligation.

Any benefit payment and contribution to plan assets is considered to occur end of the year to depict liability and fund movement in the disclosures.

These plans typically expose the Company to actuarial risks such as: interest rate risk, salary risk, investment risk, asset liability matching risk, mortality risk and concentration risk

Interest risk

A fall in the discount rate, which is linked to the government securities rate, will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Investment risk

The present value of the defined benefit plan liability is calculated using a discount rate, which is determined by reference to market yields , at the end of the reporting period, on government securities. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Asset Liability Matching risk

The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality risk

Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Concentration risk

Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

Mutual Funds		513	-	513	-	513

Notes:

i. Discounted cash flow method has been used to determine the fair value. The discounting factor has been computed using a mix of past trends as well as likely rate of return of the underlying projects.

* The Company has not disclosed the fair value of loans, trade receivables, other financial assets, borrowings, trade payables and other financial liabilities, because their carrying amounts are a reasonable approximation of fair value.

c) Fair value measurements using significant unobservable inputs (level 3)

The following table presents the changes in level 3 items for the year ended March 31, 2024

30 Fair Value Disclosures

1) Capital Management

The Company manages its capital to ensure that it will be able to continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. The capital structure of the Company consists of net debt and total equity of the Company.

The Company determines the amount of capital required on the basis of annual as well as long term operating plans and other strategic investment plans. The funding requirements are met through equity or convertible / nonconvertible debt securities or other long-term /short-term borrowings. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

The capital components of the Company are as given below:

	For the year ended 31 March 2024	For the year ended 31 March 2023
Total Equity	**(10,734)**	**(1,847)**
Borrowings	**22,516**	**15,070**
Total Debt	**22,516**	15,070
Cash and cash equivalents	**386**	**811**
Net Debt	**22,130**	14,259

2) Liquidity Risk

Liquidity Risk refers to insufficiency of funds to meet the financial obligations. Liquidity Risk Management implies maintenance of sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit lines to meet obligations when due.

The Company manages liquidity risk by maintaining adequate reserves, banking facilities and by continuously monitoring forecast and actual cash flows, and by assessing the maturity profiles of financial assets and liabilities. The below table sets out details of additional undrawn facilities that the Company has at its disposal to further reduce liquidity risk.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. To the extent that interest flows are floating rate, the rate applicable as of 31 March 2024 and 31 March 2023 respectively has been considered. The contractual maturity is based on the earliest date on which the Company may be required to pay.

Maturities of financial liabilities	**For the year ended 31 March 2024**			
	Upto 1 year	**1 to 3 years**	**3 to 5 years**	**5 years & above**
Borrowings	22,516	-	-	-
Trade payables	106	-	-	-
Other financial liabilities (including lease liability)	244	506	-	-
	22,865	**506**	**-**	**-**

Maturities of financial liabilities	For the year ended 31 March 2023			
	Upto 1 year	**1 to 3 years**	**3 to 5 years**	**5 years & above**
Borrowings	**15,070**	-	-	-
Trade payables	45	-	-	-
Other financial liabilities (including lease liability)	442	**584**	**50**	-
	15,557	584	50	-

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

Maturities of financial assets	**For the year ended 31 March 2024**			
	Upto 1 year	**1 to 3 years**	**3 to 5 years**	**5 years & above**

30 Fair Value Disclosures *(Continued)*

3) Market Risk

a) Interest Rate Risk & Sensitivity Analysis

The Company is exposed to interest rate risk as it has assets and liabilities based on both fixed and floating interest rates.

The following table contains information about the significant unobservable inputs used in Level 3 valuations, and the valuation techniques used to measure fair value of instruments. The range of values represent the highest and lowest input used in the valuation techniques. Therefore, the range does not reflect the level of uncertainty regarding a particular input, but rather the different underlying characteristics of the relevant assets and liabilities.

Sensitivity Impact as at 31 March 2024

Method	Significant unobservable inputs	Increase / Decrease in the unobservable input	Sensitivity Impact in Value of Investments	
			Yield Increase	Yield Decrease
Fair Value using Discounted Cash flow method.	Discount rate	1%	-	-
Fair Value using Discounted Cash flow method.	Cash Flow	5%	**49**	(49)

Sensitivity Impact as at 31 March 2023

Method	Significant unobservable inputs	Increase / Decrease in the unobservable input	Sensitivity Impact in Value of Investments	
			Yield Increase	Yield Decrease
Fair Value using Discounted Cash flow method.	Discount rate	1%	-	-
Fair Value using Discounted Cash flow method.	Cash Flow	5%	102	(102)

b) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a foreign currency) and the Company's net investments in foreign subsidiaries.

c) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Trade receivables

The receivables of the Company are from advisory services to the developers and funds.
Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management.
Outstanding customer receivables are regularly monitored. Refer note no. 45.1 for trade receivable ageing.

Movement of Expected Credit Loss	As at 31 March 2024	As at 31 March 2023
Opening Balance	**79**	**79**
Add: Additonal for the year	**(76)**	**-**
Less: Utlised	**-**	**-**
Closing Balance	**3**	79

Financial instruments and cash deposits

The credit risk on liquid funds and other financial instruments is limited because the counterparties are banks with high credit-ratings assigned by credit-rating agencies or mutual funds.

34 Contingent liability

Sr. No.	**Particulars**	**As at 31 March 2024**	As at 31 March 2023
	Claims against the Company not acknowledged as debt :		
i	Income tax matters	**261**	261
ii	Dividend payable on Cumulative Optionally Convertible Participative Preference Shares	**0.06**	0.06

The Company is of the view that the above demands may not devolve on the Company and hence no provision has been made.

The Company has a process whereby periodically all long term contracts are assessed for material foreseeable losses. At year end, the Company has reviewed and ensured that adequate provision as required under any law / accounting standards for material foreseeable losses on such long term contracts has been made in the books of accounts.

The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed the contingent liabilities where applicable, in its financial statements. The Company does not expect the outcome of these proceedings to have a materially adverse effect on its financial results.

INDEPENDENT AUDITOR'S REPORT

To the Members of

Piramal Systems and Technologies Private Limited

Report on the Standalone Ind AS Financial Statements

Opinion

We have audited the accompanying standalone Ind AS financial statements **Piramal Systems and Technologies Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information.
In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs (financial position) of the Company as at March 31, 2024, and its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

1004/B, Swagat Heights, Behind GCC International School, Hatkesh Mira Road East - 401107
Cell No. +91 9527821820, email: camayurkhandelwal@gmail.com

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs(financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that

Mayur Khandelwal & Co. Chartered Accountants

is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls

c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Mayur Khandelwal & Co. ★ Chartered Accountants

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   b) In our opinion, proper books of account as required by law have been kept by the Company throughout the year so far as it appears from our examination of those books.

   c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

   d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.

   e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.

   f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

   g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, the company has not paid any remuneration to its directors during the year hence provisions of section 197 of the Act shall not be applicable.

   h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

      i. The Company does not have any pending litigations which would impact its financial position;

      ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and

Mayur K.handelwal & Co. ★ Chartered Accountants

iii. There are no amounts which are required to be transferred, to the Investor Education and Protection Fund by the Company.

iv.

a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The company has not declared or paid any dividend during the year.

vi. The company's accounting software has a feature for recording an audit trail (edit log) that is non-configurable and has been operational throughout the year for all transactions recorded in the software. The audit trail feature has not been tampered with at any point of time during the financial year under consideration. The feature is designed in such a way that it cannot be disabled or altered.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Mayur Khandelwal & Co. ★ Chartered Accountants

2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure "A"
To the independent auditor's report

(Referred to in paragraph 2 (f) under 'Report on other legal and regulatory requirements' section of our report to the Members of **Piramal Systems and Technologies Private Limited** of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Piramal Systems and Technologies Private Limited** ("the Company") as at March 31, 2024, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure 'B'
To the independent auditor's report

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of **Piramal Systems and Technologies Private Limited** on the standalone Ind AS financial statements for the year ended March 31, 2024]

(i) The company does not hold any Property, Plant and Equipment, intangible assets and immovable properties accordingly, reporting on paragraph 3 (i) of the order is not applicable.

(ii) (a) The company does not have any inventory, and hence reporting on paragraph 3(ii)(a) of the order is not applicable.

(b) During any point of time of the year, the company has not been sanctioned working capital limits from banks or financial institutions and hence reporting on paragraph 3(ii)(b) of the order is not applicable.

(iii) During the year the company has not made any investments in, has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties, hence reporting on paragraph 3 (iii) of the order is not applicable.

(iv) In our opinion and according to information and explanation given to us, the company has not granted any loans or provided any guarantees or given any security or made any investments to which the provision of section 185 and 186 of the Companies Act, 2013 applies. accordingly, paragraph 3 (iv) of the order is not applicable.

(v) In our opinion, based on our examination and according to information and explanation given to us, the company has not accepted any deposits and hence reporting on paragraph 3 (v) of the order is not applicable.

(vi) The Central Government of India has not prescribed the maintenance of cost records under sub-section (1) of section 148 of the Act for any of the activities of the company and hence reporting on paragraph 3 (vi) of the order is not applicable.

(vii) (a) The Company is regular in depositing undisputed statutory dues including income-tax and any other statutory dues as applicable to the Company to the appropriate authorities.

(b) There are no dues of income tax which have not been deposited on account of any disputes.

(viii) There are no unrecorded transactions in the books of accounts which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961(43 of 1961).

(ix) (a) In our opinion, based on our examination and according to information and explanation given to us, the company does not have any loans or other borrowings from any lender and hence reporting on paragraph 3 (ix) (a) to (f) of the order are not applicable.

(x) a. According to the information and explanations given to us and based on our examination of the records of the company, the company has not raised any money by way of initial public offer or further public offer (including debt instruments).

b. According to the information and explanations given to us and based on our examination of the records of the company, the company has not made preferential allotment of equity shares or private placement of convertible debentures (fully, partially or optionally convertible) during the year.

(xi)

a. No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

b. No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

c. The company has not received any whistle-blower complaints during the year and hence reporting on paragraph 3 (xi) (c) of the order is not applicable.

(xii) The Company is not a Nidhi Company and hence reporting on paragraph 3 (xii) of the Order is not applicable to the Company.

(xiii) In our opinion and according to the information and explanations given to us and based on our examination of the records of the company, transactions with the related parties are in compliance with section 188 of the Act. Where applicable, the details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards. Further provisions of section 177 of the Act are not applicable to the company.

(xiv) Internal audit is not applicable to the Company; hence paragraph 3(xiv) of the Order is not applicable to the Company.

(xv) In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

(xvi)

a. In our opinion, the Company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions stated in paragraph clause 3 (xvi)(a) of the Order are not applicable to the Company.

Mayur Khandelwal & Co. ★ Chartered Accountants

b. In our opinion, the Company has not conducted any Non-Banking Financial or Housing Finance activities without any valid Certificate of Registration from Reserve Bank of India. Hence, the reporting under paragraph clause 3 (xvi)(b) of the Order are not applicable to the Company.

c. The Company is not a Core investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Hence, the reporting under paragraph clause 3 (xvi)(c) of the Order are not applicable to the Company.

d. Based on the information and explanations given to us and as represented by the management of the Company, the group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) has one unregistered CIC as part of the group.

(xvii) The company has incurred following cash losses in the financial year and in immediately preceding financial year: -

(Amount in Lakhs)

Particulars	Current Financial Year	Preceding Financial Year
Net Profit/(Loss)	(0.37)	(3.47)
Non-Cash Items:-	-	-
Cash Losses	(0.37)	(3.47)

(xviii) There has been no resignation of statutory auditors during the year.

(xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) According to the information and explanations given to us and based on our examination of the records of the company, the provision of section 135 of the Act are not applicable. Hence reporting on paragraph 3(xx) of the Order is not applicable.

Mayur Khandelwal & Co. ★ Chartered Accountants

(xxi) The company is not required to prepare consolidated financial statements, since the consolidation is done by ultimate holding company and hence paragraph 3 (xxi) of the Order is not applicable to the Company.

1. GENERAL INFORMATION

The Company was incorporated on 31st May, 2011 and acts as the Holding company for the Homeland Security Segment having CIN U93030MH2011PTC218110

2. MATERIAL ACCOUNTING POLICIES

i) Basis of preparation

Compliance with Ind AS

The separate financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financial statements up to year ended 31 March 2017 were prepared in accordance with the accounting standards notified under Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act.

Since the Parent Company has presented a complete set of Consolidated Financial Statements, the Company has elected to present Separate Financial Statements only.

ii) Presentation and Disclosure of financial statements

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current - non current classification of assets and liabilities.

Previous years' figures have been regrouped and reclassified wherever required.

iii) Investments in subsidiaries

Subsidiaries are all entities (including structured entities) over which the group has control. The Company controls an entity when the company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity.

Investments in Subsidiaries are accounted at cost.

iv) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the group classifies its debt instruments:

Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through other comprehensive income (FVTOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVTOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss:

Assets that do not meet the criteria for amortised cost or FVTOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity Changes in the fair value of financial assets at fair value through profit or loss are recognised in the statement of profit and loss.

Mayur Khandelwal & Co. ★ Chartered Accountants

Piramal Systems & Technologies Pvt. Ltd. ★

Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, loan commitments, trade receivables and other contractual rights to receive cash or other financial assel.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss ("ECL") allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking

The expected credit loss is a product of exposure at default, probability of default and loss given default. The company has devised an internal model to evaluate the probability of default and loss given default based on the parameters set out in Ind AS 109. Accordingly, the financial instruments are classified into Stage 1 – Standard Assets with zero to thirty days past due (DPD), Stage 2 – Significant Credit Deterioration or overdue between 31 to 90 days and Stage 3 – Default Assets with overdue for more than 90 days. The Company also takes into account the below qualitative parameters in determining the increase in credit risk for the financial assets:

1) Significant negative deviation in the business plan of the developer
2) Internal rating downgrade for the borrower or the project
3) Current and expected financial performance of the developer
4) Need for refinance of loan due to change in cash flow of the project
5) Significant decrease in the value of collateral
6) Change in market conditions and industry trends

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

Default Assets wherein the management does not expect any realistic prospect of recovery are written off to the Statement of Profit and Loss.

Derecognition of financial assets

A financial asset is derecognised only when:

Foreign exchange gains and losses

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period. For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognised in profit or loss except for those which are designated as hedging instruments in a hedging relationship.

Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by a Company entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instrument

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued are recognised at the

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the Company does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Foreign exchange gains and losses

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments

Financial Guarantee Contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by the Company are initially measured at their fair values and are subsequently measured at the higher of:

- the amount of the loss allowance determined in accordance with Ind AS 109; and
- the amount initially recognised less, where appropriate, cumulative amortisation recognised in accordance with the revenue recognition policies.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

Derivatives and hedging activities

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The accounting for subsequent changes in fair value depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged and the type of hedge relationship designated.

Mayur Khandelwal & Co. Chartered Accountants
Piramal Systems & Technologies Pvt. Ltd.

Embedded derivatives

Derivatives embedded in a host contract that is an asset within the scope of Ind AS 109 are not separated. Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.
Derivatives embedded in all other host contract are separated only if the economic characteristics and risks of the embedded derivative are not closely related to the economic characteristics and risks of the host and are measured at fair value through profit or loss. Embedded derivatives closely related to the host contracts are not separated.

Offsetting Financial Instruments

Financial Assets and Liabilities are offset and the net amount is reflected in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or counterparty.

v) **Provisions and Contingent Liabilities**

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

vi) **Revenue recognition**

Interest: Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the amortised cost and at the effective interest rate applicable.

vi) **Foreign Currency Transaction**

In preparing the financial statements of the Company, transactions in currencies other than the company's functional currency viz. Indian Rupee are recognised at the rates of exchange prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.
Exchange differences on monetary items are recognised in profit or loss in the period in which they arise.

vii) **Taxes on Income**

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961.
Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the separate financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.
The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.
Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

viii) **Cash and Cash Equivalents**

In the cash flow statement, cash and cash equivalents includes cash on hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

ix) **Earnings Per Share**

In determining earnings per share, the Company considers the net profit after tax. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares.

x) **Standards issued but not yet effective**

New Ind AS applicable for the first time in current financial year had no impact on the Company's financial statements.

Definition of Accounting Estimates - Amendments to Ind AS 8: The amendments to Ind AS 8 clarify the distinction between changes in accounting estimates, changes in accounting policies and the correction of errors. They also clarify how entities use measurement techniques and inputs to develop accounting estimates. The amendments had no impact on the Company's financial statements.

Disclosure of Accounting Policies - Amendments to Ind AS 1: The amendments to Ind AS 1 provided guidance and examples to help entities apply materiality judgements to accounting policy disclosures. The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures. The amendments have had an impact on the Company's disclosures of accounting policies, but not on the measurement, recognition or presentation of any items in the Company's financial statements.

Deferred Tax related to Assets and Liabilities arising from a Single Transaction – Amendments to Ind AS 12: The amendments to Ind AS 12 Income Tax narrow the scope of the initial recognition exception, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases and decommissioning liabilities. The amendments had no impact on the Company's financial statements.

15 Risk Management :

a. Foreign Currency Risk Management

The Company has defined strategies for addressing the risks for each category of exposures (e.g. for exports , for imports, for loans, etc.). The centralised treasury function aggregates the foreign exchange exposure and takes prudent measures to hedge the exposure based on prevalent macro-economic conditions.

Further there are no foreign currency exposures as at the reporting date (P.Y: NIL)

b. Capital Risk Management

The Company manages its capital to ensure that it will be able to continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. The capital structure of the Company consists of net debt (borrowings as detailed in notes 8 and 6 offset by cash and bank balances) and total equity of the Company.

The Company determines the amount of capital required on the basis of annual as well as long term operating plans and other strategic investment plans. The funding requirements are met through long-term /short-term borrowings.The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

The capital components of the Company are as given below:

	March 31, 2024	March 31, 2023
Total Equity	**3.64**	**0.74**
Borrowings	-	-
Total Debt	**-**	**-**
Cash & Cash equivalents	(0.69)	(1.87)
Net Debt	**(0.69)**	**(1.87)**
Net Debt to Equity ratio	**(0.19)**	**(2.54)**

c. Liquidity Risk

Liquidity Risk refers to insufficiency of funds to meet the financial obligations. Liquidity Risk Management implies maintenance of sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit lines to meet obligations when due.

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. To the extent that interest flows are floating rate, the rate applicable as of reporting period ends respectively has been considered. The contractual maturity is based on the earliest date on which the Company may be required to pay.

16. Optionally Fully Convertible Debentures (OFCD)

On April 16, 2013, the Company issued 360 optionally fully convertible debentures of Rs. 10 Lakhs each redeemable at par. Tenure of OFCDs is 10 years from date of allotment. Put option is available to the holder for conversion or redemption. Call option is available to the Company for conversion or redemption. On conversion or redemption of OFCD, OFCD along with the interest accrued thereon shall be converted into Equity shares of Rs. 10 each of the Company at par.On exercise of Call or Put Option for redemption of the OFCD or as the case may be, upon expiry of the tenure of the OFCD, if not converted or redeemed earlier, the OFCD shall be redeemed by the Company at par together with accrued interest thereon. Call or put options can be exercised at any time after the expiry of 5 years from the date of allotment during the tenure of OFCDs. Option notice need to be given 15 days prior to the relevant Option date.Where OFCDs are converted into equity shares upon exercise of Call or Put Options for conversion, such equity shares shall rank pari-passu with the existing equity shares of the Company provided that such shares shall be entitled to proportionate dividend, if declared, for the year in which they shall stand converted, with effect from the date of conversion.The OFCDs shall have no right to receive dividend, till conversion into equity shares. Until conversion into equity shares as aforesaid the OFCDs shall also not carry any Voting Rights.

The OFCD contain two components: liability and equity elements. The equity element is presented in equity under the heading of " equity component of OFCD". The effective interest rate of the liability element on initial recognition is 12.89% p.a. upto 16.04.2018. i.e. 5 years from the date of issue of the debentures.

Particulars	As at 31-March-2024	As at 31-March-2023
Proceeds of issue	3,600.00	3,600.00

Chartered Accountants

Independent Auditor's Report

To The Members of
Piramal Investment Advisory Services Private Limited

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of Piramal Investment Advisory Services Private Limited ("the Company"), which comprises of Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of other information. The Other information comprises the information included in the Board's Report including Annexures to the Board report but does not include the financial statement and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

LODHA & CO LLP MUMBAI-01 Chartered Accountants

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the

LODHA & CO. LLP MUMBAI-01 Chartered Accountants

Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures; and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of an identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. Pursuant to the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and records.

   (c) The Balance sheet, the Statement of Profit & Loss (including other comprehensive income), Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

(e) On the basis of the written representation received from the directors as on March 31, 2024 taken on records by the Board of Directors, none of the directors are disqualified as on March 31, 2024 from being appointed as a Directors in terms of Section 164(2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, The Company being a private limited Company, Section 197 of the Act is not applicable.

(h) With respect to the matters to be included in the Auditor's report in accordance with the rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations as on March 31, 2024 which would impact its financial position.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.

iv. a) The management has represented that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b) The management has represented, that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under sub clause (i) and (ii) of Rule 11(e) of The Companies (Audit and Auditors) Rules, 2014, as provided under (a) and (b) above, contains any material misstatement. (Refer note no. 24 to financial statements)

v. The Company has not declared or paid dividend during the financial year 2023-24. Accordingly, reporting under rule 11 (f) of Companies (Audit and Auditors) Rules, 2014 is not applicable.

vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Annexure "A" referred to in "Report on Other Legal and Regulatory Requirements" section of our Auditors' Report of even date to the members of Piramal Investment Advisory Services Private Limited of on financial statements for the year ended March 31, 2024

i. a. In respect of Company's Property, Plant and Equipment (PPE) and Intangible Assets: - The Company does not have any PPE and Intangible assets and hence reporting under clause 3(i) (a), (b), (c) and (d) of the order is not applicable to the Company.

b. In our opinion and according to the information and explanations given to us, neither any proceedings have been initiated during the year nor are pending as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988, as amended, and Rules made thereunder and hence reporting under clause 3(i)(e) of the Order is not applicable to the Company.

ii. a. The Company is in the business of providing financial services and does not have any physical inventories and hence reporting under clause 3(ii) (a) of the order is not applicable to the company.

b. According to the information and explanations given to us and on the basis of our examination of records, the Company does not have any sanctioned working capital at any point of time during the year from banks and financial institutions and hence reporting under clause 3(ii)(b) of the Order is not applicable to the Company.

iii. In respect of Investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties:

(a) The Company has not provided any loans or advances in the nature of loans or guarantee or provided security to any other entity during the year and hence reporting under clause 3(iii)(a) is not applicable to the Company.

(b) According to the information and explanations given to us and on the basis of our examination of records, the investment made are in the ordinary course of business and accordingly in our opinion, prima facie, not prejudicial to the Company's interest.

(c) The Company has not granted any loans or advances in the nature of loans during the year and hence reporting under clauses 3(iii)(c), (d), (e) and (f) of the Order is not applicable to the Company.

iv. According to the information and explanations given to us and on the basis of our examination of records, the Company has complied with the provisions of Section 185 and 186 of the Act, to the extent applicable with respect to the investments made during the year. The Company has not provided any loans, guarantee and security during the year.

v. According to the information and explanations given to us and on the basis of our examination of records, no deposits or amounts which are deemed to be deposits within the meaning of Section 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014 have been accepted by the Company and hence reporting under clause 3(v) of the Order is not applicable to the Company.

vi. The Central Government has not prescribed the maintenance of cost records under sub section 1 of Section 148 of the Act in respect of nature of services rendered by the Company and hence reporting under clause 3(vi) of the order is not applicable to the Company.

vii. (a) According to the information and explanations given to us and on the basis of our examination of the records, the Company is regular in depositing undisputed statutory dues including Goods and Services tax, provident fund, employees' state insurance, income tax, sales tax, custom duty, duty of excise, value added tax, cess and other statutory dues during the year with the appropriate authorities. No undisputed amounts payable in respect of the aforesaid statutory dues were outstanding as at the last day of the financial year for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and on the basis of our examination of records, there are no statutory dues mentioned in clause vii (a) which have been not deposited on account of any dispute.

viii. According to the information and explanations given to us and on the basis of our examination of records, there were no transactions relating to previous years that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) and hence reporting under clause 3(viii) of the order is not applicable to the Company.

ix. (a) Based on our audit procedures and on the basis of information and explanations given to us, we are of the opinion that the Company has not defaulted in the repayment of loans or other borrowings or in the repayment of interest thereon to the lenders and hence reporting under clause 3(ix) of the Order is not applicable to the Company.

(b) The Company has not been declared as willful defaulter by any bank or financial institution or other lender.

(c) According to the information and explanations given to us and on the basis of our examination of records, the Company has not taken any term loan during the year and hence reporting under clause 3(ix)(c) of the Order is applicable to the Company.

(d) On an overall examination of the financial statements, in our opinion the Company has not utilized funds raised on short term basis for long term purposes.

(e) Based on our audit procedures and on the basis of information and explanations given to us, the Company does not have any subsidiaries, associates or joint venture and hence reporting under clause 3(ix)(e) and (f) of the Order is not applicable to the Company.

x. (a) According to the information and explanations given to us and on the basis of our examination of records, the Company has not raised any money by way of Initial public offer or further public offer (including debt instrument) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(a) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment, private placement of shares or fully or partly convertible

LODHA & CO. LLP MUMBAI-01 Chartered Accountants

debentures during the year or in the recent past and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of fraud by or on the Company, noticed or reported during the year, nor have we been informed of such case by the management.

(b) During the year, no report under sub section 12 of Section 143 of the Act has been filed in Form ADT-4 as prescribed in rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) Based on our audit procedure performed and according to the information and explanations given to us, Section 177(9) of the Act is not applicable and hence reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. According to the information and explanations given to us and on the basis of our examination of records, the Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. According to the information and explanations given to us and based on our examination of the records of the Company, all the transactions with related parties are in compliance with Section 188 of the Act and all the details have been disclosed in the financial statements as required by the applicable Accounting Standard. Section 177 of the Act is not applicable to the Company.

xiv. According to the information and explanations given to us and on the basis of our examination of records, as the provision of Section 138 of the Act relating to appointment of internal audit is not applicable and hence reporting under clause 3(xiv)(a) and 3(xiv(b) of the order is not applicable to the Company.

xv. According to the information and explanations given to us and on the basis of our examination of records, the Company has not entered into any non-cash transactions prescribed under Section 192 of the Act with directors or persons connected with them during the year.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and hence reporting under clause 3(xvi) (a), (b) and (c) of the Order is not applicable to the Company.

(b) In our opinion, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and accordingly reporting under paragraph 2(xvi)(c) of the Order is not applicable to the Company.

(c) Based on the information and explanations given to us and as represented by the Management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) has only one CIC as a part of the Group.

xvii. The Company has not incurred any cash losses during the financial year covered by our audit and immediately preceding financial year.

xviii. There has been no resignation by the statutory auditors of the Company during the year and hence reporting under clause 3(xviii) of the Order is not applicable to the Company.

LODHA & CO. LLP MUMBAI-01 Chartered Accountants

xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. According to the information and explanations given to us and on the basis of our examination of records, there are no amounts unspent in respect of corporate social responsibility towards ongoing or other than ongoing projects and hence reporting under clause 3(xx) (a) and (b) of the Order is not applicable to the Company.

Annexure "B" referred to in "Report on Other Legal and Regulatory Requirements" section of our Auditors' Report of even date to the members of Piramal Investment Advisory Services Private Limited on financial statements for the year ended March 31, 2024

Report on the Internal Financial Controls with reference to financial statement under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to financial statement of Piramal Investment Advisory Services Private Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to financial statements criteria established by the Company considering the essential component of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with respect to financial statement and their operating effectiveness. Our audit of internal financial controls with reference to financial statement included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the entity are being made only in accordance with authorisations of management;(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the entity's assets that could have a material effect on the financial statements; and (4) also provide reasonable assurance by the internal auditors through their internal audit reports given to the organisation from time to time.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statement, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statement to future periods are subject to the risk that the internal financial control with reference to financial statement may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, broadly, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control with reference to financial statements criteria established by the Company considering the essential Component of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 BACKGROUND

Piramal Investment Advisory Services Private Limited (the 'Company') was incorporated on 13 June 2013 with an objective to provide investment advisory services in the real estate and infrastructure sector. The Company has established a contributory trust, viz. 'Piramal Infrastructure Fund' and 'Piramal Investment Opportunities Fund' (the 'Funds'), under the provisions of the Indian Trust Act, 1882. The Funds have received approval from the Securities and Exchange Board of India on 23 September 2013 to carry on the activity of a alternative investment fund under its different schemes by pooling together resources and finances from institutional and high net worth investors. The Company has been appointed as investment advisor to the Funds under an investment advisory agreement dated 25 July 2013. The Company has also entered into ancillary activities of investments.
These financial statements have been approved for issue by Company's Board of Directors on 7 May 2024.

2a. MATERIAL ACCOUNTING POLICIES

i) Basis of preparation and presentation of financial statements

The financial statements have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and relevant amendment rules issued thereafter ("Ind AS") on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period as explained below, the relevant provisions of the Companies Act, 2013 (the "Act").
Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use."

ii) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.
Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.
Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

iii) Investments and Other Financial Assets

Classification

The Company classifies its financial assets in the following measurement categories:
- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Subsequent Measurement

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

iv) Debt instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the group classifies its debt instruments:

Amortised cost:
Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method. Subsequently, these are measured at amortised cost using the Effective Interest Method less any impairment losses.

Fair value through other comprehensive income (FVTOCI):
Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVTOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the statement of profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to the statement of profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

MUMBAI-01 Chartered Accountants

Piramal Investment Advisory Services Pvt. Ltd.

Fair value through profit or loss (FVTPL):
Assets that do not meet the criteria for amortised cost or FVTOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in the statement of profit and loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

v) **Equity instruments**
The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification on derecognition of fair value gains and losses to the statement of profit and loss. Dividends from such investments are recognised in the statement of profit and loss when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in the statement of profit and loss.

vi) **Impairment of financial assets**
The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, loan commitments, and other contractual rights to receive cash or other financial asset.

The Company applies Expected Credit Loss (ECL) model for recognition and measurement of impairment loss on the following financial assets and credit risk exposure:

Default Assets wherein the management does not expect any realistic prospect of recovery are written off to the Statement of Profit and Loss.

Derecognition of financial assets
A financial asset is derecognised only when:
- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Foreign exchange gains and losses
The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period. For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognised in profit or loss except for those which are designated as hedging instruments in a hedging relationship.

vii) **Financial liabilities and equity instruments**

Classification as debt or equity

Debt and equity instruments issued by a Company entity are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instrument

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued are recognised at the proceeds received, net of direct issue costs.

Financial liabilities
All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the Company does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Foreign exchange gains and losses

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments

Derecognition of financial liabilities
The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

Offsetting Financial Instruments
Financial Assets and Liabilities are offset and the net amount is reflected in the balance sheet where there is a legally enforceable

viii) **Provisions and Contingent Liabilities and Contingent Assets**
Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are not recognised in the financial statements. Contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. However, they are assessed continually, and if it has become virtually certain that inflow of economic benefits will arise, the asset and related income are recognized in the financial statements.

ix) **Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable.

Interest: Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the amortised cost and at the effective interest rate applicable.
Dividend: Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

Sale of Services: In contracts involving the rendering of services, revenue is recognised at the point in time in which services are rendered. In case of fixed price contracts, the customer pays a fixed amount based on the payment schedule.

x) **Foreign Currency Transactions**
In preparing the financial statements of the Company, transactions in currencies other than the company's functional currency viz. Indian Rupee are recognised at the rates of exchange prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in the statement of profit and loss. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences on monetary items are recognised in the statement of profit and loss in the period in which they arise.

xi) **Taxes on Income**
Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961.
Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the separate financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.
Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

MUMBAI Chartered Accountants
Piramal Investment Advisory Services Ltd.

Current and deferred tax are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

xii) **Cash and Cash Equivalents**

In the cash flow statement, cash and cash equivalents includes cash on hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

2b. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTIES

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

Expected Credit Loss:

When determining the provision for impairment loss on financial assets carried at amortised cost and Loan commitments, in line with Expected Credit Loss model, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort for determing the Probability of default (PD) and Loss Given default (LGD). This includes both quantitative and qualitative information and analysis, based on the company's historical experience and credit assessment and including forward looking information.

27 Risk Management

Risk Management is an integral part of the Company's business strategy. Company's risk philosophy is to develop and maintain a healthy portfolio which is within its risk appetite and the regulatory framework. While the Company is exposed to various types of risks, the most important among them are liquidity risk, regulatory risk and fraud and operational risk. The measurement, monitoring and management of risks remain a key focus area for the Company.

The Board of Directors monitors the quality of audit function and also monitors compliance with regulators.

The Company's risk management strategy is based on a clear understanding of various risks, disciplined risk assessment and measurement procedures and continuous monitoring. The policies and procedures established for this purpose are continuously benchmarked with market best practices.

The Board of Directors ("BOD") reviews compliance with risk policies, monitors risk tolerance limits, reviews and analyse risk exposure and provides oversight of risk across the organization. The BOD nurtures a healthy and independent risk management function to inculcate a strong risk management culture in the Company and broadly perceives the risk arising from (i) liquidity risk, (ii) fraud risk and operational risk (iii) regulatory risk.

26.1 Fraud risk and operational risk:

The Company has an elaborate system of internal controls commensurate with the size, scale and complexity of its operations and covers funding operations, financial reporting, fraud control and compliance with laws and regulations.

Risks associated with frauds are mitigated through 100% document verification by the management and review of all the cases which are entered in the system, including corrective and remedial actions as regards people and processes.

Management monitors and evaluates the efficacy and adequacy of internal control systems in the Company, its compliance with laws and regulations, efficacy of its operating systems, adherence to the accounting procedures and policies at all offices of the Company and report directly to the Board of Directors of the company.

27.2 Regulatory risk:

The Company requires certain statutory and regulatory approvals for conducting business and failure to obtain retain or renew these approvals in a timely manner, may adversely affect operations. Any change in laws or regulations made by the government or a regulatory body that governs the business of the Company may increase the costs of operating the business, reduce the attractiveness of investment and / or change the competitive landscape.

27.3 Liquidity Risk

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The contractual maturity is based on the earliest date on which the Company may be required to pay.

Notes:

1 Market Net Asset Value (NAV) as at the reporting period have been used to determine the Fair Value of the mutual fund investments.

The Company has not disclosed the fair value of cash and bank balances, other financial assets, trade payables, trade receivables and other financial liabilities, because their carrying amounts are a reasonable approximation of fair value.

29 Market Risk

a) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and investments), including deposits with financial institutions and other financial instruments.

Reconciliation of loss allowance

Particulars	March 31, 2024	March 31, 2023
Opening balance	231.49	231.49
Add: Provision during the year	-	-
Less: Reversal of provisions during the year	-	-
Closing balance	**231.49**	**231.49**

b) Trade receivables

The receivables of the Company are from advisory services funds. Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored.

c) Financial instruments and cash deposits

The credit risk on liquid funds and other financial instruments is limited because the counterparties are banks with high credit-ratings assigned by credit-rating agencies or mutual funds.

30 Operational Risk

Operational risk is the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. Operational risk includes legal risk but excludes strategic and reputational risks. Legal risk includes, but is not limited to, exposure to fines, penalties or punitive damages resulting from supervisory actions, as well as private settlements. Operational risk can result from a variety of factors, including failure to obtain proper internal authorizations, improperly documented transactions, failure of operational and information security procedures, computer systems, software or equipment, fraud, inadequate training and employee errors. Operational risk is sought to be mitigated by maintaining a comprehensive system of internal controls, establishing systems and procedures to monitor transactions, maintaining key back-up procedures and undertaking regular contingency planning.

Report of the statutory auditor on the limited statutory examination

to the board of directors of
Piramal Technologies SA, en liquidation, Matran

on the audited interim liquidation balance as of December 31, 2023

As statutory auditor, we have examined the audited interim liquidation balance (balance sheet and income statement) of Piramal Technologies SA, en liquidation for the financial year ended on December 31, 2023.

This audited interim liquidation balance is the responsibility of the board of directors. Our responsibility is to perform a limited statutory examination on this audited interim liquidation balance. We confirm that we meet the licensing and independence requirements as stipulated by Swiss law.

We conducted our examination in accordance with the Swiss Standard on the Limited Statutory Examination. This standard requires that we plan and perform a limited statutory examination to identify material misstatements in the audited interim liquidation balance. A limited statutory examination consists primarily of inquiries of company personnel and analytical procedures as well as detailed tests of company documents as considered necessary in the circumstances. However, the testing of operational processes and the internal control system, as well as inquiries and further testing procedures to detect fraud or other legal violations, are not within the scope of this examination.

Based on our limited statutory examination, nothing has come to our attention that causes us to believe that the audited interim liquidation balance does not comply with Swiss law and the company's articles of incorporation.

Furthermore, we draw attention to the fact that half of the sum of share capital is no longer covered (article 725a para. 1 CO).

NOTES TO THE FINANCIAL STATEMENTS

A. **Incorporation and activity of the company**

According to its memorandum of Incorporation, the Company's objects are as follows:

To acquire a stake in other companies

To set up branch offices or subsidiaries

To participate in other companies that bears a direct or indirect relation with its purpose, to purchase or found such companies,

In a general manner, to engage in any and all financial commercial or industrial personal or real estate activities conducive to furthering its development and that have a direct or indirect bearing to its purpose.

To enter into these transactions for its own account or for third parties, as a representative, as an agent or commission agent or to have third parties enter into such transactions for the company's account.

B. **Summary of significant accounting policies**

1) **Accounting Principles**

The Company follows accounting principles as per Swiss Obligation Code

2) **Accounting for income and expenditure**

Income and expenditure are accounted for an accrual basis, irrespective of when payments are received or made

3) **Foreign currency translation**

The accounting records are kept in Swiss francs. Transactions denominated in currencies other than Swiss francs are translated into Swiss francs at the exchange rates ruling at the date of the transactions.

At the closure of the balance sheet, short-term assets, this means bank accounts, which are express in another currency than the Swiss francs, are converted at the end of the year exchange rate.

C. **Shareholders 'equity**

The share capital of the Company has been increased to the amount of CHF 5'828'708 (five million eight hundred twenty-eight thousand seven hundred eight Swiss francs). Presently into 3'300 shares of CHF 1'000 nominal value each and 2'528'708 shares of CHF 1 nominal value each, fully paid.

D. **Equivalent employment Annual Average –** There are no employees in the company.

E. **Liquidation**

Pursuant to the application by Piramal Technologies SA ('Company'), the status of the Company has been taken as '**in liquidation**' by the trade registry in Switzerland. The Company has also published three calls to the creditors intimating the liquidation. After expiry of 365 days from the third call (made on Sep. 30, 2022), final application would be made with the trade registry in Switzerland to approve the liquidation and to delete the name of the Company from register

Independent Auditor's Report

To the Members of Piramal Alternatives Private Limited
(Formerly known as Piramal Asset Management Private Limited)

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of **Piramal Alternatives Private Limited** ('the Company'), which comprise the Balance Sheet as at **31 March 2024**, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, and its profit/loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Chartered Accountants

Walker Chandiok & Co LLP is registered with limited liability with identification number AAC-2085 and has its registered office at L-41, Connaught Circus, Outer Circle, New Delhi, 110001, India

Information other than the Financial Statements and Auditor's Report thereon

4. The Company's Board of Directors are responsible for the other information. The other information obtained at the date of the auditor's report is information included in the Director's Report but does not include the financial statements and our auditor's report thereon.

   Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

   In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

5. The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

6. In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

7. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Chartered Accountants

Offices in Ahmedabad, Bengaluru, Chandigarh, Chennai, Gurugram, Hyderabad, Kochi, Kolkata, Mumbai, New Delhi, Noida and Pune

Walker Chandiok & Co LLP is registered with limited liability with identification number AAC-2085 and has its registered office at L-41, Connaught Circus, Outer Circle, New Delhi, 110001, India

9. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

   - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;

   - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;

   - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

11. Based on our audit, we report that the provisions of section 197 read with Schedule V to the Act are not applicable to the Company since the Company is not a public company as defined under section 2(71) of the Act. Accordingly, reporting under section 197(16) is not applicable.

12. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Chartered Accountants

Offices in Ahmedabad, Bengaluru, Chandigarh, Chennai, Gurugram, Hyderabad, Kochi, Kolkata, Mumbai, New Delhi, Noida and Pune

Walker Chandiok & Co LLP is registered with limited liability with identification number AAC-2085 and has its registered office at L-41, Connaught Circus, Outer Circle, New Delhi, 110001, India

13. Further to our comments in Annexure A, as required by section 143(3) of the Act based on our audit, we report, to the extent applicable, that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying financial statements;

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for matters stated in paragraph 13(h)(vi) below on reporting under rule 11(g) of Companies (Audit and Auditors) Rule,2014 (as amended);

c) The financial statements dealt with by this report are in agreement with the books of account.

d) in our opinion, the aforesaid financial statements comply with Ind AS specified under section 133 of the Act;

e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of section 164(2) of the Act;

f) The modification relating to the maintenance of accounts and other matters connected therewith, is stated in paragraph b above;

g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2024 and the operating effectiveness of such controls, refer to our separate report in Annexure B wherein we have expressed an unmodified opinion; and

h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigation which would impact its financial position as at 31 March 2024;

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2024;

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2024;

iv. a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;

Chartered Accountants

Offices in Ahmedabad, Bengaluru, Chandigarh, Chennai, Gurugram, Hyderabad, Kochi, Kolkata, Mumbai, New Delhi, Noida and Pune

Walker Chandiok & Co LLP is registered with limited liability with identification number AAC-2085 and has its registered office at L-41, Connaught Circus, Outer Circle, New Delhi, 110001, India

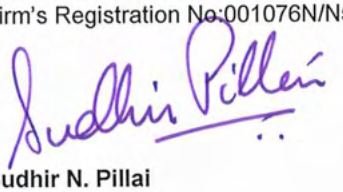

b. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.

v. The Company has not declared or paid any dividend during the year ended 31 March 2024.

vi. Based on our examination, which include test checks the company, in respect of financial year commencing on 1 April 2023, has used an accounting software (Tally Prime GOLD) for maintaining its books of account which has a feature of recording audit trail (edit log) facility. However, the audit trail feature in the accounting software used for maintenance of accounting records was not enabled up to 19 March 2024 and the same did not operate throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with for the period where audit trail is enabled.

Annexure A referred to in Paragraph 13 of the Independent Auditor's Report of even date to the members of Piramal Alternatives Private Limited on the financial statements for the year ended 31 March 2024

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.

(B) The Company does not have any intangible assets and accordingly, reporting under clause 3(i)(a)(B) of the Order is not applicable to the Company.

(b) The property, plant and equipment have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of physical verification programme adopted by the Company, is reasonable having regard to the size of the Company and the nature of its assets.

(c) The Company does not own any immovable property (other than properties where the Company is lessee and the lease arrangements are duly executed in the favour of lessee). Accordingly reporting under clause3(i)(c) of the order is not applicable to the company.

(d) The Company has not revalued its Property, Plant and Equipment during the year. Further, the Company does not hold any intangible assets.

(e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended) and rules made thereunder.

(ii) (a) The Company does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) The Company has not been sanctioned working capital limits by banks or financial institutions on the basis of security of current assets at any point of time during the year. Accordingly, reporting under clause 3(ii)(b) of the Order is not applicable to the Company.

(iii) (a) The Company has not provided any loans or provided any advances in the nature of loans, or guarantee, or security to any other entity during the year. Accordingly, reporting under clauses 3(iii)(a) of the Order is not applicable to the Company.

(b) The Company has not provided any guarantee or given any security or granted any loans or advances in the nature of loans during the year.

(iv) The Company has not entered into any transaction covered under sections 185 and 186 of the Act. Accordingly, reporting under clause 3(iv) of the Order is not applicable to Company.

Offices in Ahmedabad, Bengaluru, Chandigarh, Chennai, Gurugram, Hyderabad, Kochi, Kolkata, Mumbai, New Delhi, Noida and Pune

Walker Chandiok & Co LLP is registered with limited liability with identification number AAC-2085 and has its registered office at L-41, Connaught Circus, Outer Circle, New Delhi, 110001, India

Annexure A (Contd)

(v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there are no amounts which have been deemed to be deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.

(vi) The Central Government has not specified maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of Company's services / business activities. Accordingly, reporting under clause 3(vi) of the Order is not applicable.

(vii) (a) In our opinion, and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute except for the following:

Name of the statute	Nature of dues	Gross Amount (₹)	Amount paid Under Protest (₹)	Period to which the amount relates	Forum where dispute is pending	Remarks, if any
Income Tax Act, 1961*	Income Tax	90,591	-	Financial year 2019-20	Centralised Processing Centre	None
Goods & Services tax Act	GST (Including Interest & Penalty)	16,28,486	86,622	April 2019 March 2020	Maharashtra State	None

*represent the rectification application filed by the company

(viii) According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been previously recorded in the books of accounts.

(ix) According to the information and explanations given to us, the Company does not have any loans or other borrowings from any lender. Accordingly, reporting under clause 3(ix) of the Order is not applicable to the Company.

Chartered Accountants

Offices in Ahmedabad, Bengaluru, Chandigarh, Chennai, Gurugram, Hyderabad, Kochi, Kolkata, Mumbai, New Delhi, Noida and Pune

Walker Chandiok & Co LLP is registered with limited liability with identification number AAC-2085 and has its registered office at L-41, Connaught Circus, Outer Circle, New Delhi, 110001, India

Annexure A (Contd)

(x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.

(xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company has been noticed or reported during the period covered by our audit.

(b) According to the information and explanations given to us including the representation made to us by the management of the Company, no report under sub-section 12 of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit.

(c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.

(xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.

(xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company, with the related parties are in compliance with section 188 of the Act. The details of such related party transactions have been disclosed in the financial statements etc., as required under [Accounting Standard (AS) 18, Related Party Disclosures specified in Companies (Accounting Standards) Rules, 2021 as prescribed under section 133 of the Act, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act]. Further, according to the information and explanations given to us, the Company is not required to constitute an audit committee under section 177 of the Act.

(xiv) (a) According to the information and explanations given to us, the Company is not required to have an internal audit system as per the provisions of section 138 of the Act. However, the Company has an internal audit system which, in our opinion, is commensurate with the size and nature of its business.

(b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.

(xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, reporting under clause 3(xv) of the Order with respect to compliance with the provisions of section 192 of the Act are not applicable to the Company.

Chartered Accountants

Offices in Ahmedabad, Bengaluru, Chandigarh, Chennai, Gurugram, Hyderabad, Kochi, Kolkata, Mumbai, New Delhi, Noida and Pune

Walker Chandiok & Co LLP is registered with limited liability with identification number AAC-2085 and has its registered office at L-41, Connaught Circus, Outer Circle, New Delhi, 110001, India

Annexure A (Contd)

(xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clauses 3(xvi)(a),(b) and (c) of the Order are not applicable to the Company.

(d) Based on the information and explanations given to us and as represented by the management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) does not have any CIC.

(xvii) The Company has incurred cash losses in the current financial year as well as the immediately preceding financial years amounting to Rs.3,851 lakhs and Rs.3,150 lakhs respectively.

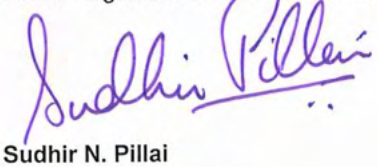

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the plans of the Board of Directors and management and based on our examination of the evidence supporting the assumptions , nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) According to the information and explanations given to us the Company does not meet the criteria as specified under sub section (1) of section 135 of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014 and according reporting under clause 3(xx) of the Order is not applicable to the Company.

(xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Annexure B to the Independent Auditor's Report of even date to the members of Piramal Alternatives Private Limited (Formerly known as Piramal Asset Management Private Limited) on the financial statements for the year ended 31 March 2024

Independent Auditor's Report on the internal financial controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the financial statements of **Piramal Alternatives Private Limited** as at and for the year ended **31 March 2024**, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI').These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unqualified audit opinion on the Company's internal financial controls with reference to financial statements.

Chartered Accountants

Offices in Ahmedabad, Bengaluru, Chandigarh, Chennai, Gurugram, Hyderabad, Kochi, Kolkata, Mumbai, New Delhi, Noida and Pune

Walker Chandiok & Co LLP is registered with limited liability with identification number AAC-2085 and has its registered office at L-41, Connaught Circus, Outer Circle, New Delhi, 110001, India

Annexure B (Contd)

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

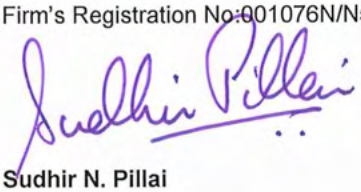

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Piramal Alternatives Private Limited
(Formerly known as Piramal Asset Management Private Limited)

Notes to the Financial Statements

1. GENERAL INFORMATION

Piramal Alternatives Private Limited ('the Company') was incorporated on 14 June 2018 with an objective to provide investment management services to private equity funds. The Company already acts as investment manager for Piramal Structured Credit Opportunites Fund. Additionally, the Company also acts as investment manager for Piramal Alternatives Investment Fund I - Scheme-I through Investment Management Agreement dated 12 January 2023, for Piramal Alternatives India Access Fund through Investment Management Agreement dated 02 June 2023 and for Piramal Alternatives India Credit Opportunities Fund II, through Investment Management Agreement dated 22 January 2024.

2. SIGNIFICANT ACCOUNTING POLICIES

i) Basis of preparation

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) and the provisions of the Companies Act, 2013 ('the Act'). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

The Company's financial statements are presented in Indian Rupees (INR), which is also its functional currency.

ii) Basis of Accounting

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

iii) Use of Estimates and Judgements

The preparation of the financial statements in conformity with Indian Accounting Standards ("Ind AS") requires the management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Accounting estimates could change from period to period. Actual results could differ from those estimates. Revisions to accounting estimates are recognised prospectively. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

iv) Property, plant and equipment

All property, plant and equipment are stated at cost of acquisition, less accumulated depreciation and accumulated impairment losses, if any. Direct costs are capitalised until the assets are ready for use and includes freight, duties, taxes and expenses incidental to acquisition and installation.

The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Subsequent expenditures related to an item of property, plant and equipment are added to its carrying value only when it is probable that the future economic benefits from the asset will flow to the Company & cost can be reliably measured.

Losses arising from the retirement of, and gains or losses arising from disposal of property, plant and equipment are recognised in the statement of profit and loss.

Notes to the Financial Statements

2. SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

v) Depreciation and amortisation

a. Property, plant and equipment

Depreciation is provided on a pro-rata basis using straight line method ('SLM') over the useful lives of the assets specified in

Office equipments	5 years
Furniture and fixtures	10 years
Computer servers and network devices	6 years
Computer - end user devices	3 years
Motor car	8 years
Leasehold improvements	Amortised over lease tenure

Individual fixed assets costing less than Rupees five thousand are depreciated fully in the year of purchase or acquisition.

vi) Impairment of non financial assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. For the purposes of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists or may have decreased, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

vii) Financial instruments

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit and loss.

Financial assets

Classification:

Financials assets that meet the following conditions are subsequently measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and

- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets that meet the following conditions are subsequently measured at fair value through other comprehensive income (FVTOCI):

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

By default, all other financial assets are subsequently measured at fair value through profit and loss (FVTPL).

Effective interest rate method:

Income is recognised on an effective interest rate basis for financial assets other than those financial assets classified as at FVTPL. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.

WALKER CHANDIOK & Co LLP * MUMBAI * CHARTERED ACCOUNTANTS

Piramal Alternatives Private Limited

Notes to the Financial Statements

2. SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Financial assets (Continued)

Financial assets at fair value through profit or loss (FVTPL):

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in the statement of profit or loss. The net gain or loss recognised in the statement of profit or loss incorporates any dividend or interest earned on the financial asset. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

vii) Financial instruments

All assets for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:
Level 1 — Quoted (unadjusted) market prices in active markets for identical assets
Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

Derecognition of financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.
On derecognition of financial assets in entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable, is recognised in the statement of profit and loss.

Financial liabilities and equity instruments

Classification as debt or equity:

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and equity instrument.

Financial liabilities:

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

Financial liabilities that are not held for trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

All liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:
Level 1 — Quoted (unadjusted) market prices in active markets for identical liabilities
Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

Derecognition of financial liabilities:

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

Notes to the Financial Statements

2. SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

viii) Employee Benefits

Employee benefits include provident fund, compensated absences and long term service awards. In case of provident fund, contributions are made to the Regional Provident Fund Office.

Defined Contribution Plans

The Company's contribution to provident fund (in case of contributions to the Regional Provident Fund Office) and pension are considered as defined contribution plans, as the Company does not carry any further obligations apart from the contributions made on a monthly basis and are charged as an expense based on the amount of contribution required to be made.

Defined Benefit Plans

Gratuity: The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments, changes in actuarial assumptions and return on plan assets (excluding interest income) are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the statement of profit and loss in the year in which they arise.

ix) Provisions and Contingent Liabilities

Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

x) Revenue recognition

Fee income: Revenue from management services and trusteeship fees is recognised in statement of profit or loss over time as the services are rendered.

Dividend: Dividend income from investment is recognised when the Company's right to receive payment has been established (provided that it is probable that economic benefit will flow to the Company in the amount of dividend income can be measured realiably).

Investment Income: Income from investment in private equity funds is recognised when the Company's right to receive payment has been established (provided that it is probable that economic benefit will flow to the Company and the amount of investment income can be measured realiably). Fair value gain/(loss) has been accounted as per Net Asset Value statement received from respective funds.

xi) Leases

The Company has adopted Ind AS 116 - Leases, which requires any lease arrangement to be recognised in the balance sheet of the lessee as a 'right-of-use' asset with a corresponding lease liability. Accordingly depreciation has been charged on such assets as against lease rental expenses in the previous year. Similarly interest expense has been recognised on lease liabilities under finance costs. As permitted by the standard, the Company has applied this standard w.e.f. 01 April 2021.

Notes to the Financial Statements

2. SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

xii) Taxes on Income

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.
Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except where they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

xiii) Cash and Cash Equivalents

In the cash flow statement, cash and cash equivalents includes cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

xiv) Borrowing Costs

Borrowing costs directly attributable to acquisition or construction of qualifying assets (i.e. those fixed assets which necessarily take a substantial period of time to get ready for their intended use) are capitalised. Other borrowing costs are recognised as an expense in the period in which they are incurred.

xv) Segment Reporting

The Company has only one reportable business segment, i.e. investment managment and related services, for the purpose of Ind AS 108 on 'Segment Reporting'. Accordingly, the amounts appearing in the financial statements relate to the Company's single business segment.

xvi) Earnings per share (EPS)

Basic earnings per share:

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of Equity shares outstanding during the year.

Diluted earnings per share:

Number of equity shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares which would have been issued on the conversion of all dilutive potential shares. In computing diluted earnings per share only potential equity shares that are dilutive are included.

15.5 Rights, preferences and restrictions attached to shares

Equity shares

The Company has one class of equity shares having a par value of Rs. 10 per share. Each holder of equity share is entitled for one vote per share. There are no restrictions on payment of dividend to equity shareholders. On winding up of the Company, the holders of equity share will be entitled to receive remaining assets of the Company after distribution of all preferential liabilities. The distribution will be in proportion to the number of equity shares held by the shareholders.

Sum of Years 11 and above	**241.71**	148.31

Notes:

The Company has a defined benefit gratuity plan in India (funded). The entity's defined benefit gratuity plan requires contributions to be made to a separately administered fund. The fund is managed by a trust which is governed by the Board of Trustees. The Board of Trustees are responsible for the administration of the plan assets and for the definition of the investment strategy. During the year, there were no plan amendments, curtailments and settlements. Actuarial gains/losses are recognized in the period of occurrence under Other Comprehensive Income (OCI). All above reported figures of OCI are gross of taxation. Salary escalation and attrition rate are in line with the industry practice considering promotion and demand and supply of the employees. Salary escalation and attrition rate are in line with the industry practice considering promotion and demand and supply of the employees. Maturity Analysis of Benefit Payments is undiscounted cashflows considering future salary, attrition and death in respective year for members as mentioned above. Average Expected Future Service represents Estimated Term of Post - Employment Benefit Obligation. Any benefit payment and contribution to plan assets is considered to occur end of the year to depict liability and fund movement in the disclosures. These plans typically expose the Company to actuarial risks such as: interest rate risk, salary risk, investment risk, asset liability matching risk, mortality risk and concentration risk.

Investment risk

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. Plan investment is a mix of investments in government securities, and other debt instruments.

WALKER CHANDIOK & CO LLP * MUMBAI * CHARTERED ACCOUNTANTS

Piramal Alternatives Private Limited

23 Employee benefits *(Continued)* :

Interest risk

A fall in the discount rate, which is linked to the government securities rate, will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Investment risk

The present value of the defined benefit plan liability is calculated using a discount rate, which is determined by reference to market yields , at the end of the reporting period, on government securities. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Asset Liability Matching risk

The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality risk

Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Concentration risk

Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

25 Financial risk management

1) Capital Management

The Company manages its capital to ensure that it will be able to continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. The current capital structure of the Company consists of only equity.

The Company is currently managing two schemes with current AUM of Rs.252,200 lakhs

The Company determines the amount of capital required on the basis of annual as well as long term operating plans and other strategic investment plans. The funding requirements are met through equity or convertible / nonconvertible debt securities or other long-term /short-term borrowings. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

The capital components of the Company are as given below:

	As at 31 March 2024	As at 31 March 2023
Total Equity	**15,900.00**	4,900.00
Borrowings	-	-
Total Debt	-	-
Cash and Cash equivalents	**(311.63)**	(163.05)
Net Debt/ Cash Surplus	**(311.63)**	**(163.05)**
Total debt (net) to equity ratio	**(0.02)**	**(0.03)**

2) Liquidity Risk

Liquidity Risk refers to insufficiency of funds to meet the financial obligations. Liquidity Risk Management implies maintenance of sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit lines to meet obligations when due.

The Company manage its liquidity risk by maintaining adequate reserves and by continuously monitoring forecast and actual cash flows, and by assessing the maturity profiles of financial assets and liabilities.

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. To the extent that interest flows are floating rate, the rate applicable as of 31 March 2023 has been considered. The contractual maturity is based on the earliest date on which the Company may be required to pay.

25 Financial Risk Management (Continued)

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

Maturities of Financial Assets	As at 31 March 2024			
	Upto 1 year	1 to 3 years	3 to 5 years	5 years & above
Investments	8,297.33	-	-	597.68
Cash and Cash equivalents	311.63	-	-	-
Other Receivables	176.23	-	-	-
Other financial assets	-	549.24		-
	8,785.19	549.24	-	597.68

Maturities of Financial Assets	As at 31 March 2023			
	Upto 1 year	1 to 3 years	3 to 5 years	5 years & above
Investments	800.14	-	-	503.57
Cash and Cash equivalents	163.05	-	-	-
Other Receivables	110.33	-	-	-
Other financial assets	-	37.22	-	-
	1,073.52	37.22	-	503.57

3) Market Risk

a) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with financial institutions and other financial instruments.

Other receivables

The receivables of the Company are from advisory services funds.

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management.

Outstanding customer receivables are regularly monitored.

Financial instruments and cash deposits

The credit risk on liquid funds and other financial instruments is limited because the counterparties are banks with high credit-ratings assigned by credit-rating agencies or mutual funds.

4) Operational Risk

Operational risk is the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. Operational risk includes legal risk but excludes strategic and reputational risks. Legal risk includes, but is not limited to, exposure to fines, penalties or punitive damages resulting from supervisory actions, as well as private settlements. Operational risk can result from a variety of factors, including failure to obtain proper internal authorizations, improperly documented transactions, failure of operational and information security procedures, computer systems, software or equipment, fraud, inadequate training and employee errors. Operational risk is sought to be mitigated by maintaining a comprehensive system of internal controls, establishing systems and procedures to monitor transactions, maintaining key back-up procedures and undertaking regular contingency planning.

27 Leases

During the year ended 31 March 2022, the Company has taken office premises on lease. The lease period of these contract was 5 years. The right-of-use assets and lease liabilities as disclosed below, do not include short term and low value leases. In general, as usual with leases, the Company's obligations under its leases are secured by the lessor's title to or legal ownership of the leased assets.

a) Right-of-use assets

The movement in right-of-use assets has been disclosed in Note 27(b).

b) Lease liabilities

Movement in lease liabilities	As at 31 March 2024	As at 31 March 2023
Opening balance	**226.33**	268.66
Additions during the year	-	-
Deletion during the year	-	-
Finance expense	**24.00**	28.81
Payment of lease liabilities	(71.14)	(71.14)
Closing balance	**179.19**	**226.33**

c) The table below provides details regarding the contractual maturities of lease liabilities on an undiscounted basis:

As at 31 March 2024

Lease liability	Lease payments	Finance charges	Net present value
Later than one year	**133.40**	12.33	121.06
Not later than one year	**75.59**	17.79	57.79
Total undiscounted lease liabilities	**208.98**	**30.13**	**178.85**

As at 31 March 2023

Lease liability	Lease payments	Finance charges	Net present value
Later than one year	208.98	30.13	178.85
Not later than one year	71.14	23.66	47.48
Total undiscounted lease liabilities	**280.12**	**53.79**	**226.33**

d) As at 31 March 2024, there are no commitments for short term leases (31 March 2023 : Nil).

e)

Amounts recognised in profit and loss	For the year ended 31 March 2024
Amortization of right-of-use asset	**56.44**
Interest expense on lease liabilities	**23.66**
Total	**80.10**

Amounts recognised in profit and loss	For the year ended 31 March 2023
Amortization of right-of-use asset	56.29
Interest expense on lease liabilities	28.81
Total	**85.10**

f) The total cash outflow for leases amount to Rs. 71.14 lakhs (31 March 2023 : Rs. 71.14 lakhs).

INDEPENDENT AUDITOR'S REPORT

To the Members of

PEL Finhold Private Limited

Report on the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements **PEL Finhold Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs (financial position) of the Company as at March 31, 2024, and its loss (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Head Office : 319-320, Rex Chambers, W. H. Marg, Ballard Estate, Mumbai - 400 001.
Tel : 022 3592 0913 / 4963 0913 • Email : info@ddadheech.com

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the state of affairs(financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies

D. DADHEECH & CO. MUMBAI CHARTERED ACCOUNTANTS

Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls

c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   b) In our opinion, proper books of account as required by law have been kept by the Company throughout the year so far as it appears from our examination of those books.

D. DADHEECH & CO. * MUMBAI * CHARTERED ACCOUNTANTS

c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.

e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, the company has not paid any remuneration to its directors during the year hence provisions of section 197 of the Act shall not be applicable.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position;

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and

iii. There are no amounts which are required to be transferred, to the Investor Education and Protection Fund by the Company.

iv.

a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

D. DADHEECH & CO. MUMBAI CHARTERED ACCOUNTANTS

c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The company has not declared or paid any dividend during the year.

vi. The company's accounting software has a feature for recording an audit trail (edit log) that is non-configurable and has been operational throughout the year for all transactions recorded in the software. The audit trail feature has not been tampered with at any point of time during the financial year under consideration. The feature is designed in such a way that it cannot be disabled or altered.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure "A"
To the independent auditor's report

(Referred to in paragraph 2 (f) under 'Report on other legal and regulatory requirements' section of our report to the Members of **PEL Finhold Private Limited** of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **PEL Finhold Private Limited** ("the Company") as at March 31, 2024, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

D. DADHEECH & CO. MUMBAI CHARTERED ACCOUNTANTS

A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure 'B'
To the independent auditor's report

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of **PEL Finhold Private Limited** on the Ind AS financial statements for the year ended March 31, 2024]

(i) The company does not hold any Property, Plant and Equipment, intangible assets and immovable properties accordingly, reporting on paragraph 3 (i) of the order is not applicable.

(ii) (a) The company does not have any inventory and hence reporting on paragraph 3 (ii) (a) of the order is not applicable.

(b) During any point of time of the year, the company has not been sanctioned working capital limits from banks or financial institutions and hence reporting on paragraph 3 (ii) (b) of the order is not applicable.

(iii) During the year the company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties and hence reporting on paragraph 3 (iii) of the order is not applicable.

(iv) In our opinion, based on our examination and according to information and explanation given to us, the company has not granted any loans or provided any guarantees or given any security or made any investments to which the provision of section 185 and 186 of the Companies Act, 2013 applies and hence reporting on paragraph 3 (iv) of the order is not applicable.

(v) In our opinion, based on our examination and according to information and explanation given to us, the company has not accepted any deposits and hence reporting on paragraph 3 (v) of the order is not applicable.

(vi) The Central Government of India has not prescribed the maintenance of cost records under sub-section (1) of section 148 of the Act for any of the activities of the company and accordingly paragraph 3 (vi) of the order is not applicable.

(vii) (a) The Company is regular in depositing undisputed statutory dues including income-tax and any other statutory dues as applicable to the Company to the appropriate authorities.

(b) There are no dues of income tax which have not been deposited on account of any disputes.

(viii) There are no unrecorded transactions in the books of accounts which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961(43 of 1961).

(ix) In our opinion and based on our examination and according to information and explanation given to us, the company does not have any loans or other borrowings from any lender and hence reporting on paragraph 3 (ix) (a) to (f) of the order is not applicable.

D. DADHEECH & CO. MUMBAI CHARTERED ACCOUNTANTS

(x) a. According to the information and explanations given to us and based on our examination of the records of the company, the company has not raised any money by way of initial public offer or further public offer (including debt instruments).

b. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully, partly or optionally convertible debentures during the year. Accordingly, the provisions stated in paragraph 3 (x)(b) of the Order are not applicable to the Company.

(xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) The company has not received any whistle-blower complaints during the year and hence reporting on paragraph 3 (xi) (c) of the order is not applicable.

(xii) The Company is not a Nidhi Company and hence reporting on paragraph 3(xii) of the Order is not applicable to the Company.

(xiii) In our opinion and according to the information and explanations given to us and based on our examination of the records of the company, transactions with the related parties are in compliance with section 188 of the Act. Where applicable, the details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards. Further provisions of section 177 of the Act are not applicable to the company.

(xiv) Internal audit is not applicable to the Company; hence paragraph 3(xiv) of the Order is not applicable to the Company.

(xv) In our opinion during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

(xvi)

a. In our opinion, the Company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions stated in paragraph clause 3 (xvi)(a) of the Order are not applicable to the Company.

b. In our opinion, the Company has not conducted any Non-Banking Financial or Housing Finance activities without any valid Certificate of Registration from Reserve Bank of India. Hence, the reporting under paragraph clause 3 (xvi)(b) of the Order are not applicable to the Company.

c. The Company is not a Core investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Hence, the reporting under paragraph clause 3 (xvi)(c) of the Order are not applicable to the Company.

d. Based on the information and explanations given to us and as represented by the management of the Company, the group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) has one unregistered CIC as part of the group.

(xvii) The company has not incurred any cash losses in the current financial year and preceding financial year.

(xviii) There has been no resignation of statutory auditors during the year.

(xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) According to the information and explanations given to us and based on our examination of the records of the company, the provisions of section 135 of the Act are not applicable to the Company. Hence, the provisions of paragraph (xx)(a) to (b) of the Order are not applicable to the Company.

(xxi) According to the information and explanations given to us, the Company does not have any Subsidiary, Associate or Joint Venture. Accordingly, reporting under clause 3(xxi) of the Order is not applicable.

Mumbai
Date : May 6, 2024

1. BACKGROUND

The Company was incorporated on 21st August, 2014 to undertake the business involving all types of financial and investment services having CIN U65190MH2014PTC257414.

2. MATERIAL ACCOUNTING POLICIES

i) Compliance with Ind AS

The separate financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy hitherto in use.

Historical Cost convention

The separate financial statements have been prepared on the historical cost basis.

ii) Basis of preparation and presentation

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non current classification of assets and liabilities.

iii) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

iv) Provisions, contingent liabilities and contingent assets

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

v) Revenue recognition

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the amortised cost and at the effective interest rate applicable.

D. DADHEECH & CO. MUMBAI CHARTERED ACCOUNTANTS

PEL Finhold Private Limited

vi) **Current tax**

Current tax expense is recognised on a annual basis under the taxes payable method, based on the estimated tax liability computed after taking credit for allowances and exemption in accordance with the Income Tax Act, 1961. In case of matters under appeal due to disallowance or otherwise, full provision is made when the said liabilities are accepted by the Company.

Deferred tax is recognised in respect of timing differences between taxable income and accounting income i.e. differences that originate in one period and are capable of reversal in one or more subsequent periods. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the asset can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably/ virtually certain (as the case may be) to be realised.

vii) **Cash and Cash Equivalents**

In the cash flow statement, cash and cash equivalents includes balance in bank account.

viii) **Provisions and Contingent Liabilities**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

ix) **Standards issued but not yet effective**

New Ind AS applicable for the first time in current financial year had no impact on the Company's financial statements.

Definition of Accounting Estimates - Amendments to Ind AS 8: The amendments to Ind AS 8 clarify the distinction between changes in accounting estimates, changes in accounting policies and the correction of errors. They also clarify how entities use measurement techniques and inputs to develop accounting estimates. The amendments had no impact on the Company's financial statements.

Disclosure of Accounting Policies - Amendments to Ind AS 1: The amendments to Ind AS 1 provided guidance and examples to help entities apply materiality judgements to accounting policy disclosures. The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures. The amendments have had an impact on the Company's disclosures of accounting policies, but not on the
measurement, recognition or presentation of any items in the Company's financial statements.

Deferred Tax related to Assets and Liabilities arising from a Single Transaction – Amendments to Ind AS 12: The amendments to Ind AS 12 Income Tax narrow the scope of the initial recognition exception, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases and decommissioning liabilities. The amendments had no impact on the Company's financial statements.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors

Piramal Corporate Tower Private Limited
(Formerly known as Piramal Consumer Products Private Limited)

Introduction

We have audited the accompanying Special Purpose Standalone Financial Statements of **Piramal Corporate Tower Private Limited (formerly known as Piramal Consumer Products Private Limited)** (the 'Company'), which comprise the Balance Sheet as at March 31, 2024 and the Statement of Profit and Loss for the year then ended and the Statement of Changes in Equity and notes to the financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as the 'Special Purpose Financial Statements'). The Special Purpose Financial Statements have been prepared by the Management of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS"). These Financial Statements are prepared for the purpose of inclusion in the consolidated financial statements of Piramal Enterprises Limited ("Holding Company").

Management's Responsibility for the Special Purpose Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the state of affairs and results of operations of the Company in accordance with the Ind AS and other accounting principles generally accepted in India; this includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Special Purpose Standalone Financial Statements

Our responsibility is to express an opinion on these special purpose financial statements based on our audit. We conducted our audit in accordance with Standards on Auditing issued by the Institute of Chartered Accountants of India (ICAI). Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those

1004/B, Swagat Heights, Behind GCC International School, Hatkesh Mira Road East - 401107
Cell No. +91 9527821820, email: camayurkhandelwal@gmail.com

risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Special Purpose Financial Statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act, of the state of affairs of the Company as at March 31, 2024 and its Loss for the year ended on that date.

Basis of Preparation and Restriction of use

Without modifying our opinion, we draw attention to Note No. 2ii to the Financial Statements, which describe the Basis of preparation. These Financial Statements are prepared for the internal use of the Board of Directors and management of the Company for their onward submission to the Holding Company for consolidation of accounts and should not be used by any other person or for any other purpose. We neither accept nor assume any duty or liability for any other purpose or to any other party to whom our report is shown or into whose hands it may come without our prior consent in writing.

Our conclusion is not modified in respect of this matter.

Piramal Corporate Tower Private Limited Mumbai

Mumbai
Date : 6 May 2024

Piramal Corporate Tower Private Limited
(formerly known as Piramal Consumer Products Private Limited)
CIN : U68100MH2012PTC233525
Notes to the Special Purpose Standalone financial statements for the year ended 31st March 2024

1. BACKGROUND

The Company was incorporated on July 18, 2012 having CIN U74120MH2012PTC233525.
During the current year, the Company had acquired Piramal Tower ('Office Premises') located at Peninsula Corporate Park, Lower Parel, Mumbai from AASAN Corporate Solutions Private Limited, a promoter group company of the Company's Holding Company - Piramal Enterprises Limited
Accordingly, the Company is now into the business of acquiring, holding, letting out premises, carrying of business of business centre and letting out of the same, providing of various services and amenities along with letting out of property.

2. SIGNIFICANT ACCOUNTING POLICIES

i) Compliance with Ind AS

The special purpose financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing Indian Accounting Standards requires a change in the accounting policy hitherto in use.

Historical Cost convention

The special purpose financial statements have been prepared on the historical cost basis.

ii) Basis of preparation and presentation

The Special Purpose Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity are prepared and presented in the format prescribed in the Division III of Schedule III to the Companies Act, 2013 (the "Act"). The Special Purpose Balance Sheet, Statement of Profit and Loss, Statement of Cash Flow, Statement of Changes in Equity, summary of the significant accounting policies and other explanatory information are together referred as the "Special Purpose Financial Statements" of the Company.
Further, these financial statements are prepared for the internal use of the Board of Directors and management of the Company for their onward submission to the Company's parent company and its auditors for consolidation of accounts.

iii) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.
Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

iv) Provisions, contingent liabilities and contingent assets

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Mayur Khandelwal & Co. Chartered Accountants

Piramal Corporate Tower Private Limited Mumbai

v) **Revenue recognition**

Rental Income :

Rental Income and associated income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease term and is included in revenue in the statement of profit or loss due to its operating nature.

Net gain on fair value changes :

The Company designates certain financial assets for subsequent measurement at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI) as per the criteria in Ind AS 109. The Company recognises gains on fair value change of financial assets measured at FVTPL and realised gains on derecognition of financial asset measured at FVTPL and FVOCI on net basis.

Interest Income :

Interest income is recognised in Statement of profit and loss using the effective interest method for all financial instruments measured at amortised cost and debt instruments designated at FVTPL. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument, other than credit-impaired assets.

vi) **Taxation**

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961.

vii) **Current & Deferred tax**

Current tax expense is recognised on a annual basis under the taxes payable method, based on the estimated tax liability computed after taking credit for allowances and exemption in accordance with the Income Tax Act, 1961. In case of matters under appeal due to disallowance or otherwise, full provision is made when the said liabilities are accepted by the Company.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

viii) **Investment property**

Investment property is property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes.

Upon initial recognition, an investment property is measured at cost. Cost of a investment property comprises its purchase price and any directly attributable expenditure. Subsequent to initial recognition, investment property is measured at cost less accumulated depreciation and accumulated impairment losses, if any. An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss on disposal of an investment property is recognised in profit or loss.

The Company depreciates its components over its remaining useful life as mentioned below:

Mayur Khandelwal & Co. Chartered Accountants

Piramal Corporate Tower Private Limited Mumbai

Asset Class	Remaining useful life
Building	30 years
Plant and equipments	3-25 years

ix) **Foreign Currency Transaction**

The transaction in foreign exchange are accounted at the exchange rate prevailing on the date of transactions. Gain or loss resulting from the settlement of such transaction and from the transiation monetary assets and liabilities denominated in foreign currency are recognised in the Statement of Profit and Loss.

x) **Investments and Other Financial assets**

Equity instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss when the Company's right to receive payments is established.

xi) **Standards issued but not yet effective**

New Ind AS applicable for the first time in current financial year had no impact on the Company's financial statements.

Definition of Accounting Estimates - Amendments to Ind AS 8: The amendments to Ind AS 8 clarify the distinction between changes in accounting estimates, changes in accounting policies and the correction of errors. They also clarify how entities use measurement techniques and inputs to develop accounting estimates. The amendments had no impact on the Company's financial statements.

Disclosure of Accounting Policies - Amendments to Ind AS 1: The amendments to Ind AS 1 provided guidance and examples to help entities apply materiality judgements to accounting policy disclosures. The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures. The amendments have had an impact on the Company's disclosures of accounting policies, but not on the
measurement, recognition or presentation of any items in the Company's financial statements.

Deferred Tax related to Assets and Liabilities arising from a Single Transaction – Amendments to Ind AS 12: The amendments to Ind AS 12 Income Tax narrow the scope of the initial recognition exception, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases and decommissioning liabilities. The amendments had no impact on the Company's financial statements.

26 Capital Management

The Company's capital management strategy is to effectively determine, raise and deploy capital so as to create value for its shareholders. The same is done through a mix of either equity and/or combination of short term /long term debt as may be appropriate

The capital components of the Company are as given below:

	As at 31.03.2024
Total Equity	19,961.41
Borrowings	61,734.26
Cash & bank balances	(1,168.83)
Net Debt	**60,565.43**

27 Segment Reporting

Since the Company's business activity falls under one business segment - "Leasing of immovable properties " and business operations are concentrated in India, no further disclosures are required by Ind AS 108 "Operating Segments" specified under section 133 of the Companies Act 2013 have been made.

28 Risk Management

Risk Management is an integral part of the Company's business strategy. The Risk Management oversight structure includes Committees of the Board. Company's risk philosophy is to develop and maintain a healthy portfolio which is within its risk appetite and the regulatory framework. While the Company is exposed to various types of risks, the most important among them are liquidity risk, regulatory risk and fraud and operational risk. The measurement, monitoring and management of risks remain a key focus area for the Company.

The Board of Directors monitors the quality of audit function and also monitors compliance with regulators.
The Company's risk management strategy is based on a clear understanding of various risks, disciplined risk assessment and measurement procedures and continuous monitoring. The policies and procedures established for this purpose are continuously benchmarked with market best practices.

The Board of Directors ("BOD") reviews compliance with risk policies, monitors risk tolerance limits, reviews and analyse risk exposure and provides oversight of risk across the organization. The BOD nurtures a healthy and independent risk management function to inculcate a strong risk management culture in the Company and broadly perceives the risk arising from (i) liquidity risk, (ii) fraud risk and operational risk (iii) regulatory risk.

(a) Fraud risk and operational risk:

The Company has an elaborate system of internal controls commensurate with the size, scale and complexity of its operations and covers funding operations, financial reporting, fraud control and compliance with laws and regulations.

Risks associated with frauds are mitigated through 100% document verification by the management and review of all the cases which are entered in the system, including corrective and remedial actions as regards people and processes.

Management monitors and evaluates the efficacy and adequacy of internal control systems in the Company, its compliance with laws and regulations, efficacy of its operating systems, adherence to the accounting procedures and policies at all offices of the Company and report directly to the Board of Directors of the company.

(b) Regulatory risk:

The Company requires certain statutory and regulatory approvals for conducting business and failure to obtain retain or renew these approvals in a timely manner, may adversely affect operations. Any change in laws or regulations made by the government or a regulatory body that governs the business of the Company may increase the costs of operating the business, reduce the attractiveness of investment and / or change the competitive landscape.

Piramal Corporate Tower Private Limited Mumbai

(Currency : Rs in lakhs)

(c)Liquidity Risk

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The contractual maturity is based on the earliest date on which the Company may be required to pay.

(i) Maturities of Financial Liabilities

	As at 31.03.2024			
	Up to 1 year	**1 to 3 years**	**3 to 5 years**	**5 years & above**
Trade Payables	221.95			
Borrowings (other than debt securities)	1,557.60	3,588.61	12,798.36	33,038.55
Deposits	-	10,751.14	-	-
Other financial liabilities	1,277.86	1,710.28	968.66	-
(ii) Maturities of Financial Assets				
Cash and cash equivalents	1,168.83	-	-	-
Bank balances other than cash and cash equivalents	-	511.76		
Trade receivables	808.46	-	-	-
Investments	1,840.63	-	-	-
Other financial assets	153.91	-	-	-

(d) Interest rate risk and sensitivity analysis

The Company is exposed to interest rate risk as it has assets and liabilities based on both fixed and floating interest rates. The Board assesses the interest rate risk run by it and provide appropriate guidelines to the Treasury to manage the risk. It reviews the interest rate risk on periodic basis and decides on the asset profile and the appropriate funding mix. Also, it reviews the interest rate gap statement and the interest rate sensitivity analysis.

The sensitivity analysis below have been determined based on the exposure to interest rates for assets and liabilities at the end of the reporting period. For floating rate assets and liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year and the rates are reset as per the applicable reset dates. The basis risk between various benchmarks used to reset the floating rate assets and liabilities has been considered to be within the stipulated thresholds of the internal policy of the Piramal group.

The exposure of the Company's borrowings to the interest rate risk at the end of the year for variable rate borrowing is of carrying value Rs. 50,645.19 lakhs and fixed rate borrowings are Rs. 10,500 lakhs

Impact on the Company's profit / (loss) before tax if interest rates had been 100 basis points higher / lower is given below:

	As at 31.03.2024	
Particulars	**Higher**	**Lower**
Sensitivity analysis on floating rate borrowings	506.45	(506.45)

(e) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and investments), including deposits with financial institutions and other financial instruments.

38 Acquisition of commercial premises

On 26 December 2023 ('the acquisition date'), the Company had acquired a commercial property located at Lower Parel ('Piramal Tower'), for a consideration of Rs.88,982.42 lakhs (including transaction charges of Rs.5,289.49 lakhs) along with certain working capital items. The management had applied the optional concentration test, under Ind AS 103, and concluded that the acquired set of activities and assets is not a business because substantially all of the fair value of the gross assets acquired is concentrated in investment properties, with similar risk characteristics. Accordingly, this transaction has been accounted for as an asset acquisition. The management identified and recognized the individual identifiable assets acquired and liabilities assumed; and allocated the purchase consideration to the individual identifiable assets and liabilities on the basis of their relative fair values at the date of acquisition.

The allocated value of the identifiable assets and liabilities

Particulars	Rs in lakhs
Assets	
Property, plant and equipment	92,789.49

Independent Auditor's Report

To the Members of Piramal Capital & Housing Finance Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of **Piramal Capital & Housing Finance Limited** ('the Company'), which comprise the Balance Sheet as at 31 March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, the relevant circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time ('RBI Guidelines') and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, and its loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Principal Business Criteria

4. We draw attention to note 53 (b) to the accompanying standalone financial statements, which describes that the Board of Directors has approved conversion of the Company from a Housing Finance Company (HFC) to Non-Banking Financial Company–Investment and Credit Company (NBFC-ICC) in its meeting held on 8 May 2024, consequent to the Company not meeting the regulatory requirement prescribed under paragraph 5.3 of Non-Banking Financial Company – Housing Finance Company (Reserve Bank) Directions, 2021 ('RBI Directions') with respect to the Principal Business Criteria ('PBC') for HFCs. The Company expects to submit the conversion application to the RBI along with necessary documents as required under the said RBI Directions in near future.

   Our opinion is not modified in respect of this matter.

Emphasis of Matter – Business Combination – Presentation of specified financial assets

5. We draw attention to Note 42B to the accompanying standalone financial statements which states that the Company has disclosed Rs. 312,188 lakhs as fair value adjustment under 'Other non-financial liabilities' in line with the presentation prescribed in the National Company Law Tribunal ('NCLT') order dated 7 June 2021 in respect of assets and liabilities acquired by the Company through the Corporate Insolvency Resolution Process of Dewan Housing Finance Corporation Limited ('DHFL'), which is different from the presentation requirements of Ind AS 32, Financial Instruments Presentation, that requires such fair value adjustments to be netted off with the gross book value of corresponding assets.

   Our opinion is not modified in respect of this matter.

Key Audit Matters

6. Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

7. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matter	How our audit addressed the key audit matter
Expected Credit Loss allowance on financial assets Refer note 2(iv) for material accounting policy information and note 47.4 for financial disclosures in the accompanying financial statements. As at 31 March 2024, the Company has reported gross loan assets of Rs. 5,479,483 lakhs against which an impairment loss allowance of Rs. 636,892 lakhs has been recognised based on the Expected Credit Loss ("ECL") approach as laid down under 'Ind AS 109 – Financial Instruments' (Ind AS 109). The estimation of ECL on financial assets is complex and involves significant management judgement and estimates, including the following: • Models used to estimate ECL are inherently judgmental with high estimation uncertainty which involves determining Probability of Default (PD), Loss Given Default (LGD) and Exposure at Default (EAD). • Completeness and accuracy of the data from internal and external sources used in the models. • Ind AS 109 requires the Company to measure ECLs on a forward-looking basis reflecting future economic conditions. Significant management judgement is applied in determining the economic scenario used and probability weights applied to them. • Qualitative adjustments are made by the Management to the results obtained from ECL models to address any identified impairment or emerging trends as well as risks not captured by models. These adjustments are inherently subjective and significant management judgement is involved in estimating these amounts.	Our audit focused on assessing the appropriateness of the models used including management's judgment and estimates used in the expected credit loss assessment through procedures that included, but were not limited to, the following: • Considered the Company's accounting policies for expected credit loss of financial assets and assessed compliance of the policies in terms of Ind AS 109. • Understood management's processes, systems and controls implemented in relation to ECL allowance process. Evaluated the design and tested the operating effectiveness of key internal financial controls over such process. • Assessed the governance framework over validation and implementation as per approval from Board of Directors. • Obtained an understanding of the models adopted by the Company including the key inputs and assumptions. Since modelling assumptions and parameters are based on historical as well as external data, we assessed whether the same were relevant and representative of current circumstances. • Assessed the critical assumptions and input data used in the estimation of expected credit loss for specific key credit risk parameters, such as the classification of loan assets into stages as described in the accounting policy, Exposure at default (EAD), probability of default (PD) or loss given default (LGD); • On sample basis tested the completeness and accuracy of the input data used for determining the PD and LGD rates and agreed the data with the underlying books of accounts and records;

WALKER CHANDIOK & Co LLP ★ MUMBAI ★ CHARTERED ACCOUNTANTS

TR Chadha & Co. LLP ★ MUMBAI ★ Chartered Accountants

• In respect of purchased or originated credit impaired financial assets, cumulative changes, at the portfolio level, in lifetime expected credit losses since initial recognition are recognised as a loss allowance. Significant management judgement is applied to assess such changes. The disclosures prescribed under Ind AS 107 and RBI directives is also an area of focus for the management and auditors. Considering the significance of ECL to the overall financial statements and the degree of management's estimates and judgments involved in this matter that requires significant auditor attention, we have considered expected credit loss allowance on financial assets to be a key audit matter.	• Evaluated whether the methodology applied by the Company is compliant with the requirements of the relevant accounting standards and confirmed that the calculations are performed in accordance with the approved methodology, including mathematical accuracy of the workings; • Assessed the appropriateness and adequacy of the related presentation and disclosures made in the accompanying financial statements in accordance with the applicable accounting standards and related RBI circulars and guidelines.
Information Technology (IT) systems and controls impacting financial reporting The IT environment of the Company is complex and involves a number of independent and interdependent IT systems used in the operations of the Company for processing and recording a large volume of transactions. As a result, there is a high degree of reliance and dependency on such IT systems for the financial reporting process of the Company. Appropriate IT general controls and IT application controls are required to ensure that such IT systems are able to process the data as required, completely, accurately, and consistently for reliable financial reporting. We have identified certain key IT systems ('in-scope' IT systems) which have an impact on the financial reporting process and the related control testing as a key audit matter because of the high level of automation, significant number of systems being used by the Company for processing financial transactions, the complexity of the IT architecture and its impact on the financial records and financial reporting process of the Company.	Our audit procedures with respect to this matter included, but were not limited to the following: In assessing the controls over the IT systems of the Company, we involved our technology specialists to obtain an understanding of the IT environment, IT infrastructure and IT systems. We evaluated and tested relevant IT general controls and IT application controls of the 'in-scope' IT systems identified as relevant for our audit of the standalone financial statements and financial reporting process of the Company. On such "in-scope" IT systems, we have tested key IT general controls with respect to the following domains: a. User access management which includes user access provisioning, de-provisioning, access review, password management, sensitive access rights and segregation of duties to ensure that privilege access to applications, operating system and databases in the production environment were granted only to authorized personnel.

	b. Program change management which includes controls on moving program changes to production environment as per defined procedures and with relevant segregation of environments. c. Other areas that were assessed under the IT control environment included backup management, incident management, batch processing and interfaces. We also evaluated the design and tested the operating effectiveness of key IT application controls within key business processes, which included testing automated calculations, automated accounting procedures, system interfaces, system reconciliation controls and key system generated reports, as applicable. Where control deficiencies were identified, we tested compensating controls or performed alternative audit procedures, where necessary.
Recoverability of Deferred Tax Assets Refer note 2(xii) for material accounting policy information and note 10 for financial disclosures in the accompanying financial statements. As at 31 March 2024, the Company has recognised deferred tax assets of Rs. 252,711 lakhs on unadjusted tax losses and tax credits. The deferred tax assets have been recognised on the basis of the Company's assessment of availability of sufficient future taxable profits to utilise such unadjusted tax losses and tax credits within the time period allowed under the Income Tax Act, 1961, which is based on forecast of business projections. Such financial projections are inherently subjective and depend on various factors including future market and economic conditions, which involve significant management judgement and estimation. Any change in aforesaid assumptions could have a material impact on the carrying value of the deferred tax assets. Owing to the materiality of the balances, complexities and significant estimates and judgements involved as described above, we have considered recoverability of deferred tax assets to be a key audit matter.	Our audit on recoverability of deferred tax assets included, but was not limited to, the following procedures: • Obtained an understanding of the management's process and evaluated the design and tested the operating effectiveness of internal controls with respect to recognition and assessment of recoverability of the deferred tax assets; • Evaluated the appropriateness of the accounting policy adopted by the Company in respect of recognition of deferred tax assets in accordance with Ind AS 12, Income Tax; • Assessed the reasonableness of the period of projections used in the deferred tax asset recoverability assessment in accordance with the time period allowed under the applicable tax laws with respect to utilisation of the said tax losses against future taxable profits; • Obtained the business projections of future taxable profits estimated by the management and critically reviewed the key assumptions used therein, including future growth rates and relevant economic and industry estimates, based on our understanding of the business and market factors;

WALKER CHANDIOK & Co LLP ★ MUMBAI ★ CHARTERED ACCOUNTANTS
TR Chadha & Co. LLP ★ MUMBAI ★ Chartered Accountants

The above matter is also considered to be fundamental to the understanding of the users of the financial statements.	• Traced the financial projections to approved business plans and assessed efficacy of management's process for financial projections basis past business performance; • Tested the arithmetical accuracy of the computation of future taxable profits including assessed the impact of estimation uncertainty basis the sensitivity analysis performed by the management on the projections; and • Assessed the appropriateness and adequacy of the disclosures included in the accompanying financial statements in accordance with the applicable accounting standards.

Information other than the Financial Statements and Auditor's Report thereon

8. The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

9. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, the relevant circulars, guidelines and directions issued by the Reserve Bank of India (RBI) from time to time ('RBI Guidelines') and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Walker Chandiok & Co LLP

10. In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

11. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

13. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

    - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

    - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;

    - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;

    - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and

    - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

17. As required by section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.

18. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

19. Further to our comments in Annexure A, as required by section 143(3) of the Act based on our audit, we report, to the extent applicable, that:

    a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;

    b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

    c) The standalone financial statements dealt with by this report are in agreement with the books of account;

    d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act read with the (Companies Accounting Standards) Rules 2015, the relevant circulars, guidelines and directions issued by the Reserve bank of India (RBI) from time to time ('RBI guidelines'), except to the extent, as mentioned in note 42B, effect given in accordance with the accounting treatment prescribed in resolution plan approved by the National Company Law Tribunal vide their order dated 7 June 2021 as is more fully described in the said note;

    e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of section 164(2) of the Act;

    f) The adverse remark relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 19(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);

    g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2024 and the operating effectiveness of such controls, refer to our separate report in Annexure B wherein we have expressed an unmodified opinion; and

    h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

        i. The Company, as detailed in note 39(a) to the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2024;

ii. The Company, as detailed in note 48 to the standalone financial statements, has made provision as at 31 March 2024, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2024;

iv.

a. The management has represented that, to the best of its knowledge and belief, as disclosed in note 56 (vii) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;

b. The management has represented that, to the best of its knowledge and belief, as disclosed in note 56 (viii) to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.

v. The Company has not declared or paid any dividend during the year ended 31 March 2024.

vi. Based on our examination which included test checks, except for instances mentioned below, the Company, in respect of financial year commencing on 1 April 2023, have used accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility and the same have been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with, other than the consequential impact of the exception given below:

Nature of exception noted	Details of Exception
Instances of accounting software for maintaining books of account for which the feature of recording audit trail (edit log) facility was not operated throughout the year for all relevant transactions recorded in the software.	The audit trail feature was not enabled at the database level for ten accounting software to log any direct data changes, used for maintenance of all accounting records by the Company.
Instances of accounting software maintained by a third party where we are unable to comment on the audit trail feature	The accounting software used for maintenance of customer documentation of the Company is operated by a third-party service provider. 1. In the absence of 'Independent Service Auditor's Assurance Report on the Description of Controls, their Design and Operating Effectiveness' ('Type 2 report') for the month April 2023 and for the period 1 Nov 2023 to 31 March 2024, we are unable to comment on whether audit trail feature at the database level of the said software was enabled and operated for the said period.

Annexure A referred to in paragraph 18 of the Independent Auditor's Report of even date to the members of Piramal Capital & Housing Finance Limited on the standalone financial statements for the year ended 31 March 2024

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and right-of-use assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) The property, plant and equipment and right-of-use assets, have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of physical verification programme adopted by the Company, is reasonable having regard to the size of the Company and the nature of its assets.

(c) The title deeds of all the immovable properties held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in Note 12 to the standalone financial statements, are held in the name of the Company.

(d) The Company has not revalued its property, plant and equipment including right-of-use assets during the year.

(e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended) and rules made thereunder.

(ii) (a) The Company does not hold any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable to the Company.

(b) As disclosed in Note 15 to the standalone financial statements, the Company has been sanctioned a working capital limit in excess of Rs. 5 crores by banks and financial institutions based on the security of current assets. The quarterly statements, in respect of the working capital limits have been filed by the Company with such banks and financial institutions and such statements are in agreement with the books of account of the Company for the respective periods, which were subject to audit/review.

(iii) (a) The Company is a Housing Finance Company and its principal business is to give loans. Accordingly, reporting under clause 3(iii)(a) of the Order is not applicable to the Company.

(b) In our opinion, and according to the information and explanations given to us, the investments made, guarantees provided, security given and terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are, prima facie, not prejudicial to the interest of the Company.

(c) The Company is a Housing Finance Company ('HFC'), registered under provisions of the National Housing Bank Act, 1987 and rules made thereunder and is regulated by various regulations, circulars and norms issued by the Reserve Bank of India including Master Circular – Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances. In respect of loans and advances in the nature of loans granted by the Company, we report that the schedule of repayment of principal and payment of interest has been stipulated and the repayments/receipts of principal and interest are regular except for instances as below:

Annexure A (Continued)

Particulars – Days past due	Total amount due (INR in Lakhs)	No. of Cases
1-29 days	328,229	65,846
30-59 days	98,956	20,858
60-89 days	54,484	13,824
90 or more days	71,713	27,368
Purchased or Originated Credit Impaired	102,135	32,752
Total	**655,517**	**160,648**

Above figures are net of Fair Value adjustments on account of business combination (refer note no. 42B to the financial statements). Further, the above table does not include loans which are classified as fair value through profit or loss.

(d) According to the information and explanations given to us, the total amount which is overdue for 90 days or more in respect of loans and advances in the nature of loans given in the course of the business operations of the Company aggregates to Rs. 71,713 lakhs as at 31 March 2024 in respect of 27,368 number of loans. Further, reasonable steps as per the policies and procedures of the Company have been taken for recovery of such principal and interest amounts overdue.

(e) The Company is a Housing Finance Company and its principal business is to give loans. Accordingly, reporting under clause 3(iii)(e) of the Order is not applicable to the Company.

(f) The Company has not granted any loans or advances in the nature of loans, which are repayable on demand or without specifying any terms or period of repayment.

(iv) The Company is a Housing Finance Company and engaged in the business of financing. Accordingly, the provision of Section 185 is not applicable to the Company. In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of sections 186(1) of the Act in respect of loans and investments made. The other provisions of Section 186 are not applicable to the Company.

(v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there are no amounts which have been deemed to be deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.

(vi) The Central Government has not specified maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of Company's products/ services / business activities. Accordingly, reporting under clause 3(vi) of the Order is not applicable.

(vii) (a) In our opinion, and according to the information and explanations given to us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities, though there have been slight delays in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.

According to the information and explanations given to us, there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute except for the following:

Annexure A (Continued)

(c) In our opinion and according to the information and explanations given to us, money raised by way of term loans were applied for the purposes for which these were obtained, though idle/surplus funds which were not required for immediate utilisation have been invested in readily realisable liquid investments.

(d) In our opinion and according to the information and explanations given to us, and on an overall examination of the financial statements of the Company, funds raised by the Company on short term basis have, prima facie, not been utilised for long term purposes.

(e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

(f) According to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

(x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.

(xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company has been noticed or reported during the period covered by our audit except 60 cases of loans fraud aggregating to Rs 1,815 lakhs as mentioned in note 62.7 to the accompanying standalone financial statements.

(b) According to the information and explanations given to us including the representation made to us by the management of the Company, no report under sub-section 12 of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit.

(c)According to the information and explanations given to us, the Company has received whistle blower complaints during the year, which have been considered by us while determining the nature, timing and extent of audit procedures.

(xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.

(xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company, with the related parties are in compliance with section 188 of the Act. The details of such related party transactions have been disclosed in the standalone financial statements etc., as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act.

(xiv) (a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system which is commensurate with the size and nature of its business as required under the provisions of section 138 of the Act.

(b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.

(xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, reporting under clause 3(xv) of the Order with respect to compliance with the provisions of section 192 of the Act are not applicable to the Company.

Annexure A (Continued)

(xvi) (a) The Company is a Housing Finance Company having a valid Certificate of Registration under Section 29A of the NHB Act, 1987 and is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 in terms of exemption granted under Master Direction – Exemptions from the provisions of RBI Act, 1934 dated 25 August 2016 (as amended). Accordingly, reporting under clauses 3(xvi)(a) and (b) of the Order are not applicable to the Company. Also refer Note 53 (b) to the standalone financial statements.

(b) According to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the RBI. Accordingly, reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.

(c) Based on the information and explanations given to us and as represented by the management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) has only one CIC as part of the Group.

(xvii) The Company has incurred cash losses amounting to Rs. 85,940 lakhs in the current financial year but had not incurred cash losses in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information in the standalone financial statements, our knowledge of the plans of the Board of Directors and management and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

(xx) According to the information and explanations given to us, the Company does not have any unspent amounts towards Corporate Social Responsibility in respect of any ongoing or other than ongoing project as at the end of the financial year. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.

(xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Annexure B

Independent Auditor's Report on the internal financial controls with reference to the standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of **Piramal Capital & Housing Finance Limited** ('the Company') as at and for the year ended 31 March 2024, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Standalone Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Mumbai - 400 063

Annexure B (Continued)

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such controls were operating effectively as at 31 March 2024, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Independent Auditor's Report

To The Members of
Piramal Securities Limited

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of Piramal Securities Limited ("the Company"), which comprises of Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Material Uncertainty related to Going Concern:

Attention is drawn to note no. 23 to the financial statements dealing with going concern assumption for preparation of financial statements of the Company. The Company had surrendered the merchant banking registration and transferred all its employees in the previous year. Accordingly, the Company has not carried out any operating business during the year. As explained by the Management, the Company is evaluating various other business plans and accordingly, these financial statements have been prepared on a going concern basis.

Our opinion is not modified in respect of this matter.

LODHA & CO. LLP ★ MUMBAI-01 ★ Chartered Accountants

Information Other than the Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of other information. The Other information comprises the information included in the Board's Report including Annexures to the Board report but does not include the financial statement and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is

not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. Pursuant to the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and records.

   (c) The Balance sheet, the Statement of Profit & Loss (including other comprehensive income), Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

   (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

   (e) On the basis of the written representation received from the directors as on March 31, 2024 taken on records by the Board of Directors, none of the directors are disqualified as on March 31, 2024 from being appointed as a Directors in terms of Section 164(2) of the Act.

   (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".

   (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, the Company has not paid any remuneration to its directors during the year.

   (h) With respect to the matters to be included in the Auditor's report in accordance with the rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

      i. The Company does not have any pending litigations as on 31st March, 2024.

      ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

      iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.

      iv. a) The management has represented that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary

MUMBAI-01
Chartered Accountants

shall, whether, directly or indirectly lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b) The management has represented, that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under sub clause (i) and (ii) of Rule 11(e) of The Companies (Audit and Auditors) Rules, 2014, as provided under (a) and (b) above, contains any material misstatement.

v. The Company has not declared or paid dividend during the financial year 2023-24. Accordingly, reporting under rule 11 (f) of Companies (Audit and Auditors) Rules, 2014 is not applicable.

vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Annexure "A" referred to in "Report on Other Legal and Regulatory Requirements" section of our Auditors' Report of even date to the members of Piramal Securities Limited of on financial statements for the year ended March 31, 2024

i. a. In respect of Company's Property, Plant and Equipment (PPE) and Intangible Assets:

A. The Company has maintained proper records, showing full particulars including quantitative details and situation of PPE and relevant details of right-to-use assets.

B. The Company didn't not held any Intangible Assets during the year 31st March, 2024.

b. The Company has a programme of physical verification of its PPE by which all PPE are verified on yearly basis. In our opinion, the physical verification is reasonable having regard to the size and the nature of business. During the year, the Company has carried out the physical verification of PPE and no material discrepancies were noticed on such verification.

c. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company does not hold any immovable property and hence reporting under clause 3(i)(c) of the order is not applicable to the Company.

d. The Company has not revalued any of its PPE (including right- of-use assets) and intangible assets during the year and hence reporting under clause 3(i)(d) of the Order is not applicable to the Company.

e. According to the information and explanations given to us and on the basis of our examination of the records of the Company, neither any proceedings have been initiated during the year nor are pending as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988, as amended, and rules made thereunder and hence reporting under clause 3(i)(e) of the Order is not applicable to the Company.

ii. a. The Company is in the business of providing financial services and does not have any physical inventories and hence reporting under clause 3(ii) (a) of the order is not applicable to the company.

b. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company does not have any sanctioned working capital at any point of time during the year from banks and financial institutions and hence reporting under clause 3(ii)(b) of the Order is not applicable to the Company.

iii. In respect of Investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties:

(a) The Company has not provided any loans or advances in the nature of loans or guarantee or provided security to any other entity during the year and hence reporting under clause 3(iii)(a) is not applicable to the Company.

LODHA & CO. LLP MUMBAI-01 Chartered Accountants

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the investment made are in the ordinary course of business and in our opinion, prima facie, not prejudicial to the Company's interest.

(c) The Company has not granted any loans or advances in the nature of loans during the year and hence reporting under clauses 3(iii)(c), (d), (e) and (f) of the Order is not applicable to the Company.

iv. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has complied with the provisions of Section 185 and 186 of the Act, to the extent applicable with respect to the investments made during the year. The Company has not provided any loans, guarantee and security during the year.

v. In our opinion and according to the information and explanations given to us and on the basis of our examination of records of the Company, no deposits or amounts which are deemed to be deposits within the meaning of Section 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014 have been accepted by the Company and hence reporting under clause 3(v) of the Order is not applicable to the Company.

vi. According to the information and explanations given to us and on the basis of our examination of records of the Company, the Central Government has not prescribed the maintenance of cost records under sub section (1) of Section 148 of the Act or any other relevant provisions of the Act and rules framed there under and hence reporting under and hence reporting under clause 3(vi) of the order is not applicable to the Company.

vii. (a) According to the information and explanations given to us and on the basis of our examination of the records, the Company is generally regular in depositing undisputed statutory dues including Goods and Services tax, provident fund, employees' state insurance, income tax, sales tax, custom duty, duty of excise, value added tax, cess and other statutory dues during the year with the appropriate authorities. No undisputed amounts payable in respect of the aforesaid statutory dues were outstanding as at the last day of the financial year for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and on the basis of our examination of records of the Company, there are no statutory dues mentioned in clause vii (a) which have not been deposited on account of any dispute.

viii. According to the information and explanations given to us and on the basis of our examination of records of the Company, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) and hence reporting under clause 3(viii) of the order is not applicable to the Company.

ix. (a) Based on our audit procedures and on the basis of information and explanations given to us, we are of the opinion that the Company has not taken any borrowings during the year and hence reporting under clause 3(ix)(a) of the Order is not applicable to the Company.

(b) The Company has not been declared as willful defaulter by any bank or financial institution or other lender.

(c) In our opinion and according to the information and explanations given to us and on the basis of our examination of records, the Company has not taken any term loan during the year and hence reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) The Company has not availed any short-term loan during the year and no short term loas are outstanding as on March 31, 2024 and hence reporting under clause 3(ix)(d) of the Order is not applicable to the Company.

(e) Based on our audit procedures and on the basis of information and explanations given to us, the Company does not have any subsidiaries, associates or joint venture and hence reporting under clause 3(ix)(e) and (f) of the Order is not applicable to the Company.

x. (a) In our opinion and according to the information and explanations given to us and on the basis of our examination of records, the Company has not raised any money by way of Initial public offer or further public offer (including debt instrument) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment, private placement of shares or fully or partly convertible debentures during the year or in the recent past and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of fraud by or on the Company, noticed or reported during the year, nor have we been informed of such case by the management.

(b) During the year, no report under sub section 12 of Section 143 of the Act has been filed in Form ADT-4 as prescribed in rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) Based on our audit procedure performed and according to the information and explanations given to us, the Section 177(9) of the Act is not applicable and hence reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. According to the information and explanations given to us and based on our examination of the records of the Company, all the transactions with related parties are in compliance with Section 177 and Section 188 of the Act and all the details have been disclosed in the financial statements as required by the applicable Accounting Standard.

xiv. In our opinion and according to the information and explanations given to us, provision of Section 138 of the Act with regards to the internal audit is not applicable and hence reporting under clause 3(xiv)(a) and 3(xiv(b) of the order is not applicable to the Company.

xv. According to the information and explanations given to us and on the basis of our examination of records, the Company has not entered into any non-cash transactions prescribed under Section 192 of the Act with directors or persons connected with them during the year.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and hence reporting under clause 3(xvi) (a), (b) and (c) of the Order is not applicable to the Company.

(b) In our opinion, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and accordingly reporting under paragraph 2(xvi)(c) of the Order is not applicable to the Company.

(c) Based on the information and explanations given to us and as represented by the Management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) has only one CIC as a part of the Group.

xvii. The Company has not incurred any cash losses during the financial year covered by our audit and incurred cash losses of Rs. 211 lakhs in the immediately preceding financial year.

xviii. There has been no resignation by the statutory auditors of the Company during the year and hence reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date read with our comment in material uncertainty in going concern paragraph above. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of Section 135 with regards to Corporate Social Responsibility of the Act are not applicable to the Company during the year and hence reporting under clause 3(xx) (a) and (b) of the Order is not applicable to the Company.

Annexure "B" referred to in "Report on Other Legal and Regulatory Requirements" section of our Auditors' Report of even date to the members of Piramal Securities Limited on financial statements for the year ended March 31, 2024

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls with reference to financial statements of Piramal Securities Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal financial control with reference to financial statements criteria established by the Company considering the essential component of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with respect to financial statement and their operating effectiveness. Our audit of internal financial controls with reference to financial statement included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the entity are being made only in accordance with authorisations of management;(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the entity's assets that could have a material effect on the financial statements; and (4) also provide reasonable assurance by the internal auditors through their internal audit reports given to the organisation from time to time.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statement, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statement to future periods are subject to the risk that the internal financial control with reference to financial statement may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, broadly, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control with reference to financial statements criteria established by the Company considering the essential Component of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Piramal Securities Limited
Notes to the financial statements
for the year ended 31 March 2024

(Currency : Rs in lakhs)

1. General Information

Piramal Securities Limited ('the Company') was incorporated under the Companies Act, 2013 on 7 June 2018 with its registered and operational office in Mumbai to carry on the merchant banking business in India.
The Company was registered as a merchant banking company with the Securities Exchange Board of India ("SEBI") on 25 January 2019.

These financial statements have been approved for issue by Company's Board of Directors on May 7, 2024.

2. Material Accounting Policies

i) Basis of preparation

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) and the provisions of the Companies Act, 2013 ('the Act'). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Company's financial statements are presented in Indian Rupees (INR), which is also its functional currency.

ii) Basis of Accounting

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting year.

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

iii) Property, plant and equipment

All Property, Plant and Equipment are stated at cost of acquisition, less accumulated depreciation and accumulated impairment losses, if any. Direct costs are capitalised until the assets are ready for use and includes freight, duties, taxes and expenses incidental to acquisition and installation.
All repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.
Subsequent expenditures related to an item of Property, Plant and Equipment are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.
Losses arising from the retirement of, and gains or losses arising from disposal of Property, Plant and Equipment are recognised in the Statement of Profit and Loss.

Depreciation is provided on a pro-rata basis on the straight line method ('SLM') over the estimated useful lives of the assets specified in Schedule II of the Companies Act, 2013.
The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

The estimated useful lives of Property, Plant and Equipment are as stated below:

Computer - End user device	3 years

iv) Impairment of Assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. For the purposes of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the Balance Sheet date there is an indication that previously assessed impairment loss no longer exists or may have decreased, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

Piramal Securities Limited

LODHA & CO. LLP MUMBAI-01 Chartered Accountants

2. Significant Accounting Policies (Continued)

v) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.
Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit and loss.

Financial assets

Classification

Financial assets that meet the following conditions are subsequently measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows, and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets that meet the following conditions are subsequently measured at fair value through Other Comprehensive Income (FVTOCI):

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

By default, all other financial assets are subsequently measured at fair value through profit and loss (FVTPL).

Amortised cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Effective interest rate method

Income is recognised on an effective interest rate basis for financial assets other than those financial assets classified as at FVTPL. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.
The calculation of the effective interest rate includes transaction costs and fees that are an integral part of the contract. Transaction costs include incremental costs that are directly attributable to the acquisition of financial asset.
If expectations regarding the cash flows on the financial asset are revised for reasons other than credit risk, the adjustment is recorded as a positive or negative adjustment to the carrying amount of the asset in the balance sheet with an increase or reduction in interest income. The adjustment is subsequently amortised through Interest income in the statement of profit and loss.
The Company calculates interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

Changes in the fair value of financial assets at FVTPL are recognised in the statement of profit and loss.

Default Assets wherein the management does not expect any realistic prospect of recovery are written off to the Statement of Profit and Loss.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.
On derecognition of financial assets in entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable, is recognised in the statement of profit and loss.

LODHA & CO. LLP MUMBAI-01 Chartered Accountants

Piramal Securities Limited

2. Significant Accounting Policies (Continued)

v) Financial instruments (Continued)

Financial liabilities and equity instruments

Equity Instrument

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued are recognised at the proceeds received, net of direct issue costs.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method or at FVTPL.

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the Company does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between the Company and the lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

vi) Employee Benefits

Employee benefits include provident fund, compensated absences and long term service awards. In case of Provident fund, contributions are made to the Regional Provident Fund Office.

Defined Contribution Plans

The Company's contribution to provident fund to the Regional Provident Fund office are considered as defined contribution plans, as the Company does not carry any further obligations apart from the contributions made on a monthly basis and are charged as an expense based on the amount of contribution required to be made.

Defined Benefit Plans

The Company contributes to Defined Benefit Plans comprising of Gratuity and Compensated absences.

Gratuity: The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

The liability or asset recognised in the balance sheet in respect of gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by acturies using the projected unit credit method.

The present value of the defined benefit obligation denominated in Rs. is determined by discounting the estimated future cash outflows by reference to maket yields at the end of the reporting period on government bonds that have terms approximating to the terms of the re;ated obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of the plan assets. The cost is included in employee benfit expense in statement of profit and loss.

Compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the Statement of Profit and Loss in the year in which they arise.

LODHA & CO. LLP MUMBAI-01 Chartered Accountants

Piramal Securities Limited

(Currency : Rs in lakhs)

2. Significant Accounting Policies (Continued)

vii) Provisions and Contingent Liabilities

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.
Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

viii) Revenue recognition

Interest on Fixed Deposits (FD) is recognised on time proportion basis taking in to account the amount outstanding and the rate applicable.

Dividend income from investments is recognised when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of dividend income can be measured reliably).

Arranger fees / Asset monitoring fees income is accounted for on accrual basis.

ix) Exceptional Items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such items is disclosed separately as Exceptional items.

x) Leases

Effective April 01, 2019, IND AS 116 Leases have been applied to all contract existing on April 01, 2019 using the modified retrospective method of transition. The Lessee recognise a lease liability reflecting future lease payments and a 'right-of-use asset' for all lease contracts.
In the statement of profit and loss lessees recognises present interest expense on the lease liability and depreciation on the right-of-use asset.

However, the company has opted for exemption for all lease which has a lease period of less than 12 months or do not have purchase option and the underlying assets is of low value when it is new. Accordingly, the related lease payments as recognised as an expense on a straight-line basis over the lease term.

xi) Taxes on Income

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.
Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

xii) Cash and Cash Equivalents

In the cash flow statement, cash and cash equivalents includes cash on hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

LODHA & CO. LLP MUMBAI-01 Chartered Accountants

Piramal Securities Limited

2. Significant Accounting Policies (Continued)

xiii) Borrowing Costs

Borrowing costs directly attributable to acquisition or construction of qualifying assets (i.e. those fixed assets which necessarily take a substantial period of time to get ready for their intended use) are capitalised. Other borrowing costs are recognised as an expense on effective interest rate basis.

xiv) Earnings per share

Basic earnings per share

The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders by weighted average number of equity shares outstanding during the reporting year.

Diluted earnings per share

Number of equity shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares which would have been issued on the conversion of all dilutive potential shares. In computing diluted earnings per share only potential equity shares that are dilutive are included.

xv) Significant accounting judgements, estimates and assumptions

The preparation of the companies financial statements requires management to make judgements, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities, and the accompanying disclosures, as well as the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements - In the process of applying the companies accounting policies, management has made the following judgements, which have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Business model assessment - Classification and measurement of financial assets depends on the results of the SPPI and the business model test. The company determines the business model at a level that reflects how companies of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The company monitors financial assets measured at amortised cost or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the companies continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets

Fair value of financial instruments - The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), funding value adjustments, correlation and volatility.

Notes:

i Market Net Asset Value (NAV) as at the reporting period have been used to determine the Fair Value of the mutual fund investments.

The Company has not disclosed the fair value of cash and bank balances, other financial assets, trade payables and other financial liabilities, because their carrying amounts are a reasonable approximation of fair value.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for Investment in Preference Shares, Alternative Investment Funds, Debentures, Term Loans and Inter Corporate Deposits.

22 Risk Management

Risk Management is an integral part of the Company's business strategy. The Risk Management oversight structure includes Committees of the Board and Management Committees. Company's risk philosophy is to develop and maintain a healthy portfolio which is within its risk appetite and the regulatory framework. While the Company is exposed to various types of risks, the most important among them are liquidity risk, regulatory risk and fraud and operational risk. The measurement, monitoring and management of risks remain a key focus area for the Company.

The Board of Directors monitors the quality of audit function and also monitors compliance with SEBI and other regulators.

The Company's risk management strategy is based on a clear understanding of various risks, disciplined risk assessment and measurement procedures and continuous monitoring. The policies and procedures established for this purpose are continuously benchmarked with market best practices.

The Committee of Directors of the Board ("COD") reviews compliance with risk policies, monitors risk tolerance limits, reviews and analyse risk exposure and provides oversight of risk across the organization. The COD nurtures a healthy and independent risk management function to inculcate a strong risk management culture in the Company and broadly perceives the risk arising from (i) liquidity risk, (ii) fraud risk and operational risk (iii) regulatory risk

22.1 Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with financial institutions and other financial instruments.

Financial instruments and cash deposits:

The credit risk on liquid funds and other financial instruments is limited because the counterparties are banks with high credit-ratings assigned by credit-rating agencies or mutual funds.

22.2 Fraud risk and operational risk:

The Company has an elaborate system of internal controls commensurate with the size, scale and complexity of its operations and covers funding operations, financial reporting, fraud control and compliance with laws and regulations.

Risks associated with frauds are mitigated through 100% document verification by the management and review of all the cases which are entered in the system, including corrective and remedial actions as regards people and processes.

Management monitors and evaluates the efficacy and adequacy of internal control systems in the Company, its compliance with laws and regulations, efficacy of its operating systems, adherence to the accounting procedures and policies at all offices of the Company and report directly to the Board of Directors of the company.

22.3 Regulatory risk:

The Company requires certain statutory and regulatory approvals for conducting business and failure to obtain retain or renew these approvals in a timely manner, may adversely affect operations. Any change in laws or regulations made by the government or a regulatory body that governs the business of the Company may increase the costs of operating the business, reduce the attractiveness of investment and / or change the competitive landscape.

22 Risk Management (Continued)

22.4 Liquidity Risk

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The contractual maturity is based on the earliest date on which the Company may be required to pay.

Maturities of Financial Liabilities	31 March 2024			
	Up to 1 year	1 to 3 years	3 to 5 years	5 years & above

INDEPENDENT AUDITOR'S REPORT

To The Members of
Piramal Finance Sales and Services Private Limited

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of Piramal Finance Sales and Services Private Limited ("the Company"), which comprises of Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of other information. The Other information comprises the information included in the Board's Report including Annexures to the Board report but does not include the financial statement and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we required to report that fact. We have nothing to report in this regard.

LODHA & CO. LLP ★ MUMBAI-01 ★ Chartered Accountants

Responsibilities of Management and those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion.

  Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. Pursuant to the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and records.

   (c) The Balance sheet, the Statement of Profit & Loss (including other comprehensive income), Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

   (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

   (e) On the basis of the written representation received from the directors as on March 31, 2024 taken on records by the Board of Directors, none of the directors are disqualified as on March 31, 2024 from being appointed as a Directors in terms of Section 164(2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, The Company being a private limited Company, Section 197 of the Act is not applicable.

(h) With respect to the matters to be included in the Auditor's report in accordance with the Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations as on March 31, 2024.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Company.

iv. a) The management has represented that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend to or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. (Refer note 35 to the financial statements)

b) The management has represented, that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. (Refer note 36 to the financial statements)

c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under sub clause (i) and (ii) of Rule 11(e) of The Companies (Audit and Auditors) Rules, 2014, as provided under (a) and (b) above, contains any material misstatement.

v. The Company has not declared or paid dividend during the financial year 2023-24 and hence reporting under Rule 11(f) of Companies (Audit and Auditors) Rules, 2014 is not applicable.

vi. (a) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

(b) As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024

Annexure "A" referred to in "Report on Other Legal and Regulatory Requirements" section of our report to the members of Piramal Finance Sales and Services Private Limited as at and for the year ended March 31, 2024:

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we state that:

i. a. In respect of Company's Property, Plant and Equipment (PPE) and Intangible Assets: - The Company does not have any PPE and Intangible assets and hence reporting under clause 3(i) (a), (b), (c) and (d) of the Order is not applicable to the Company.

b In our opinion and according to the information and explanations given to us and based on our examination of the records, neither any proceedings have been initiated during the year nor are pending as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988, as amended, and Rules made thereunder and hence reporting under clause 3(i)(e) of the Order is not applicable to the Company. (Refer note 31 to the financial statements)

ii. a. The Company is in the business of providing manpower services and does not have any physical inventories and hence reporting under clause 3(ii) (a) of the Order is not applicable to the Company.

b. According to the information and explanations given to us and on the basis of our examination of records, the Company does not have any sanctioned working capital at any point of time during the year from banks and financial institutions and hence reporting under clause 3(ii)(b) of the Order is not applicable to the Company.

iii. In respect of Investment, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties:

(a) The Company has not provided any loans or advances in the nature of loans or guarantee or provided security to any other entity during the year and hence reporting under clause 3(iii)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us and on the basis our examination of the records, the Company has not made investments except for temporary investments of surplus funds in the mutual funds and hence reporting under clause 3(iii)(b) of the Order is not applicable to the Company.

(c) The Company has not granted any loans or advances in the nature of loans during the year and hence reporting under clauses 3(iii)(c), (d), (e) and (f) of the Order is not applicable to the Company.

iv. According to the information and explanations given to us and on the basis of our examination of the books and records of the Company, the Company has complied with the provisions of Section 185 and 186 of the Act, to the extent applicable with respect to the temporary investments of surplus funds in the mutual funds during the year. The Company has not provided any loans, guarantees and securities to parties covered under section 185 and 186 of the Act.

v. According to the information and explanations given to us and on the basis of our examination of records, no deposits or amounts which are deemed to be deposits within the meaning of Section 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposits) Rules, 2014 have been accepted by the Company and hence reporting under clause 3(v) of the Order is not applicable to the Company.

vi. According to the information and explanations given to us, the maintenance of cost records has not been prescribed by the Central Government under Section 148 (1) of the Act for any of the activities of the Company and hence reporting under clause 3(vi) of the Order is not applicable to the Company.

vii. (a) According to the information and explanations given to us and on the basis of our examination of the records, the Company is generally regular in depositing undisputed statutory dues including Goods and Services tax, provident fund, employees' state insurance, income tax, sales tax, custom duty, duty of excise, value added tax, cess and other statutory dues during the year with the appropriate authorities. No undisputed amounts payable in respect of the aforesaid statutory dues were outstanding as at the last day of the financial year for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and on the basis of our examination of records, there are no statutory dues mentioned in clause vii (a) which have not been deposited on account of any dispute.

viii. According to the information and explanations given to us and on the basis of our examination of records, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) and hence reporting under clause 3(viii) of the Order is not applicable to the Company. (Refer note 34 to the financial statements)

ix. (a) The Company has not taken any borrowings during the year and hence reporting under clause 3(ix)(a) of the Order is not applicable to the Company.

(b) The Company has not been declared as willful defaulter by any bank or financial institution or other lender.

(c) In our opinion and according to the information and explanations given to us, the Company has not taken any term loan during the year and hence reporting under clause 3(ix)(c) of the Order is not applicable to the Company.

(d) The Company has not raised any funds on short term basis during the year and hence reporting under clause 3(ix)(d) of the Order is not applicable to the Company.

(e) Based on our audit procedures and on the basis of information and explanations given to us, the Company does not have any subsidiaries, associates or joint venture and hence reporting under clause 3(ix)(e) and (f) of the Order is not applicable to the Company.

x. (a) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of Initial public offer or further public offer (including debt instrument) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanations given to us and based on our examination of the records, the Company has not made any preferential allotment, private placement of shares or fully or partly convertible debentures during the year or in the recent past and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.

xi. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instance of fraud by or on the Company, noticed or reported during the year, nor have we been informed of such case by the management.

(b) During the year, no report under sub section 12 of Section 143 of the Act has been filed in Form ADT-4 as prescribed in Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) Based on our audit procedure performed and according to the information and explanations given to us, the Section 177(9) of the Act is not applicable and hence reporting under clause 3(xi)(c) of the Order is not applicable to the Company.

xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable to the Company.

xiii. According to the information and explanations given to us and based on our examination of the records of the Company, all the transactions with related parties are in compliance with Section 188 of the Act and all the details have been disclosed in the financial statements as required by the applicable Accounting Standard. As explained, provisions of Section 177 of the Act are not applicable to the Company. (Refer note 21 to the financial statements)

xiv. (a) According to the information and explanations given to us and on the basis of our examination of the records, the Company has an adequate internal audit system commensurate with the size and nature of its business.

(b) We have considered the internal audit reports for the year under audit issued to the Company during the year and till date, in determining nature, timing and extent of our audit procedure.

xv. According to the information and explanations given to us and on the basis of our examination of records, the Company has not entered into any non-cash transactions prescribed under Section 192 of the Act with directors or persons connected with them during the year.

xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and hence reporting under clause 3(xvi) (a), (b) and (c) of the Order is not applicable to the Company.

(b) In our opinion, there is no core investment company within the "Companies in the Group" as defined in the Core Investment Companies (Reserve Bank) Directions, 2016 and hence reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.

xvii. The Company has not incurred any cash losses during the financial year covered by our audit and immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors of the Company during the year and hence reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

LODHA & CO. LLP ★ MUMBAI-01 ★ Chartered Accountants

xx. The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of Section 135 of the Act are not applicable to the Company during the year and hence reporting under clause 3(xx) (a) and (b) of the Order is not applicable to the Company.

xxi. According to the information and explanations given to us and based on our examination of the records of the Company, the Company does not have any subsidiary/associate or joint venture and hence reporting under clause 3(xxi) of the Order is not applicable to the Company.

Annexure "B" referred to in "Report on Other Legal and Regulatory Requirements" section of our report to the members of Piramal Finance Sales and Services Private Limited as at and for the year ended March 31, 2024:

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of Piramal Finance Sales and Services Private Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential component of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in

accordance with generally accepted accounting principles, and that receipts and expenditures of the entity are being made only in accordance with authorisations of management; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the entity's assets that could have a material effect on the financial statements; and (4) also provide reasonable assurance by the internal auditors through their internal audit reports given to the organisation from time to time.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, broadly, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential Component of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Piramal Finance Sales and Service Private Limited

Piramal Finance Sales and Service Private Limited

Notes to the Financial Statements

For the year ended March 31, 2024

1A GENERAL INFORMATION

Piramal Finance Sales and Service Private Limited ('the Company') was incorporated in India on September 09, 2020 and has been carrying on, as its main business of sourcing, marketing & distributing of financial products, and providing manpower services, etc. The registered office of the Company is at Floor 4, Piramal Tower, 2 Peninsula Corporate Park Ganpatrao Kadam Marg, Lower Parel, Mumbai City, Mumbai, Maharashtra, India, 400013.

The Company is the wholly-owned subsidiary of Piramal Capital & Housing Finance Limited.

The financial statements were authorised by the Board of Directors for issue in accordance with resolutions passed on April 30, 2024.

1B. Basis of preparation

i) Basis of preparation

The financial statements have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and relevant amendment rules issued thereafter ("Ind AS") on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period as explained below, the relevant provisions of the Companies Act, 2013 (the "Act").

All amounts included in the financial statements are reported in lakhs of Indian rupees (Rs. in lakhs) except share and per share data, unless otherwise stated.

The financial statements are prepared and presented on going concern basis.

ii) Basis of accounting

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non current classification of assets and liabilities.

iii) Use of Estimates and Judgements

The preparation of the financial statements in conformity with Indian Accounting Standards ("Ind AS") requires the management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Revisions to accounting estimates are recognised prospectively. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

Following areas entail a high degree of estimate and judgement or complexity in determining the carrying amount of some assets and liabilities.

1. Impairment of financial assets
2. Fair Valuation of financial assets and liabilities and
3. Measurement of defined benefit obligations; key actuarial assumptions

LODHA & CO. LLP ★ MUMBAI-01 ★ Chartered Accountants

Piramal Finance Sales and Service Private Limited

2. SIGNIFICANT ACCOUNTING POLICIES

i) Financial instruments

Recognition and initial measurement

Financial assets (including Lease rental discounting assets) and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit or loss.

Financial assets

Classification

Financial assets that meet the following conditions are subsequently measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets that meet the following conditions are subsequently measured at fair value through other comprehensive income (FVTOCI):

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

By default, all other financial assets are subsequently measured at fair value through profit and loss (FVTPL).

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through other comprehensive income (FVTOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVTOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the statement of profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to the statement of profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

LODHA & CO. LLP ★ MUMBAI-01 ★ Chartered Accountants

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

i) **Financial instruments *(Continued)***

Fair value through profit or loss (FVTPL):

Assets that do not meet the criteria for amortised cost or FVTOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in the statement of profit and loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Changes in the fair value of financial assets at FVTPL are recognised in the statement of profit and loss.

Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, loan commitments, trade receivables and other contractual rights to receive cash or other financial asset.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.
On derecognition of financial assets in entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable, is recognised in the statement of profit and loss.

Reclassification of financial assets and liabilities

After initial recognition of financial assets and liabilities, no re-classification is made except for financial assets where there is a change in the business model for managing those assets. The Company's management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognized gains, losses (including impairment gains or losses) or interest.

Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instrument

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued are recognised at the proceeds received, net of direct issue costs.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method or at FVTPL.

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between the Company and the lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

ii) Employee benefits

Employee benefits include provident fund, compensated absences and long term service awards. In case of Provident fund, contributions are made to the Regional Provident Fund Office.

Defined contribution plans

The Company's contribution to provident fund to the Regional Provident Fund office are considered as defined contribution plans, as the Company does not carry any further obligations apart from the contributions made on a monthly basis and are charged as an expense based on the amount of contribution required to be made.

Defined benefit plans

The Company contributes to Defined Benefit Plans comprising of Gratuity and Compensated absences.

Gratuity: The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each Balance Sheet date using projected unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the Balance Sheet date. Expense on non-accumulating compensated absences is recognized in the period in which the absences occur.

Employee Share-based payments
The Ultimate Holding company has issued stock options to certain employees of the Company. These transactions are recognised as equity-settled share based payment transactions. The stock compensation expense is determined based on fair value of options and the ultimate holding company's estimate of options that will eventually vest and is recognised over the vesting period in the statement of profit and loss with corresponding increase in liability payable to ultimate holding company as the cost is recovered by the ultimate holding company in entirety.

iii) Provisions, contingent liabilities and contingent assets

Provisions are recognised when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are not recognised in the financial statements. Contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. However, they are assessed continually, and if it has become virtually certain that inflow of economic benefits will arise, the asset and related income are recognized in the financial statements.

iv) Revenue recognition

Manpower and Professional services are recognised in statement of profit or loss over time as the services are rendered.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the amortised cost and at the effective interest rate applicable.

Dividend income from investments is recognised when the Company's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Company and the amount of dividend income can be measured reliably).

LODHA & CO. LLP MUMBAI-01 Chartered Accountants

Piramal Finance Sales and Service Private Limited

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

v) Taxes on income

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.
Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting year.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current income tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.
While determining the tax provisions, the Company assesses whether each uncertain tax position is to be considered separately or together with one or more uncertain tax positions depending upon the nature and circumstances of each uncertain tax position.

vi) Segment Reporting

The Company is operating in a single reportable segment i.e. manpower and professional service fees. The Company is operating in a single reportable segment and geographical segment in accordance with Ind AS 108 - Operating Segments as notified u/s 133 of the Companies Act, 2013 and accordingly there are no separate reportable segments.

vii) Cash and cash equivalents

In the cash flow statement, Cash and cash equivalent comprises cash in hand ,demand deposits and time deposits with original maturity of less than three months held with bank and debit balance in cash credit account. Credit balance in cash credit account are shown within borrowings in financial liabilities in the balance sheet.

viii) Earnings per share

Basic earnings per share
The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders by weighted average number of equity shares outstanding during the reporting year.

Diluted earnings per share
Number of equity shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares which would have been issued on the conversion of all dilutive potential shares. In computing diluted earnings per share only potential equity shares that are dilutive are included.

Rights, preferences and restrictions attached to shares

Equity shares

The Company has one class of equity shares having a par value of Rs. 10 per share. Each holder of equity share is entitled for one vote per share. There are no restriction on payment of dividend to equity shareholders. Upon winding up of the company, the holders of equity share will be entitled to receive balance assets of the company after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

Dividend on shares

The Board of Directors of the Company at its meeting held on September 14, 2022, inter alia, has approved the payment of an interim dividend including dividend distribution tax amounting to Rs 300 Lakhs for the financial year 2022-23.

Surplus in statement of Profit & Loss are the profits that the Company has earned till date, less any dividends paid to investors and can be distributed by the Company as dividends to its equity shareholders and is determined based on the financial statements of the Company and also considering the requirements of the Companies Act, 2013. Thus, the amounts reported above are not distributable in entirely.

23 Employee Benefits: *(Continued)*

L. Sensitivity analysis

Projected benefits payable in future years from the date of reporting	As at March 31, 2024	As at March 31, 2023
Projected benefit obligation on current assumptions	98	82
Delta effect of +1% change in rate of discounting	(1)	(1)
Delta effect of -1% change in rate of discounting	1	1
Delta effect of +1% change in rate of salary increase	1	1
Delta effect of -1% change in rate of salary increase	(1)	(1)
Delta effect of +1% change in rate of employee turnover	1	(1)
Delta effect of -1% change in rate of employee turnover	1	1

Notes:

Gratuity is payable as per company' scheme as detailed in the report.

Actuarial gains/losses are recognized in the period of occurrence under Other Comprehensive Income (OCI). All above reported figures of OCI are gross of taxation.

Salary escalation and attrition rate are considered as advised by the Company; they appear to be in line with the industry practice considering promotion and demand and supply of the employees.

Average Expected Future Service represents Estimated Term of Post - Employment Benefit Obligation.

Cash flow projection is done considering future salary, attrition and death in respective year for members as mentioned above.

These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Investment risk

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. Plan investment is a mix of investments in government securities, and other debt instruments.

Interest Rate risk

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.

Longevity risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Notes to the Financial Statements (Continued)

For the year ended March 31, 2024

(Currency : Rs in Lakhs)

The fair values of options granted during the year are as follows:

Grant date	No. of Years vesting	Fair value per option
July 17, 2023	3 years	INR 895.03 - INR 916.08
March 31, 2023	2.33 years	INR 631.84 - INR 639.48

The fair value has been calculated using the Black Scholes Options Pricing Model and the significant assumptions made in this regard are as follows:

	Grant dated July 17, 2023	Grant dated March 31, 2023
Risk free interest rate	6.81% - 6.84%	6.91% - 6.92%
Expected life	3.50 - 5.50 years	3.0 - 3.7 years
Expected volatility	52.14% - 55.12%	55.62% - 58.71%
Expected dividend yield	1.74% - 2.07%	1.87% - 1.90%
Exercise Price (INR)	2	2
Stock Price (INR)	986.6	678

The historical volatility of comparable company's stock price returns for a time frame corresponding to the remaining contractual life has been relied upon as a proxy for the expected volatility. Equity volatility has been based on historical daily stock price returns as sourced from S&P Capital IQ Pro.

Notes:

The Company has not disclosed the fair value of trade receivables, cash and bank balances, trade payables and other financial liabilities, because their carrying amounts are a reasonable approximation of fair value.

25 Capital Management

The Company manages its capital to ensure that it will be able to continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. The current capital structure of the Company as on March 2024 & March 2023 consists of only equity.

The Company determines the amount of capital required on the basis of annual as well as long term operating plans and other strategic investment plans. The funding requirements are met through equity or convertible / nonconvertible debt securities or other long-term /short-term borrowings. The Company monitors the capital structure on the basis of total debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

26 Risk Management

Risk Management is an integral part of the Company's business strategy. The Risk Management oversight structure includes Committees of the Board and Management Committees. Company's risk philosophy is to develop and maintain a healthy portfolio which is within its risk appetite and the regulatory framework. While the Company is exposed to various types of risks, the most important among them are liquidity risk, regulatory risk and fraud and operational risk. The measurement, monitoring and management of risks remain a key focus area for the Company.

The Board of Directors monitors the quality of audit function and also monitors compliance with related regulators.

The Company's risk management strategy is based on a clear understanding of various risks, disciplined risk assessment and measurement procedures and continuous monitoring. The policies and procedures established for this purpose are continuously benchmarked with market best practices.

The Board of Directors (BOD) of the Company reviews compliance with risk policies, monitors risk tolerance limits, reviews and analyse risk exposure and provides oversight of risk across the organization. The BOD nurtures a healthy and independent risk management function to inculcate a strong risk management culture in the Company and broadly perceives the risk arising from (i) liquidity risk, (ii) fraud risk and operational risk (iii) regulatory risk (iv) credit risk

LODHA & CO. LLP MUMBAI-01 Chartered Accountants

Piramal Finance Sales and Service

26.1 Fraud risk and operational risk:

The Company has an elaborate system of internal controls commensurate with the size, scale and complexity of its operations and covers funding operations, financial reporting, fraud control and compliance with laws and regulations.

Risks associated with frauds are mitigated through 100% document verification by the management and review of all the cases which are entered in the system, including corrective and remedial actions as regards people and processes.

Management monitors and evaluates the efficacy and adequacy of internal control systems in the Company, its compliance with laws and regulations, efficacy of its operating systems, adherence to the accounting procedures and policies at all offices of the Company and report directly to the Board of Directors of the company.

26.2 Regulatory risk:

The Company requires certain statutory and regulatory approvals for conducting business and failure to obtain retain or renew these approvals in a timely manner, may adversely affect operations. Any change in laws or regulations made by the government or a regulatory body that governs the business of the Company may increase the costs of operating the business, reduce the attractiveness of investment and / or change the competitive landscape.

26.3 Liquidity Risk

The following tables detail the Company's remaining contractual maturity for its financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The contractual maturity is based on the earliest date on which the Company may be required to pay.

	March 31, 2024			
Maturities of Financial Liabilities	**Up to 1 year**	**1 to 3 years**	**3 to 5 years**	**5 years & above**
Trade Payables	94	-	-	-
Other Financial Liabilities	282	-	-	-
Total	**376**	-	-	-

	March 31, 2023			
Maturities of Financial Liabilities	**Up to 1 year**	**1 to 3 years**	**3 to 5 years**	**5 years & above**
Trade Payables	391	-	-	-
Other Financial Liabilities	1,237	-	-	-
Total	**1,628**	-	-	-

The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

	March 31, 2024			
Maturities of Financial Assets	**Up to 1 year**	**1 to 3 years**	**3 to 5 years**	**5 years & above**

LODHA & CO. LLP MUMBAI-01 Chartered Accountants

Piramal Finance Sales and Service Private Limited

(Currency : Rs in Lakhs)

26.4 Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables).

Trade receivables:
The receivables of the Company are from manpower and professional services. Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored. No credit allowance made, since the entire outstanding balance has been cleared subject to balancesheet date.

Financial instruments and cash deposits:
The credit risk on other financial instruments is limited because the counterparties are banks with high credit-ratings assigned by credit-rating agencies.

27 Segment Reporting

The chief operational decision maker monitors its principle business segment i.e. Sourcing, Marketing & Distributing of Financial products, Assets & Services. The Company is operating in a single reportable segment i.e. manpower and professional service fees. The Company is operating in a single reportable segment and geographical segment in accordance with Ind AS 108 - Operating Segments as notified u/s 133 of the Companies Act, 2013 and accordingly there are no separate reportable segments.

INDEPENDENT AUDITOR'S REPORT

To the Members of

Viridis Infrastructure Investment Managers Private Limited

Report on the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements **Viridis Infrastructure Investment Managers Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs (financial position) of the Company as at 31st March, 2024, and its losses (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Head Office : 319-320, Rex Chambers, W. H. Marg, Ballard Estate, Mumbai - 400 001.
Tel : 022 3592 0913 / 4963 0913 • Email : info@ddadheech.com

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the state of affairs(financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

a) Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

D. DADHEECH & CO. MUMBAI CHARTERED ACCOUNTANTS

b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls

c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books as informed.

M/s. D. Dadheech & Co.

D. DADHEECH & CO. MUMBAI CHARTERED ACCOUNTANTS

c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.

e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, the company has not paid any remuneration to its directors during the year hence provisions of section 197 of the Act shall not be applicable.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position;

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and

iii. There are no amounts which are required to be transferred, to the Investor Education and Protection Fund by the Company.

iv.

a. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any

D. DADHEECH & CO. MUMBAI CHARTERED ACCOUNTANTS

manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The company has not declared or paid any dividend during the year.

vi. Based on our examination, the company, in respect of financial year commencing on 1 April 2023, has used an accounting software (Tally Prime Edit Log) for maintaining its books of account which has a feature of recording audit trail (edit log) facility. However, the audit trail feature in the accounting software used for maintenance of accounting records was not enabled up to 14 October 2023 Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with for the period where audit trail is enabled.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure "A"
To the independent auditor's report

(Referred to in paragraph 2 (f) under 'Report on other legal and regulatory requirements' section of our report to the Members of **Viridis Infrastructure Investment Managers Private Limited** of even date)

Report on the internal financial controls over financial reporting under clause (i) of sub – section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Viridis Infrastructure Investment Managers Private Limited** ("the Company") as at March 31, 2024, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The board of directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based

on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

D. DADHEECH & CO. MUMBAI CHARTERED ACCOUNTANTS

M/s. D. Dadheech & Co.

Meaning of internal financial controls over financial reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of internal financial controls over financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of

Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure 'B'
To the independent auditor's report

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of **Viridis Infrastructure Investment Managers Private Limited** on the Ind AS financial statements for the year ended March 31, 2024]

(i) The company does not hold any Property, Plant and Equipment and intangible assets, accordingly, paragraph 3 (i) of the order is not applicable.

(ii) (a) The company does not have any inventory and hence reporting on paragraph 3 (ii) (a) and (b) of the order is not applicable.

(iii) During the year the company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties and hence reporting on paragraph 3 (iii) of the order is not applicable.

(iv) In our opinion and according to information and explanation given to us, the company has not granted any loans or provided any guarantees or given any security or made any investments to which the provision of section 185 and 186 of the Companies Act, 2013 applies, accordingly, paragraph 3 (iv) of the order is not applicable.

(v) In our opinion, based on our examination and according to information and explanation given to us, the company has not accepted any deposits and hence reporting on paragraph 3 (v) of the order is not applicable.

(vi) The Central Government of India has not prescribed the maintenance of cost records under sub-section (1) of section 148 of the Act for any of the activities of the company and accordingly paragraph 3 (vi) of the order is not applicable.

(vii) (a) The Company is regular in depositing undisputed statutory dues including income-tax and any other statutory dues as applicable to the Company to the appropriate authorities.

(b) There are no dues of income tax which have not been deposited on account of any disputes.

(viii) There are no unrecorded transactions in the books of accounts which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961(43 of 1961).

(ix) In our opinion, based on our examination and according to information and explanation given to us, the company does not have any loans or other borrowings from any lender and hence reporting on paragraph 3 (ix) (a) to (f) of the order is not applicable.

(x) a. According to the information and explanations given to us and based on our examination of the records of the company, the company has not raised any money by way of initial public offer or further public offer (including debt instruments).

D. DADHEECH & CO. MUMBAI CHARTERED ACCOUNTANTS

b. According to the information and explanations given to us and based on our examination of the records of the company, the company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year.

(xi) (a) During the course of our audit, examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company nor on the Company.

(b) We have not come across of any instance of fraud by the Company or on the Company during the course of audit of the financial statement for the year ended March 31, 2024, accordingly the provisions stated in paragraph (xi)(b) of the Order is not applicable to the Company.

(c) As represented to us by the management, there are no whistle-blower complaints received by the Company during the year. Accordingly, the provisions stated in paragraph (xi)(c) of the Order is not applicable to company.

(xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, the provisions stated in paragraph 3(xii) (a) to (c) of the Order are not applicable to the Company.

(xiii) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into transactions with the related parties as stated in the provisions of the sections 177 and 188 of the Act. Accordingly, provisions stated in paragraph 3(xiii) of the Order are not applicable to the Company.

(xiv) In our opinion and based on our examination, the Company does not require to comply with provision of section 138 of the Act. Hence, the provisions stated in paragraph 3(xiv) (a) to (b) of the Order are not applicable to the Company.

(xv) According to the information and explanations given to us, in our opinion during the year the Company has not entered into non-cash transactions with directors or persons connected with its directors and hence, provisions of section 192 of the Act are not applicable to company. Accordingly, the provisions stated in paragraph 3(xv) of the Order are not applicable to the Company.

(xvi) (a) In our opinion, the Company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934 and accordingly, the provisions stated in paragraph clause 3 (xvi)(a) of the Order are not applicable to the Company.

(b) In our opinion, the Company has not conducted any Non-Banking Financial or Housing Finance activities without any valid Certificate of Registration from Reserve Bank of India. Hence, the reporting under paragraph clause 3 (xvi)(b) of the Order are not applicable to the Company.

(c) The Company is not a Core investment Company (CIC) as defined in the regulations made by Reserve Bank of India. Hence, the reporting under paragraph clause 3 (xvi)(c) of the Order are not applicable to the Company.

D. DADHEECH & CO. MUMBAI CHARTERED ACCOUNTANTS

(d) The Company does not have more than one CIC as a part of its group. Hence, the provisions stated in paragraph clause 3 (xvi)(d) of the Order are not applicable to the Company.

(xvii) Based on the overall review of financial statements, the Company has incurred cash losses in the current financial year and in the immediately preceding financial year. The details of the same are as follows:

(Amount in Rs. Hundred)

Particulars	Current F.Y.	Preceding F.Y.
Net Profit/(Loss)	(59.00)	(365.50)
Non-Cash Items: - Provision for expenses	Nil	259.00
Cash Losses	(59.00)	(106.50)

(xviii) There has been no resignation of the statutory auditors during the year. Hence, the provisions stated in paragraph clause 3 (xviii) of the Order are not applicable to the Company.

(xix) According to the information and explanations given to us and based on our examination of financial ratios, ageing and expected date of realization of financial assets and payment of liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of audit report and the Company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

(xx) According to the information and explanations given to us, the provisions of section 135 of the Act are not applicable to the Company. Hence, the provisions of paragraph (xx)(a) to (b) of the Order are not applicable to the Company.

(xxi) According to the information and explanations given to us, the Company does not have any Subsidiary, Associate or Joint Venture. Accordingly, reporting under clause 3(xxi) of the Order is not applicable.

D. DADHEECH & CO. MUMBAI CHARTERED ACCOUNTANTS

Viridis Infrastructure Investment Managers Private Limited

Notes to the Financial Statements

for the year ended 31 March 2024

1. GENERAL INFORMATION

Viridis Infrastructure Investment Managers Private Limited ('the Company') was incorporated on 22 October 2020 with an objective to provide investment management and investment advisory services. The Company has not yet started its operations.

2. SIGNIFICANT ACCOUNTING POLICIES

i) Basis of preparation

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) and the provisions of the Companies Act, 2013 ('the Act'). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.
The Company's financial statements are presented in Indian Rupees (INR), which is also its functional currency.

ii) Basis of Accounting

The standalone financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period.

The preparation of the financial statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

iii) Financial instruments

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.
Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit and loss.

Financial assets

Classification:
Financials assets that meet the following conditions are subsequently measured at amortised cost:
- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets that meet the following conditions are subsequently measured at fair value through other comprehensive income (FVTOCI):
- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

By default, all other financial assets are subsequently measured at fair value through profit and loss (FVTPL).

Effective interest rate method:

Income is recognised on an effective interest rate basis for financial assets other than those financial assets classified as at FVTPL. The 'effective interest rate' is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument.

Financial assets at fair value through profit or loss (FVTPL):
Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in the statement of profit or loss. The net gain or loss recognised in the statement of profit or loss incorporates any dividend or interest earned on the financial asset. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

D. DADHEECH & CO. MUMBAI CHARTERED ACCOUNTANTS

2. SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

iii) Financial instruments *(Continued)*

All assets for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:
Level 1 — Quoted (unadjusted) market prices in active markets for identical assets
Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

Derecognition of financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.
On derecognition of financial assets in entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable, is recognised in the statement of profit and loss.

Financial liabilities and equity instruments

Classification as debt or equity:
Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and equity instrument.

Financial liabilities:
All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.
Financial liabilities that are not held for trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

All liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:
Level 1 — Quoted (unadjusted) market prices in active markets for identical liabilities
Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

Derecognition of financial liabilities:
The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

iv) Employee Benefits

Employee benefits include provident fund, compensated absences and long term service awards. In case of provident fund, contributions are made to the Regional Provident Fund Office.

Defined Contribution Plans

The Company's contribution to provident fund (in case of contributions to the Regional Provident Fund Office) and pension are considered as defined contribution plans, as the Company does not carry any further obligations apart from the contributions made on a monthly basis and are charged as an expense based on the amount of contribution required to be made.

D. DADHEECH & CO. MUMBAI CHARTERED ACCOUNTANTS

2. SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Defined Benefit Plans

Gratuity: The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments, changes in actuarial assumptions and return on plan assets (excluding interest income) are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the statement of profit and loss in the year in which they arise.

v) Provisions and Contingent Liabilities

Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

vi) Revenue recognition

Advisory fees: Revenue from advisory fees is recognised in profit or loss over time as the services are rendered.

vii) Taxes on Income

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except where they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

viii) Cash and Cash Equivalents

In the cash flow statement, cash and cash equivalents includes cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

2. SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

ix) Borrowing Costs

Borrowing costs directly attributable to acquisition or construction of qualifying assets (i.e. those fixed assets which necessarily take a substantial period of time to get ready for their intended use) are capitalised. Other borrowing costs are recognised as an expense in the period in which they are incurred.

x) Segment Reporting

The Company is operating in a single reportable segement i.e. investment advisory service. The Company is operating in a single reportable and geographical segment in accordance with Ind AS 108 - Operating Segments as notified u/s 133 of the Companies Act, 2013 and accordingly the same is not applicable to the Company.

xi) Earnings per share (EPS)

Basic earnings per share:
Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year.

Diluted earnings per share:
Number of equity shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares which would have been issued on the conversion of all dilutive potential shares. In computing diluted earnings per share only potential equity shares that are dilutive are included.

Rights, preferences and restrictions attached to shares

Equity shares

The Company has one class of equity shares having a par value of Rs. 10 per share. Each holder of equity share is entitled for one vote per share. There are no restrictions on payment of dividend to equity shareholders. On winding up of the company, the holders of equity share will be entitled to receive remaining assets of the company after distribution of all preferential liabilities. The distribution will be in proportion to the number of equity shares held by the shareholders.

Notes to the Financial Statements (Continued)

1 GENERAL INFORMATION

Piramal Payment Services Limited (PPSL) is wholly owned subsidiary company of Piramal Capital and Housing finance Corporation Limited and has been incorporated on April 29, 2022 under the provisions of Companies Act, 2013. PPSL has been incorporated to carry on the business of issuance and operations of Prepaid Payment Instruments in accordance with the RBI's Master Directions on Prepaid Payment Instruments, issued on August 27, 2021, to undertake any business relevant to prepaid payment instruments including but not limited to facilitating payments to merchants for goods and services, remittance facilities, bill payments, cash withdrawal etc., as permitted by the Reserve Bank of India or any governing authority from time-to-time; and other applicable statutory and legal provisions. The Company has applied to the Reserve Bank of India for PPI License. The registered office of the Company is in Unit No.601, 6th Floor, Amiti Building, Agastya Corporate Park, Kamani Junction, Opp. Fire Station, LBS Marg, Kurla West, Mumbai City, 400070.

2 SIGNIFICANT ACCOUNTING POLICIES:

2.1 Basis of preparation of financial statements :

The financial statements have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and relevant amendment rules issued thereafter ("Ind AS") on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period. Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. All amounts included in the financial statements are reported in lakhs of Indian rupees (Rs. in lakhs) except share and per share data, unless otherwise stated.

The preparation of financial statements requires management to make estimates and assumptions that effect the reported amounts of assets and liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known / materialised.

2.2 Revenue Recognition :

Other Income

Revenue is recognised when there is reasonable certainty as to measurement and ultimate realization of the same.

2.3 Financial Instrument

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

Recognition and initial measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

(I) Financial Asset:

Financial assets that meet the following conditions are subsequently measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets that meet the following conditions are subsequently measured at fair value through Other Comprehensive Income (FVTOCI):

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

By default, all other financial assets are subsequently measured at fair value through profit and loss (FVTPL).

All investments in equity instruments are initially measured at fair value, the company may, on initial recognition, irrevocably elect to measure same either at FVTOCI or FVTPL.

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

Piramal Payment Services Limited Mumbai

(II) Financial liabilities and equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued are recognised at the proceeds received.

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method or at FVTPL.

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

Derecognition of financial liabilities:

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between the Company and the lender of debt and other instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

Investment in Subsidiaries and Associates:

Investment in subsidiaries and associates are recognized and carried at cost. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

2.4 Cash and cash equivalents

Cash and cash equivalent in the Balance Sheet comprise cash at banks and on hand, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash at banks and on hand, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

2.5 Impairment of non financial assets:

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. For the purposes of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the Balance Sheet date there is an indication that previously assessed impairment loss no longer exists or may have decreased, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

2.6 Earnings Per Share :

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period/year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.7 Taxes on Income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961.

Deferred tax assets and liabilities are recognized for the future tax consequences attributable to temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax basis. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the balance sheet dates. The effect on the deferred tax assets and liabilities of a change in tax rate is recognized in the period that includes the enactment date. Deferred tax assets are recognized only to the extent there is virtual certainty of realization in future in case of carry forward losses.

2.8 Provisions, Contingent Liability and Contingent Assets

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote , no provision or disclosure is made. Contingent assets are disclosed where an inflow of economic benefits is probable.

Fair value measurements under Ind AS are categorised into fair value hierarchy based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 where unobservable inputs are used for the valuation of assets or liabilities.

*The management assessed that cash and cash equivalents, other financial assets and other financial liabilities approximate their carrying amount largely due to the short-term maturities of these instruments

Risk management framework

The Company's principal financial liabilities comprise trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and cash equivalents that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Board of Directors reviews and agrees policies for managing each of these risks.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company manages liquidity risk by maintaining adequate reserves, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of the financial assets and liabilities.

Independent Auditor's Report

To The Members of DHFL Advisory & Investments Private Limited

Report on Audit of Financial Statements

Opinion

We have audited the accompanying Financial Statements of M/s DHFL Advisory & Investments Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Cash Flow Statement for the year then ended, and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, of its loss and total comprehensive income (comprising loss and other comprehensive income), changes in equity and its cash flows for the year then ended on that date.

Basis for opinion

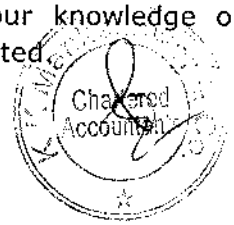

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the director's report, but does not include the financial statements and our auditor's report thereon. The director's report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the director's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibilities of management and those charged with governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's responsibilities for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by section 143(3) of the Act, we report, to the extent applicable, that:

   a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;

   c. The Balance Sheet, Statement of Profit and Loss including Other Comprehensive Income, the Statement of changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account;

   d. In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act read with Companies (Indian Accounting Standards) rules, 2015 as amended.

e. On the basis of the written representations received from the directors as on 31st March, 2024, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act;

f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and

g. The provision of section 197 read with schedule V of the Act are not applicable to the company for the year ended 31st March, 2024; and

h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i) The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements- refer Note -14 to the Financial Statements;

ii) The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses;

iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

(v) The Company has not declared/paid any dividend during the year and hence provision of Section 123 of the Act is not applicable.

(VI) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules 2014 on preservation of audit trail as per statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

Annexure "A" to the Independent Auditors' Report
The Annexure referred to in paragraph 1 under "Report on Other Legal and Regulatory Requirement" section of our Independent Auditors' Report to the members of the Company on the financial statements for the year ended March 31, 2024, we report that:

1. In respect of the Company's Property, Plant and Equipment and Intangible Assets:

    a. The Company does not have any property, plant and equipment as at 31st March, 2024 hence reporting under clause 3(i)(a) to 3(i)(d) of the Order is not applicable.

    b. No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

2. As the Company does not have any inventory at the year end, accordingly clauses (ii)(a) and (ii)(b) of paragraph 3 of the Order is not applicable to the Company.

3. The Company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnership or any other parties. Therefore, the provisions of the Clause 3(iii), (iii)(a), (iii)(b), (iii)(c), (iii)(d), (iii)(e), and (iii)(f) of the said Order are not applicable to the Company.

4. According to the information and explanations given to us, the Company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the provisions of clause 3(iii)(a), 3(iii)(b), 3(iii)(c), 3(iii)(d), 3(iii)(e) and 3(iii)(f) are not applicable to the company and hence not commented upon.

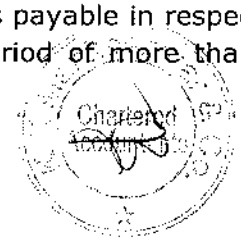

5. The Company has not accepted any deposits from the public within the meaning of Section 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.

6. According to the information and explanation given to us, we are informed that the maintenance of cost records has not been prescribed by the Central Government under sub-section (1) of section 148 of the Companies Act 2013.

7. According to the information and explanation given to us, in respect of statutory dues:

    a) According to information and explanations given to us and on the basis of our examination of the books of accounts, and records, the Company is generally regular in depositing undisputed statutory dues including income-tax, as applicable, with appropriate authorities. The provisions relating to provident fund, employees' state insurance, goods and service tax, custom duty, cess and other statutory dues are not applicable to the Company during the year.

    According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2024 for a period of more than six months from the date on when they become payable.

b) According to the information and explanations given to us and the records of the Company, there is no due in respect of income tax, goods and service tax and duty of customs as on 31st March 2024 which have not been deposited on account of a dispute are as follows:

Name of Statute	Nature of dues	Amount (Rs in Lakhs)	Period for which the amount related	Forum where dispute is pending
Income Tax	Disallowance u/s 14A	99.45	A.Y 2017-18	ITAT- U/s 156
Income Tax	Disallowance u/s 14A	105.10	A.Y 2018-19	ITAT- U/s 156

8. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961(43 of 1961).

9. (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.

(b) The Company has not been declared wilful defaulter by any bank or financial institution orgovernment or any government authority.

(c) The Company has not taken any term loan during the year and there are no outstandlng term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order isnot applicable.

(d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

(e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

(f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f)of the Order is not applicable.

10. (a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of theOrder is not applicable.

(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

11. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) According to the information and explanations given to us, there were no whistle blower complaints received during the year by the Company.

12. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.

13. According to the information and explanation given to us and based on the examination of the records of the Company, all transaction with related parties are in compliance with section 188 of Companies Act, 2013 wherever applicable and the details have been disclosed in the financial statements, as required by the applicable accounting standards. The Provision of section 177 are not applicable to the company and accordingly reporting under clause 3(xiii) insofar as it relates to section 177 of the Act is not applicable to the company and hence not commented upon.

14. In our opinion and based on our examination, the company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act 2013.

15. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, clause (xv) of paragraph 3 of the Order is not applicable.

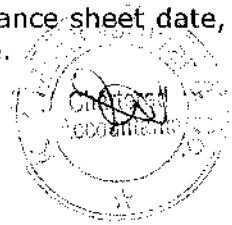

16. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

(b) Based on the information and explanations given to us and as represented by the management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) has only one CIC as part of the Group.

17. The Company has incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

18. There has been no resignation of the statutory auditors of the Company during the year.

19. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, our knowledge of the plans of the Board of Directors and management and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

20. (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

(b) There are no any amount remaining unspent under sub-section (5) of section 135 of the Companies Act, pursuant to any ongoing project, has been transferred to special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable for the year.

"ANNEXURE B" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF DHFL ADVISORY & INVESTMENTS PRIVATE LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s DHFL Advisory & Investments Private Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements (Continued)

1 GENERAL INFORMATION

DHFL Advisory & Investments Pvt. Ltd. (DAIPL), incorporated under the Companies Act, 2013, is a subsidiary company of Piramal Capital and Housing Finance Limited and carrying on the business of providing all kinds of advisory / consultancy services and fees based intermediation activities including but not limited to the treasury, banking, insurance and other financial services as well as marketing, advertising and business promotional activities; soliciting or procuring insurance business as a corporate agent in respect of all classes of insurance, consulting for soliciting of all types of loans, investment and portfolio research, market research. The registered office of the Company is in Unit No.601, 6th Floor, Amiti Building, Agastya Corporate Park, Kamani Junction, Opp. Fire Station, LBS Marg, Kurla West, Mumbai City, 400070. The Financial Statement were authorised for issue by the Company's Board of Directors on 06th May 2024

2 MATERIAL ACCOUNTING POLICIES:

2.1 Basis of preparation of financial statements :

The financial statements have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and relevant amendment rules issued thereafter ("Ind AS") on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period. Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. All amounts included in the financial statements are reported in lakhs of Indian rupees (Rs. in lakhs) except share and per share data, unless otherwise stated. The financial statements are prepared on a going concern basis.

The preparation of financial statements requires management to make estimates and assumptions that effect the reported amounts of assets and liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known / materialised.

2.1A The Company incurred a net loss of Rs. 3.75 Lakhs during the year ended March 31, 2024 and, as of that date, the Company has accumulated losses of Rs. 7,451.97 Lakhs. The Company is not carrying out any commercial operations and is in the process of settling remaining dues and completing assessments with authorities. However, these accounts have been prepared on a going concern basis on accrual basis in accordance with the Indian Accounting Standards.

Present available cash and bank balance is sufficient to sustain the current level of operations. Hence the financial statements are prepared on a going concern.

2.2 Operating Cycle

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:
•Expected to be realised or intended to be sold or consumed in normal operating cycle
•Expected to be realised within twelve months after the reporting period, or
•Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
All other assets are classified as non-current.

A liability is treated as current when it is:
•Expected to be settled in normal operating cycle.
•Due to be settled within twelve months after the reporting period, or
•There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period
All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.
The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

2.3 Revenue Recognition :

Revenue from contract with customers is recognised in the Statement of Profit and Loss through following steps:

i. Identification of the contract or contracts with the customers
ii. Identification of the performance obligations in the contracts
iii. Determination of the transaction price
iv. Allocation of the transaction price to the performance obligations in the contract
v. Recognition of revenue when company satisfy a performance obligation.

Revenue, mainly comprises of charges towards Advisory and Consultancy services. The same is recognized on performance of service.

Other Income
Revenue is recognised when there is reasonable certainty as to measurement and ultimate realization of the same.

2.4 Financial Instrument

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

Recognition and initial measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

(I) Financial Asset:

Financial assets that meet the following conditions are subsequently measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets that meet the following conditions are subsequently measured at fair value through Other Comprehensive Income (FVTOCI):

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

By default, all other financial assets are subsequently measured at fair value through profit and loss (FVTPL).

All investments in equity instruments are initially measured at fair value, the company may, on initial recognition, irrevocably elect to measure same either at FVTOCI or FVTPL.

A financial asset is derecognised only when:

- The Company has transferred the rights to receive cash flows from the financial assets or
- retains the contractual rights to receive the cash flows of the financial assets, but assumes a contractual obligation to pay the cash flow to one or more recipients.

(II) Financial liabilities and equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued are recognised at the proceeds received.

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method or at FVTPL.

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

Derecognition of financial liabilities:

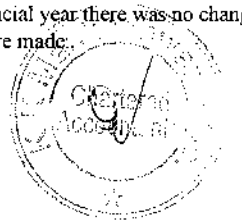

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between the Company and the lender of debt and other instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

Investment in Subsidiaries and Associates:

Investment in subsidiaries and associates are recognized and carried at cost. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

Reclassifications:

If the business model under which the Company holds financial assets changes, the financial assets affected are reclassified. The classification and measurement requirements related to the new category apply prospectively from the first day of the first reporting period following the change in business model that result in reclassifying the Company's financial assets. During the current financial year and previous financial year there was no change in the business model under which the Company holds financial assets and therefore no reclassifications were made.

Notes to the Financial Statements (Continued)

For the year ended March 31, 2024

Impairment:

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. 12-month expected credit losses are portion of the life-time expected credit losses and represent the lifetime cash shortfalls that will result if default occurs within the 12 months after the reporting date and thus, are not cash shortfalls that are predicted over the next 12 months

A loss allowance for full lifetime ECL is required for a financial instrument if the credit risk on that financial instrument has increased significantly since initial recognition. For all other financial instruments, ECLs are measured at an amount equal to the 12-month ECL.

For assessing increase in credit risk and impairment loss, the company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis

Impairment losses and releases are accounted for and disclosed separately from modification losses or gains that are accounted for as an adjustment of the financial asset's gross carrying value

The Company has established a policy to perform an assessment, at the end of each reporting period, of whether a financial instrument's credit risk has increased significantly since initial recognition, by considering the change in the risk of default occurring over the remaining life of the financial instrument

The impairment requirements for the recognition and measurement of a loss allowance are equally applied to debt instruments at FVTOCI except that the loss allowance is recognised in other comprehensive income and is not reduced from the carrying amount in the balance sheet

The Financial assets for which the Company has no reasonable expectations of recovering either the entire outstanding amount, or a proportion thereof, the gross carrying amount of the financial asset is reduced. This is considered a (partial) derecognition of the financial asset

Write off:

Loans and debt securities are written off when the Company has no reasonable expectations of recovering the financial asset (either in its entirety or a portion of it). This is the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. A write-off constitutes a derecognition event. The Company may apply enforcement activities to financial assets written off. Recoveries resulting from the Company's enforcement activities will result in gains

Chartered Accountants

DHFL Advisory & Investments Private Limited Mumbai

Notes to the Financial Statements (Continued)

For the year ended March 31, 2024

2.5 Cash and cash equivalents

Cash and cash equivalents include cash on hand, balance in current account and Balances with banks in deposits accounts with original maturity of less than 3 months Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents

2.6 Impairment of non financial assets:

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired For the purposes of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit If any such indication exists, the Company estimates the recoverable amount of the asset If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss If at the Balance Sheet date there is an indication that previously assessed impairment loss no longer exists or may have decreased, the recoverable amount is reassessed and the asset is reflected at the recoverable amount

2.7 Earnings Per Share :

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders by weighted average number of equity shares outstanding during the reporting year

The number of equity shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares which would have been issued on the conversion of all dilutive potential shares In computing diluted earnings per share only potential equity shares that are dilutive are included.

2.8 Taxes on Income

Income tax expense represents the sum of the tax currently payable and deferred tax Income tax expense comprises current and deferred taxes Income tax expense is recognized in the Statement of Profit and Loss except when they relate to items that are recognized outside profit or loss (whether in other comprehensive income or directly in equity), in which case tax is also recognized outside profit or loss

Current Tax

The tax currently payable is based on the estimated taxable profit for the year for the Company and is calculated using applicable tax rates and tax laws that have been enacted or substantively enacted Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible The current tax is calculated using applicable tax rates that have been enacted or substantively enacted by the end of the reporting period

Deferred tax

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases, and unutilized business loss and depreciation carry-forwards and tax credits. Such deferred tax assets and liabilities are computed separately for each taxable entity Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilized

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which gives rise to future economic benefits in the form of adjustment of future income tax liability Accordingly, MAT is recognized as deferred tax asset in the balance sheet when the assets can be measured reliably and it is probable that the future economic benefit associated with the asset will be realized

Notes to the Financial Statements (Continued)

For the year ended March 31, 2024

2.9 Provisions, Contingent Liability and Contingent Assets

•Provisions are recognised only when: an entity has a present obligation (legal or constructive) as a result of a past event; and

•it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and

•a reliable estimate can be made of the amount of the obligation

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received

Contingent liability is disclosed in case of:

• a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation and

•a present obligation arising from past events, when no reliable estimate is possible

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision

Contingent Assets:

Contingent assets are not recognised but disclosed in the financial statements when economic inflow is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date

2.10 Commitments

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

• Estimated amount of contract remaining to be executed on capital account and not provided for;

•other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management

2.11 Exceptional items

An item of income or expense which its size, type or incidence requires disclosure in order to improve an understanding of the performance of the Company is treated as an exceptional item and the same is disclosed in the notes to accounts

2.12 Critical accounting judgements and key sources of estimation uncertainties

The preparation of the financial statements in conformity with Ind AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable

Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise

Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period and accordingly Impairment has been estimated

Income Taxes

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions

Fair value measurement of financial instruments

When the fair values of financials assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques which involve various judgements and assumptions

Going Concern Assumption

Going concern assumption has been applied on the basis that the company will able to continue its operation in the foreseeable future, and without there being any intention or necessity for it to either liquidate or curtail materially its scale of business operations.

17 Income Taxes

In the view of losses, provision for tax has not been recognised. Further the deferred tax asset arising out of timing difference and carryforward of unused tax losses and unused tax credits has not been recognised, since it is not probable that sufficient future taxable profit will be available to allow all or part of the deffered tax asset to be utilized.

	5.72	-	-	5.72	5.72

Fair value measurements under Ind AS are categorised into fair value hierarchy based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 where unobservable inputs are used for the valuation of assets or liabilities.

* The management assessed that cash and cash equivalents, other financial assets and other financial liabilities approximate their carrying amount largely due to the short-term maturities of these instruments.

19 Capital management

The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to its shareholders. The capital structure of the Company is based on management's judgment of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

20 Financial Risk Management

The Company's principal financial liabilities, comprise borrowings and other payables. The main purpose of these financial liabilities is to support its operations. The Company's principal financial assets include investment, other assets and cash and cash equivalents that derive directly from its operations.
The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

Credit risk
Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors

Liquidity Risk
Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due. The Company's Management is responsible for liquidity, funding as well as settlement management The management monitors the Company's net liquidity position through forecasts on the basis of expected cash flows. The company is also taking steps to improve liquidity going forward by focusing on new initiatives

The table below provides details regarding the contractual maturities of significant financial liabilities and assets as at March 31, 2024 and March 31, 2023

	As on March 31, 2024			As on March 31, 2023

INDEPENDENT AUDITOR'S REPORT
To the Members of DHFL Investments Limited
Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

1. We have audited the accompanying Standalone Ind AS financial statements of DHFL Investments Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Ind AS financial statements").

   In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements to give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015 (Ind AS) as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

2. We have conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

3. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the, Board's Report including Annexure to Board's Report and Shareholder's Information, but does not include the Standalone Ind AS Financial statements and our auditor's report thereon. Our opinion on the Standalone Ind AS Financial statements does not cover the other

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Standalone Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information. we are required to communicate the matter to those charged with governance.

Responsibility of Management for the Standalone Ind AS Financial Statements

4. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

   In preparing the Standalone IND AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

   The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

5. Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Ind AS Financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind AS Financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

6. As required by the Companies (Auditors' Report) Order, 2020 issued by the Central Government in terms of sub-section 11 of Section 143 of the Act, we give in the "Annexure A" of this report a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

7. As required by Section 143(3) of the Act, we report that:
   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
   b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books.
   c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of accounts.
   d) in our opinion, the aforesaid Standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
   e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
   f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

8. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
   i. The Company does not have any pending litigations which would impact its financial position.
   ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
   iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
   iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kinds of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding,

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

whether recorded in writing or otherwise, that the Intermediary shall, whether , directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or ("Ultimate Beneficiaries") or provide any guarantee, security or the like to or on behalf of the ultimate Beneficiaries.

(b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"). with the understanding, whether recorded in writing or otherwise, that the Company shall. Whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding party ("ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause iv(a) and iv (b) contain any material mis-statement.

v. The dividend is neither declared nor paid during the year by the Company.

vi. With respect to the matter to be included in the Auditors' Report under section Rule 11(g) of Companies (Audit and Auditors) Rules, 2014, based on our examination which included test checks, the company has used Tally ERP software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules 2014 on preservation of audit trail as per statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

vii. With respect to the matter to be included in the Auditors' Report under section 197(16): In our opinion and according to the information and explanations given to us, no remuneration is paid by the Company to its directors during the current year. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

ANNEXURE "A" referred to in Paragraph of the Independent Auditor's Report of even date to the members of DHFL Investments Limited on the standalone Ind AS financial statements for the year ended 31st March 2024

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we report that:

(i) The Company does not have any property, plant and equipment, intangible assets, right of use assets or investment property and accordingly, reporting under clause 3(i) of the Companies (Auditor's Report) Order, 2020 (hereinafter referred to as 'the Order') is not applicable to the Company.

(ii) The Company does not hold any inventory. Accordingly, reporting under clause 3(ii) of the Order is not applicable to the Company.

(iii) According to the information and explanation given to us and according to the records of the Company as examined by us, the Company has not made any investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, reporting under Para 3(iii) of the Order is not applicable to the Company.

(iv) In our opinion and according to the information and explanation given to us, the Company has not entered into any transaction covered under sections 185 and 186 of the Act. Accordingly, reporting under Para 3(iv) of the Order is not applicable to the Company.

(v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there are no amounts which have been deemed to be deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under Para 3(v) of the Order is not applicable to the Company.

(vi) The Central Government has not specified maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of Company's products/ services / business activities. Accordingly, reporting under Para 3(vi) of the Order is not applicable.

(vii) In respect of statutory dues:

(a) According to the information and explanations given to us, and according to the records of the Company as examined by us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at March 31, 2024 for a period of more than six months from the date they became payable.

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

(b) According to the information and explanations given to us, there are no statutory dues referred to in subclause (a) above that have not been deposited with the appropriate authorities on account of any dispute.

(viii) According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 which have not been previously recorded in the books of accounts.

(ix) According to the information and explanations given to us, the Company does not have any loans or other borrowings from any lender. Accordingly, reporting under clause 3(ix) of the Order is not applicable to the Company.

(x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) According to the information and explanation given to us and based on the records of the company examined by us, during the year the Company has not raised money by way of Preferential Allotment or Private Placement of shares or convertible debentures. Therefore, Para 3(x)(b) of the Order is not applicable to the company.

(xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers/employees has been noticed during the year. Therefore Para 3 (xi) of the order is not applicable to the Company.

(b) According to the information and explanations given to us including the representation made to us by the management of the Company, no report under sub-section 12 of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit.

(c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.

(xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.

(xiii) According to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the standalone financial statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act.

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

(xiv) According to the information and explanations given to us, the Company is not required to and consequently, does not have an internal audit system as per the provisions of section 138 of the Act Accordingly, reporting under clause 3(xiv) of the Order is not applicable to the Company.

(xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. Accordingly, reporting under clause 3(xv) of the Order not applicable to the Company.

(xvi) (a) According to the information and explanation given to us by the company is not required to registered under section 45-IA of Reserve Bank of India Act, 1934.

(b) According to the information and explanation given to us and based on our verification of the records of the Company, the company has not conducted any Non-Banking Financial or Housing Financials activity during the year without a valid Certificate of Registration (CoR) from Reserve Bank of India as per the Reserve Bank of India Act,1934.

(c) According to the information and explanation given to us the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) are not applicable.

(d) According to the information and explanation given to us, the Group does not have any CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.

(xvii) The Company has incurred cash losses in the current financial year and in the immediately preceding financial years amounting to Rs. 3.75 Lakhs and Rs. 7.77 Lakhs respectively.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

(xx) According to the information and explanations given to us, the Company does not meet the criteria as specified under sub-section (1) of section 135 of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014 and according, reporting under clause 3(xx) of the Order is not applicable to the Company.

(xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Mumbai, 06th May, 2024

ANNEXURE 'B' to Independent Auditors' Report on the Standalone Ind AS Financial Statement of DHFL Investments Limited, Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act, referred to in paragraph 7(f) under "Report on Other Legal and Regulatory requirement" section of our report of even date.

We have audited the internal financial controls over financial reporting of DHFL Investments Limited ("the Company") as of 31st March, 2024 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Piramal Capital and Housing Finance Limited (PCHFL) has acquired Dewan Housing Finance Corporation Limited (DHFL) as part of an Insolvency and Bankruptcy process. PCHFL submitted the Resolution Plan on 22 December 2020, and it contained prayers inter alia seeking nullification of the Compulsory Convertible Debentures (CCDs) issued to Wadhawan Global Capital Private Limited (WGC) and extinguishment of rights pursuant to these CCDs. Vide the order approving the Resolution Plan dated 7 June 2021, the Hon'ble National Company Law Tribunal (NCLT) also allowed the prayers contained therein. WGC and a limited liability partnership by the name of TDH Realty LLP have pursued litigations in relation to the Resolution Plan purportedly as the ultimate beneficiary of the CCDs. However, the litigation initiated by TDH Realty LLP before the National Company Law Appellate Tribunal, New Delhi (NCLAT) was disposed of as withdrawn by an order dated 27 September 2023, pursuant to settlement between the parties. The legal representatives of PCHFL have advised that PCHFL has a strong case on merits in the WGC's litigation pending before the NCLAT

Notes to the Standalone Financial Statements (Continued)

1 GENERAL INFORMATION

DHFL Investments Limited (DIL) is wholly owned subsidiary company of Piramal Capital & Housing Finance Limited and has been incorporated under the provisions of Companies Act, 2013. DIL has been incorporated with the intent of becoming a "core investment company" under the Master Directions issued by Reserve Bank of India on August 25, 2016. DIL's business objective is to acquire any shares, stock, debentures stocks or securities in accordance with the Reserve Bank of India Act, 1934 and other applicable statutory and legal provisions. The registered office of the Company is in Unit No.601, 6th Floor, Amiti Building, Agastya Corporate Park, Kamani Junction, Opp. Fire Station, LBS Marg, Kurla West, Mumbai City. 400070.

2 SIGNIFICANT ACCOUNTING POLICIES:

2.1 Basis of preparation of financial statements :

The standalone financial statements have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and relevant amendment rules issued thereafter ("Ind AS") on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period. Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. All amounts included in the standalone financial statements are reported in lakhs of Indian rupees (Rs. in lakhs) except share and per share data, unless otherwise stated.

The preparation of financial statements requires management to make estimates and assumptions that effect the reported amounts of assets and liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known / materialised.

2.2 Functional and Presentation Currency

The Standalone Financial Statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded off to the nearest lakhs, unless otherwise indicated.

2.3 Revenue Recognition :

Dividend Income
Revenue is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.
Other Income
Revenue is recognised when there is reasonable certainty as to measurement and ultimate realization of the same.

DHFL Investments Limited Mumbai

Notes to the Standalone Financial Statements (Continued)

2.4 Financial Instrument

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

Recognition and initial measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

(I) Financial Asset:

Financial assets that meet the following conditions are subsequently measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets that meet the following conditions are subsequently measured at fair value through Other Comprehensive Income (FVTOCI):

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

By default, all other financial assets are subsequently measured at fair value through profit and loss (FVTPL).

All investments in equity instruments are initially measured at fair value, the company may, on initial recognition, irrevocably elect to measure same either at FVTOCI or FVTPL.

(II) Financial liabilities and equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued are recognised at the proceeds received.

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method or at FVTPL.

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

Derecognition of financial liabilities:

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between the Company and the lender of debt and other instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

Investment in Subsidiaries and Associates:

Investment in subsidiaries and associates are recognized and carried at cost. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

2.5 Cash and cash equivalents

Cash and cash equivalent in the Balance Sheet comprise cash at banks and on hand, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash at banks and on hand, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

DHFL Investments Limited Mumbai

Notes to the Standalone Financial Statements (Continued)

2.6 Impairment of non financial assets:

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. For the purposes of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the Balance Sheet date there is an indication that previously assessed impairment loss no longer exists or may have decreased, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

2.7 Earnings Per Share :

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period/year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.8 Taxes on Income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961.

Deferred tax assets and liabilities are recognized for the future tax consequences attributable to temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax basis. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the balance sheet dates. The effect on the deferred tax assets and liabilities of a change in tax rate is recognized in the period that includes the enactment date. Deferred tax assets are recognized only to the extent there is virtual certainty of realization in future in case of carry forward losses.

2.9 Provisions, Contingent Liability and Contingent Assets

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote , no provision or disclosure is made. Contingent assets are disclosed where an inflow of economic benefits is probable.

Piramal Capital and Housing Finance Limited (PCHFL) has acquired Dewan Housing Finance Corporation Limited (DHFL) as part of an Insolvency and Bankruptcy process. PCHFL submitted the Resolution Plan on 22 December 2020, and it contained prayers inter alia seeking nullification of the Compulsory Convertible Debentures (CCDs) issued to Wadhawan Global Capital Private Limited (WGC) and extinguishment of rights pursuant to these CCDs. Vide the order approving the Resolution Plan dated 7 June 2021, the Hon'ble National Company Law Tribunal (NCLT) also allowed the prayers contained therein. WGC and a limited liability partnership by the name of TDH Realty LLP have pursued litigations in relation to the Resolution Plan purportedly as the ultimate beneficiary of the CCDs. However, the litigation initiated by TDH Realty LLP before the National Company Law Appellate Tribunal, New Delhi (NCLAT) was disposed of as withdrawn by an order dated 27 September 2023, pursuant to settlement between the parties. The legal representatives of PCHFL have advised that PCHFL has a strong case on merits in the WGC's litigation pending before the NCLAT

Fair value measurements under Ind AS are categorised into fair value hierarchy based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 where unobservable inputs are used for the valuation of assets or liabilities.

The management assessed that cash and cash equivalents, other financial assets and other financial liabilities approximate their carrying amount largely due to the short-term maturities of these instruments.

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

DHFL Investments Limited Mumbai

Financial risk management

The Company has exposure to the following risks arising from financial instruments:

-Credit risk

-Liquidity risk and

-Market risk

Risk management framework

The Company's principal financial liabilities comprise of other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and cash equivalents that derive directly from its operations. The Company also holds FVTPL investments.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Board of Directors reviews and agrees policies for managing each of these risks. which are summarised below:

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial instruments affected by market risk include FVTPL investments.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Equity price risk

The Company's non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. Company's investment in it's group company - DHFL Pramarica Life Insurance Company Limited, which is non-listed, is significant. But being the startegic investment, company is not enfluenced by equity price risk.

Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities from its other financial instruments.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's board of directors. Investments of surplus funds are made only with approval of Board of directors.

Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company manages liquidity risk by maintaining adequate reserves, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of the financial assets and liabilities.

Capital Management

Capital includes equity attributable to the equity holders to ensure that it maintains an efficient capital structure and healthy capital ratios in order to support its business and maximise shareholder value. The Company manages its capital structure and makes adjustments to it, in light of changes in economic conditions or its business requirements. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. No changes were made in the objectives, policies or processes during the period/year ended March 31, 2024

INDEPENDENT AUDITOR'S REPORT

To the Members of DHFL Holdings Limited

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

1. We have audited the accompanying Standalone Ind AS financial statements of DHFL Holdings Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Ind AS financial statements").

   In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements to give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015 (Ind AS) as amended, and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

2. We have conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Ind AS financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

3. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the, Board's Report including Annexure to Board's Report and Shareholder's Information, but does not include the Standalone Ind AS Financial statements and our auditor's report thereon. Our opinion on the Standalone Ind AS Financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Standalone Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with governance.

Responsibility of Management for the Standalone Ind AS Financial Statements

4. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

   In preparing the Standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
   The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

5. Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
   As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
   - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation

Materiality is the magnitude of misstatements in the standalone Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Ind AS Financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind AS Financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

6. As required by the Companies (Auditors' Report) Order, 2020 issued by the Central Government in terms of sub-section 11 of Section 143 of the Act, we give in the "Annexure A" of this report a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable. As the Company does not have any subsidiary, joint venture or associate enterprise, consolidated financial statements is not prepared. Hence Paragraph 3(xxi) of Companies (Auditor's Report) Order (CARO) is not applicable.

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

7. As required by Section 143(3) of the Act, we report that:
   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
   b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books.
   c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of accounts.
   d) in our opinion, the aforesaid Standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
   e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
   f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

8. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
   i. The Company does not have any pending litigations which would impact its financial position.
   ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
   iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
   iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kinds of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether , directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company or ("Ultimate Beneficiaries") or provide any guarantee, security or the like to or on behalf of the ultimate Beneficiaries.
   (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall. Whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding party ("ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

(c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause iv(a) and iv (b) contain any material mis-statement.

v. The dividend is neither declared nor paid during the year by the Company.

vi. With respect to the matter to be included in the Auditors' Report under section Rule 11(g) of Companies (Audit and Auditors) Rules, 2014, based on our examination which included test checks, the company has used Tally ERP software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules 2014 on preservation of audit trail as per statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

vii. With respect to the matter to be included in the Auditors' Report under section 197(16): In our opinion and according to the information and explanations given to us, no remuneration is paid by the Company to its directors during the current year. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

ANNEXURE "A" referred to in Paragraph of the Independent Auditor's Report of even date to the members of DHFL Holding Limited on the standalone Ind AS financial statements for the year ended 31st March 2024

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we report that:

(i) The Company does not have any property, plant and equipment, intangible assets, right of use assets or investment property and accordingly, reporting under clause 3(i) of the Companies (Auditor's Report) Order, 2020 (hereinafter referred to as 'the Order') is not applicable to the Company.

(ii) The Company does not hold any inventory. Accordingly, reporting under clause 3(ii) of the Order is not applicable to the Company.

(iii) According to the information and explanation given to us and according to the records of the Company as examined by us, the Company has not made any investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships or any other parties during the year. Accordingly, reporting under Para 3(iii) of the Order is not applicable to the Company.

(iv) In our opinion and according to the information and explanation given to us, the Company has not entered into any transaction covered under sections 185 and 186 of the Act. Accordingly, reporting under Para 3(iv) of the Order is not applicable to the Company.

(v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there are no amounts which have been deemed to be deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under Para 3(v) of the Order is not applicable to the Company.

(vi) The Central Government has not specified maintenance of cost records under sub-section (1) of section 148 of the Act, in respect of Company's products/ services / business activities. Accordingly, reporting under Para 3(vi) of the Order is not applicable.

(vii) In respect of statutory dues:

(a) According to the information and explanations given to us, and according to the records of the Company as examined by us, the Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at March 31, 2024 for a period of more than six months from the date they became payable.

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

(b) According to the information and explanations given to us, there are no statutory dues referred to in subclause (a) above that have not been deposited with the appropriate authorities on account of any dispute.

(viii) According to the information and explanations given to us, no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 which have not been previously recorded in the books of accounts.

(ix) According to the information and explanations given to us, the Company does not have any loans or other borrowings from any lender. Accordingly, reporting under clause 3(ix) of the Order is not applicable to the Company.

(x) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.

(b) In our opinion and according to the information and explanation given to us and based on the records of the company examined by us, during the year the Company has made Right issue of shares during the year. For such allotment of share the company has complied with the requirement of Section 62 of the Act, and the funds raised have been applied by the company during the year for the purpose for which they were raised. The Company has not made any preferential allotment or private placement of (fully or partly or optionally) convertible debentures during the year.

(xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers/employees has been noticed during the year. Therefore Para 3 (xi) of the order is not applicable to the Company.

(b) According to the information and explanations given to us including the representation made to us by the management of the Company, no report under sub-section 12 of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit.

(c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.

(xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.

(xiii) According to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the standalone financial statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act.

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

(xiv) According to the information and explanations given to us, the Company is not required to and consequently, does not have an internal audit system as per the provisions of section 138 of the Act. Accordingly, reporting under clause 3(xiv) of the Order is not applicable to the Company.

(xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors. Accordingly, reporting under clause 3(xv) of the Order not applicable to the Company.

(xvi) (a) According to the information and explanation given to us by the company is not required to registered under section 45-IA of Reserve Bank of India Act, 1934.

(b) According to the information and explanation given to us and based on our verification of the records of the Company, the company has not conducted any Non-Banking Financial or Housing Financials activity during the year without a valid Certificate of Registration (CoR) from Reserve Bank of India as per the Reserve Bank of India Act,1934.

(c) According to the information and explanation given to us the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the reporting under clause 3(xvi)(c) are not applicable.

(d) According to the information and explanation given to us, the Group does not have any CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.

(xvii) The Company has incurred cash losses in the current financial year and in the immediately preceding financial year amounting to Rs. 903.20 hundred and Rs. 874.68 hundred respectively.

(xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.

(xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

(xx) According to the information and explanations given to us, the Company does not meet the criteria as specified under sub-section (1) of section 135 of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014 and according, reporting under clause 3(xx) of the Order is not applicable to the Company.

(xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

ANNEXURE 'B' to Independent Auditors' Report on the Standalone Ind AS Financial Statement of DHFL Holding Limited, Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act, referred to in paragraph 7(f) under "Report on Other Legal and Regulatory requirement" section of our report of even date.

We have audited the internal financial controls over financial reporting of DHFL Holding Limited ("the Company") as of 31st March, 2024 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures

that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

DHFL HOLDINGS LIMITED

Notes to the Financial Statements

1 GENERAL INFORMATION

DHFL Holdings Limited (DHL) is wholly owned subsidiary company of Piramal Capital & Housing Finance Limited and has been incorporated on September 28, 2018 under the provisions of Companies Act, 2013. DHL has been incorporated to carry on the business/businesses of holding and Investment Company, to buy, underwrite, invest in, acquire, hold, deal in and trade in shares, stocks, debentures, debenture stock, bonds, obligations and securities of any kind of companies or partnership firms or body corporate, whether in India or elsewhere in accordance with the Reserve Bank of India Act, 1934 and other applicable statutory and legal provisions. The registered office of the Company is in Unit No.601, 6th Floor, Amiti Building, Agastya Corporate Park, Kamani Junction, Opp. Fire Station, LBS Marg, Kurla West, Mumbai City, 400070.

2 SIGNIFICANT ACCOUNTING POLICIES:

2.1 Basis of preparation of financial statements :

The financial statements have been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and relevant amendment rules issued thereafter ("Ind AS") on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period. Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. All amounts included in the financial statements are reported in hundreds of Indian rupees (Rs. in hundreds) except share and per share data, unless otherwise stated.

The preparation of financial statements requires management to make estimates and assumptions that effect the reported amounts of assets and liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known / materialised.

2.2 Revenue Recognition :

Other Income

Revenue is recognised when there is reasonable certainty as to measurement and ultimate realization of the same.

2.3 Financial Instrument

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

Recognition and initial measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

(I) Financial Asset:

Financial assets that meet the following conditions are subsequently measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets that meet the following conditions are subsequently measured at fair value through Other Comprehensive Income (FVTOCI):

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling the financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

By default, all other financial assets are subsequently measured at fair value through profit and loss (FVTPL).

All investments in equity instruments are initially measured at fair value, the company may, on initial recognition, irrevocably elect to measure same either at FVTOCI or FVTPL.

VATSARAJ & CO. FRN 111327W CHARTERED ACCOUNTANTS

DHFL Holding Limited Mumbai

(II) Financial liabilities and equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued are recognised at the proceeds received.

All financial liabilities are subsequently measured at amortised cost using the effective interest rate method or at FVTPL.

Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

Derecognition of financial liabilities:

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between the Company and the lender of debt and other instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

Investment in Subsidiaries and Associates:

Investment in subsidiaries and associates are recognized and carried at cost. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

2.4 Cash and cash equivalents

Cash and cash equivalent in the Balance Sheet comprise cash at banks and on hand, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash at banks and on hand, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

2.5 Impairment of non financial assets:

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. For the purposes of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the Balance Sheet date there is an indication that previously assessed impairment loss no longer exists or may have decreased, the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

2.6 Earnings Per Share :

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period/year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.7 Taxes on Income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961.

Deferred tax assets and liabilities are recognized for the future tax consequences attributable to temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax basis. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the balance sheet dates. The effect on the deferred tax assets and liabilities of a change in tax rate is recognized in the period that includes the enactment date. Deferred tax assets are recognized only to the extent there is virtual certainty of realization in future in case of carry forward losses.

2.8 Provisions, Contingent Liability and Contingent Assets

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote , no provision or disclosure is made. Contingent assets are disclosed where an inflow of economic benefits is probable.

Borrowings(other than debt securities)	288.71	-	-	-	-
	1,803.12	-	-	-	-

Fair value measurements under Ind AS are categorised into fair value hierarchy based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 where unobservable inputs are used for the valuation of assets or liabilities.

*The management assessed that cash and cash equivalents,trade payables and borrowings(other than debt securities) approximate their carrying amount largely due to the short-term maturities of these instruments.

SARAF & ASSOCIATES FRN 111327W CHARTERED ACCOUNTANTS
DHFL Holding Limited

Risk management

The Company has exposure to the following risks arising from financial instruments:
-Credit risk
-Liquidity risk and
-Market risk

Risk management framework
The Company's principal financial liabilities comprise trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and cash equivalents that derive directly from its operations.
The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

Market risk
Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial instruments affected by market risk include FVTPL investments.

Interest rate risk
Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Credit risk
Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities from its other financial instruments

Financial instruments and cash deposits
Credit risk from balances with banks and financial institutions is managed by the Company's board of directors. Investments of surplus funds are made only with approval of Board of directors.

Liquidity risk
Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.
The Company manages liquidity risk by maintaining adequate reserves, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of the financial assets and liabilities.

Capital Management
Capital includes equity attributable to the equity holders to ensure that it maintains an efficient capital structure and healthy capital ratios in order to support its business and maximise shareholder value. The Company manages its capital structure and makes adjustments to it, in light of changes in economic conditions or its business requirements. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. No changes were made in the objectives, policies or processes during the year ended March 31, 2024 and March 31, 2023.

Independent Auditor's Report

To The Members of

Piramal Agastya Offices Private Limited

(formerly known as PRL Agastya Private Limited)

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of **Piramal Agastya Offices Private Limited** ("the company"), **(formerly known as PRL Agastya Private Limited)** which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss, including the statement of other Comprehensive income, the Cash flow Statement and the statement of changes in Equity for the year then ended, and notes to the Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements, give the information required by the Companies Act,2013, as amended (" the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs) as specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Ind AS financial statements.

Information other than the Financial Statement and Auditors' Report Thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

A K P J & ASSOCIATES ★ CHARTERED ACCOUNTANTS ★ F. R. No. 155299W MUMBAI

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the Act') with respect to the preparation and presentation of these Ind AS financial statements that give a true and fair view of the financial position and financial performance including other comprehensive income, cash flows and change in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks , and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the companies Act, 2013,we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting polices used and the reasonableness of accounting estimates and related disclosures made by management

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern

- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in the paragraph 3 and 4 of the order.

2. As required by Section 143 (3) of the Act, we report that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

   b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;

   c) The Balance Sheet, the Statement of Profit and Loss including the statement of other comprehensive income, the cash flow statement and statement of charges in equity dealt with by this Report are in agreement with the relevant books of account;

   d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rule 2015, as amended;

   e) On the basis of written representations received from the directors as on 31 March, 2024, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2024, from being appointed as a director in terms of Section 164(2) of the Act;

   f) With respect to the adequacy of internal financial controls with reference to this Ind AS financial statements and the operating effectiveness of such controls, refer to our separate report in "Annexure B" to this report;

   g) In our opinion and according to the information and explanations given to us, no remuneration is paid by the Company to its directors during the current year. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

   h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i) The Company has disclosed the impact of pending litigation on its financial position in its Ind AS financial statements – Refer Note 27(b) to the Ind As financial Statements.

ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and

iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

iv) a) The management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b) The management has represented that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c) Based on such audit procedures that were we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.

v) No dividend has been declared or paid during the year by the company.

vi) The company, in respect of financial years commencing on or after the 1st April, 2023, has used such accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software and the audit trail feature has not been tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.

"Annexure A" referred to in paragraph under the heading "Report on other legal and regulatory requirements" of our report of even date

Re: Piramal Agastya Offices Private Limited (formerly known as PRL Agastya Private Limited) ("the Company")

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us In the normal course of audit and to the best of our knowledge and belief, we state that:

i)(A) (a)The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant & Equipment.

(b). The Company has maintained proper records showing full particulars of intangibles assets.

(B) All Property, Plant and Equipment have been physically verified by the management during the year there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.

(C) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favor of the lessee) are held in the name of the Company.

(D) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31st 2024.

(E) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

ii) (a) The Company's business does not require maintenance of inventories and, accordingly, the requirement to report on clause 3(ii)(a) of the Order is not applicable to the Company.

(b) The company has not been sanctioned any working capital limits in excess of five crore rupees, from banks or financial institutions on the basis of security of current assets. Therefore, the provisions of Clause (ii)(b) of paragraph 3 of the order are not applicable to the company.

iii) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (f) of the Order are not applicable to the Company and hence not commented upon.

iv) There are no loans, investments, guarantees and securities in respect of which provision of section 185 and 186 of the Companies Act, 2013 are applicable and hence not commented upon.

v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.

vi) The Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the activities carried out by the Company. Accordingly, paragraph 3(vi) of the Order is not applicable to the Company.

vii) (a) According to the records of the company, undisputed statutory dues including Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Income-tax, Sales-tax, Wealth Tax, Service Tax, Custom Duty, Excise Duty, cess to the extent applicable and any other statutory dues have generally been regularly deposited with the appropriate authorities. According to the information and explanations given to us there were no outstanding statutory dues as on 31st of March, 2024 for a period of more than six months from the date they became payable.

(b) The dues of goods and services tax, provident fund, employees' state insurance, income tax, sales-tax, service tax, duty of custom, duty of excise, value added tax, cess, and other statutory dues have not been deposited on account of any dispute, are as follows:

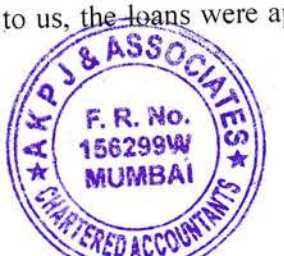

Name of the statute	Nature of the dues	Amount in (Rs in lakhs)	Period to which the amount relates	Forum where the dispute is pending
Income tax Act, 1961	Income tax	15.40	FY 2017-18	Appeal has been filed with Commissioner of Income Tax
Income tax Act, 1961	Income tax	55.41	FY 2015-16	Appeal has been filed with Commissioner of Income Tax
Income tax Act, 1961	Income tax	35.23	FY 2014-15	Appeal has been filed with Commissioner of Income Tax
Value added tax ,2005	Maharashtra Value added tax	7	FY 2015-16	Appeal has been filed with MVAT
Service tax Act, 1994	Service tax act	45	FY 2017-18	Appeal has been filed with Commissioner of CGST & Central Excise

viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the of books account, in the tax assessments under the Income Tax Act, 1961 as income the during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the company.

ix) a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of any loan or other borrowings or any interest due thereon to any lender.

b) In our opinion and according to the information and explanations given to us, the company has not been a declared wilful defaulter by any bank or financial institution or other lender.

c) In our opinion and according to the information and explanations given to us, the loans were applied for the purpose for which the loans were obtained.

d) In our opinion and according to the information and explanations given to us, there are no funds raised on short term basis which have been utilised for long term purposes.

e) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.

f) The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(f) of the Order is not applicable to the Company.

x) a) The Company has not raised any money during the year by way of initial public offer / further public offer (including debt instruments) hence, the requirement to report on clause 3(x)(a) of the Order is not applicable to the Company.

b) The Company has not made any preferential allotment or private placement of shares /fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company and, not commented upon.

xi) a) No fraud by the Company or on the company by its officers or employees has been noticed or reported during the year.

b) During the year no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

c) As auditor, we did not receive any whistle- blower complaint during the year.

xii) The Company is not a nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(b) and 3(xii)(c) of the Order is not applicable to the Company.

xiii) Transactions with the related parties are in compliance with sections 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards. The provisions of section 177 are not applicable to the Company and accordingly the requirements to report under clause 3(xiii) of the Order insofar as it relates to section 177 of the Act is not applicable to the Company.

xiv) a) The Company has an internal audit system commensurate with the size and nature of its business.

b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.

xv) The company has not entered into any non-cash transactions with directors or persons connected with director. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company and hence not commented upon.

xvi) a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the company.

b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.

c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi) of the Order is not applicable to the Company.

d) There is no Core Investment Company as a part of the Group, hence, the requirement to report on clause 3(xvi)(d) of the Order is not applicable to the Company.

A.K.J & ASSOCIATES
F. R. No. 156299W
MUMBAI
CHARTERED ACCOUNTANTS

xvii) The company has incurred cash loss of Rs. 264.48 lakhs in current financial year & in immediately preceding financial year company has not incurred cash loss.

xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.

xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

xx) There is no liability on the company under the provisions of section 135 of the Companies Act, relating to Corporate Social Responsibility. Therefore, the provisions of Clause (xx) of paragraph 3 of the order are not applicable to the Company.

(xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

AKPJ & ASSOCIATES ★ CHARTERED ACCOUNTANTS ★ F. R. No. 156299W MUMBAI

"Annexure B" to the Independent Auditor's Report

Report of even date on the Ind AS Financial Statements of Piramal Agastya Offices Private Limited (formerly known as PRL Agastya Private Limited).

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the internal financial controls over financial reporting of Piramal Agastya Offices Private Limited (formerly known as PRL Agastya Private Limited). ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these Ind AS financial statements.

Meaning of Internal Financial Controls With Reference to these Ind AS Financial Statements

A company's internal financial control with reference to Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Ind AS financial statements to future periods are subject to the risk that the internal financial control with reference to Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to Ind AS financial statements and such internal financial controls with reference to Ind AS financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Piramal Agastya Offices Private Limited
(formerly known as PRL Agastya Private Limited)

Notes to Financial Statements for the year ended March 31, 2024

1A **General information**

Piramal Agastya Offices Private Limited ('the Company') (formerly known as PRL Agastya Private limited) is a private limited company incorporated in India under the provisions of the Companies Act applicable in India. The shareholder's had approved the change of name of the Company vide resolution dated 14th February, 2024. And the Ministry of Corporate Affairs has approved the requisite e-forms and taken on record the change of name of the Company w.e.f. 26th April, 2024.

The Company is engaged in the business of real estate / real estate development and incidental services. The corporate identification number of the Company is U45201MH2006PTC165659. Wing A, Amiti Building, Agastya Corporate Park, Kamani Junction, LBS Marg, Opposite Fire Brigade, Kurla (West), Kurla, Mumbai, Mumbai- 400070, Maharashtra, India

1B. **Basis of preparation**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the financial statements.

For all periods up to and including the year ended March 31, 2016, the Company prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP) and Companies (Accounting Standards) Amendment Rules, 2016. Financial statements for the year ended March 31, 2017 were the Company's first Ind AS financial statements.

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities (refer note 30) which have been measured at fair value.

The financial statements are presented in Indian Rupee (Rs.) and all values are rounded to the nearest lakhs upto two decimals, except when otherwise indicated.

The accounting policies adopted are consistent with those of the previous financial year.

The net current assets of the Company as at March 31, 2024 amounting to Rs. (1,485.86) lakhs. Basis the future cash flow projections, the Company expects to have higher inflows as compared to expected outflows. Considering this, the financial statements have been prepared on going concern basis.

2 **Summary of material accounting policies**

2.01 **Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period
- Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.02 **Foreign currencies**

The Company's financial statements are presented in INR (Rs),which is also the Company's functional currency. The Company determines the functional currency and items included in the financial statements are measured using that functional currency.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in statement of profit and loss in the period in which they arise.

However, Ind AS 101 gives an exemption for existing long term foreign currency non-monetary items the company can continue the policy adopted for treatment of exchange differences arising on long-term foreign currency monetary items pertaining to the acquisition of a depreciable asset for items recognized on or before March 31, 2015.

For any new long term foreign currency non-monetary item recognized from or after first Ind AS financial reporting period, deferral/amortization of exchange difference will not be allowed, rather the company will apply Ind AS 21 for recognition of gains and losses.

A K P J ASSOCIATES CHARTERED ACCOUNTANTS F. R. No. 155299W MUMBAI

PIRAMAL AGASTYA OFFICES PRIVATE LIMITED MUMBAI

2.03 **Fair value measurement**

The Company measures financial instruments at fair value at each balance sheet date.
Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.
A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

External valuers are involved for valuation of significant assets such as properties and unquoted financial assets. Involvement of external valuers is decided upon annually by the Management. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. Management decides after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case. The external valuer is a registered valuer

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
Level 3 -Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

2.03 **Fair value measurement**

For assets and liabilities held at the end of the reporting period that are measured in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company's management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for sale or distribution in discontinued operations.

At each reporting date, the management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable. On an annual basis, the management and the Company's external valuers present the valuation results to the Company's independent auditors. This includes a discussion of the major assumptions used in the valuations.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

Disclosures for valuation methods, significant estimates and assumptions (note 31)

Financial instruments (including those carried at amortised cost) (note 30)

2.04 **Revenue recognition**

The Company recognises revenue from contracts with customers based on a five step model as set out in Ind AS 115.

Interest income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rates applicable. For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

Rental Income and other associated income

Rental Income and associated income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease term and is included in revenue in the statement of profit or loss due to its operating nature.

Income from Management services rendered are recognized as the services are performed and are booked based on agreements / arrangements with the concerned parties.

2.05 **Taxes**

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted at the reporting date.

Current income tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity . Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Taxable profit differs from profit before tax as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside statement of profit and loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Tax credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay income tax higher than that computed under MAT, during the year that MAT is permitted to be set off under the Income Tax Act, 1961 (specified period). In the year, in which the tax credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in the guidance note issued by the Institute of Chartered Accountants of India (ICAI), the said asset is created by way of a credit to the Statement of Profit and Loss and shown as Deferred tax asset. The Company reviews the same at each balance sheet date and writes down the carrying amount of unused tax credit to the extent there is no longer convincing evidence to the effect that the Company will pay income tax higher than MAT during the specified year.

A. R. & ASSOCIATES CHARTERED ACCOUNTANTS F. R. No. 156299W MUMBAI

PIRAMAL AGASTYA OFFICES PRIVATE LIMITED MUMBAI

2.06 **Property, plant and equipment and investment property**

The Company has elected to continue with the carrying value for all of its Property, Plant and Equipment and Investment Property as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost in accordance with the exemption provided under Ind AS 101.

Property, plant and equipment, investment property and investment property under construction is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Asset description	Useful lives estimated by the management (years)
Building	60
Plant and machinery	5 to 15 years
Building	60
Furniture and fixtures	10
Office equipment	5
Vehicles	8 to 10 years
Computer and hardware	3 to 6 years
Network and Servers	6

An item of property, plant and equipment and investment property and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of property, plant and equipment and investment property are reviewed at each financial year end and adjusted prospectively, if appropriate. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Cost includes cost of land (including development rights and land under agreements to purchase), internal development costs, external development charges, construction costs, overheads, borrowing cost and development/ construction materials.

The Company depreciates building component of investment property over 60 years from the date of original purchase.

Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes (refer note 3). Fair values are determined based on an annual evaluation performed by an accredited external independent valuer applying a valuation model recommended by the International Valuation Standards Committee.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in statement of profit and loss in the period of derecognition.

2.07 **Intangible assets**

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

The useful life of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised on a straight line basis over the estimated useful economic life. Intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period.

Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expenses on intangible assets with finite lives is recognised in the statement of profit and loss.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised.

The useful life of major asset is as under :

Asset description	Useful life estimated by the management (years)
Software	3

A. K. JAIN & ASSOCIATES CHARTERED ACCOUNTANTS F. R. No. 156299W MUMBAI

PIRAMAL AGASTYA OFFICES PRIVATE LIMITED MUMBAI

2.08 **Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

2.09 **Leases**

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

i) Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.
The right-of-use assets are also subject to impairment.

ii) Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including insubstance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

iii) Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as a lessor

Leases in which Company does not transfer substantially all the risk and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

2.10 **Impairment of non-financial assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

A. K. PRUTHI & ASSOCIATES CHARTERED ACCOUNTANTS F. R. No. 156299W MUMBAI

PIRAMAL AGASTYA OFFICES PRIVATE LIMITED MUMBAI

2.11 **Contingent liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognise a contingent liability but discloses its existence in the financial statements.

2.12 **Provisions**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

2.13 **Retirement and other employee benefits**

i. Defined contribution plan

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognises contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

ii. Defined benefit plan

Gratuity liability for eligible employees are defined benefit obligation and are provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. Obligation is measured at the present value of estimated future cash flows using discounted rate that is determined by reference to market yields at the balance sheet date on government securities where the currency and terms of the government securities are consistent with the currency and estimated terms of the defined benefit obligation.

Remeasurements, comprising of actuarial gains and losses excluding amounts included in net interest on the net defined benefit liability are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

iii. Leave encashment

Leave encashment, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognised in the Statement of Profit and Loss in the year in which they arise.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

> Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements: and

> Net interest expense or income

A R J & ASSOCIATES ★ CHARTERED ACCOUNTANTS ★ F. R. No. 156299W MUMBAI

PIRAMAL AGASTYA OFFICES PRIVATE LIMITED ★ MUMBAI

2.14 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through statement of profit and loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in two categories:

- Debt instruments at amortised cost
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

Debt instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortised cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortised cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). The Company has not designated any debt instrument as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, trade receivables and bank balance.

b) Financial assets that are debt instruments and are measured as at FVTOCI.

c) Lease receivables under Ind AS 116.

d) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115 (referred to as 'contractual revenue receivables').

e) Loan commitments which are not measured as at FVTPL.

f) Financial guarantee contracts which are not measured as at FVTPL.

The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

ECL impairment loss allowance (or reversal) recognised during the year is recognised as income/ expense in the Statement of Profit and Loss. This amount is reflected under the head 'other expenses' in the Statement of profit and loss.

Financial assets measured as at amortised cost and other contractual revenue receivables- ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidence a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company are recognised at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly from equity. No gain or loss is recognised in statement of profit and loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial liabilities

Subsequent measurement

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL.

However, financial liabilities that arise when a transfer of a financial asset does not qualify for derecognition or when the continuing involvement approach applies, financial guarantee contracts issued by the Company, and commitments issued by the Company to provide a loan at below-market interest rate are measured in accordance with the specific accounting policies set out below.

Financial liabilities subsequently measured at amortised cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amount of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of cost of an asset is included in the 'finance cost' line item.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payment (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligation are discharged, cancelled or have expired. An exchange with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability .The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.15 **Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

2.16 Segment information

Identification of segments

The company is primarily engaged in real estate activities where revenue is principally derived from operating lease rental income and commercial real estate development and related activities. Accordingly the company has only one identifiable segment reportable under Ind As-108 Operating segments.

Segment policies

The Company is operating in a single geographical segment i.e. India, hence operations of the Company do not qualify, for reporting as geographic segments, the criteria set out under Ind AS 108 "Operating Segments".

2.17 Significant accounting judgement, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

Estimates and assumptions

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

2.18 Recent pronouncements under IndAS

New Ind AS standards applicable for the first time in current financial year had no impact on the Company's financial statements:

Ind AS 1 – Presentation of Financial Statements

The amendments to Ind AS 1 provided guidance and examples to help entities apply materiality judgements to accounting policy disclosures. The amendments aim to help entities provide accounting policy disclosures that are more useful by replacing the requirement for entities to disclose their 'significant' accounting policies with a requirement to disclose their 'material' accounting policies and adding guidance on how entities apply the concept of materiality in making decisions about accounting policy disclosures. The amendments have had an impact on the Company's disclosures of accounting policies, but not on the measurement, recognition or presentation of any items in the Company's financial statements.

Ind AS 12 – Income Taxes

The amendments to Ind AS 8 clarify the distinction between changes in accounting estimates, changes in accounting policies and the correction of errors. They also clarify how entities use measurement techniques and inputs to develop accounting estimates. The amendments had no impact on the Company's financial statements.

Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors

The amendments to Ind AS 12 Income Tax narrow the scope of the initial recognition exception, so that it no longer applies to transactions that give rise to equal taxable and deductible temporary differences such as leases and decommissioning liabilities. The amendments had no impact on the Company's financial statements.

Investment property and Investment property under construction

The Company's investment property and investment property under construction consists of commercial property situated at Kurla, Mumbai. As on March 31, 2024 the fair value of investment property is Rs. 99860.46 lakhs approx (March 31, 2023: Rs. 98051 lakhs). The valuation is performed by an accredited registered independent valuer in accordance with the framework specified under Ind AS .

(Rs. in lakhs)

3 Property, plant and equipment, Investment property, Investment property under construction & Intangible assets

Description of hierarchy, valuation technique used and key inputs to valuation are as below:

Description of valuation technique used and key inputs to valuation are as below 31.03.2024:

	Valuation Technique	Significant unobservable inputs	March 31, 2024
Commercial property for lease	Discounted Cash Flow and Residual Method (M22); Capitalisation rate method (M21)	Rent growth p.a.	4.77% p.a.
		Capitalisation rate	8% p.a.
		Occupancy rate	97.50%
Wing -D Investment property under construction	Residual Method	Gross Turnover from the Project - Outgoings of the project	

Description of valuation technique used and key inputs to valuation are as below 31.03.2023:

	Valuation Technique	Significant unobservable inputs	March 31, 2023
Wing D- Land	Discounted Cash Flow and Residual Method (M22); Capitalisation rate method (M21)	Rent growth p.a.	5.12% p.a.
		Capitalisation rate	8% p.a.
		Occupancy rate	95.00%
Wing A- Land	Market Survey Method	Based on the land (38,000 sq. m.) sold to Lodha group @ INR 120 Crores	
Wing A- Building	Depreciated Replacement Cost method	Based on the book value of building as on 31-Mar-19	

Under the valuation technique as mentioned above, fair value is estimated using assumptions regarding the benefits and liabilities of ownership over the asset's life including an exit or terminal value. This method involves the projection of a series of cash flows on a real property interest.

The duration of the cash flows and the specific timing of inflows and outflows are determined by events such as rent reviews, lease renewal and related re-letting, redevelopment, or refurbishment. The appropriate duration is typically driven by market behaviour that is a characteristic of the class of real property. Periodic cash flow is typically estimated as gross income less vacancy, non-recoverable expenses, collection losses, lease incentives, maintenance cost, agent and commission costs and other operating and management expenses. The series of periodic net operating income, along with an estimate of the terminal value anticipated at the end of the projection period, is then discounted.

Significant increases/ (decreases) in estimated rental value and rent growth per annum in isolation would result in a significantly higher/ (lower) fair value of the properties. Significant increases/ (decreases) in occupancy rate and discount rate/capitalisation rate in isolation would result in a significantly lower (higher) fair value.

Lease income

The Company's investment property consist of one commercial property in Kurla, Mumbai. The management has determined that the investment property consist of - Piramal Agastya Corporate Park (Phase I) based on the nature, characteristics and risks of property.

PIRAMAL AGASTYA OFFICES PRIVATE LIMITED ★ MUMBAI

Piramal Agastya Offices Private Limited
(formerly known as PRL Agastya Private Limited)

Notes to Financial Statements for the year ended March 31, 2024

(Rs. in lakhs)

Note 26 : Earnings per share (EPS)

Basic EPS amounts are calculated by dividing the profit/(loss) in basic and diluted below EPS for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit/(loss) attributable to equity holders by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

The following reflects the loss and share data used in the basic and diluted EPS computations:

	March 31, 2024	March 31, 2023
Profit/(Loss) attributable to equity holders for basic earnings	(1,423.00)	86.79
Weighted average number of equity shares for basic EPS* in lakhs	11.52	0.90
Weighted average number of Equity shares adjusted for the effect of dilution	11.52	0.90
Face value per share (in Rs.)	10	10
Basic earning per share (in Rs.)	(123.49)	96.44
Diluted earning per share (in Rs.)	(123.49)	96.44

* There have been no other transactions involving equity shares or potential equity shares between the reporting date and the date of authorisation of these financial statements.

Note 27 : Commitments and contingencies

(a) Commitments

Estimated value of contracts remaining to be executed on capital account and not provided for (net of advances).

At March 31, 2024, the Company had commitments is Nil (March 31, 2023 - Rs Nil).

(b) Contingent liabilities

Claim against the Company not acknowledged as debts Rs. 158.04 lakhs (March 31, 2023 : Rs. 158.04 lakhs).

A) The Company has preferred appeal before Commissioner of Income Tax (Appeals), Mumbai for demand amounting to Rs. 106.04 lakhs (March 31, 2023 : Rs. 106.04 lakhs) determined pursuant to financial years 2014-15 ,2015-16 and 2017-18 in respect of expense disallowed and mismatch in credit.

B) The Company has preferred appeal before Commissioner, Mumbai for demand amounting to Rs. 7 lakhs (March 31, 2023 : Rs. 7 lakhs) determined for FY 2015-16 in respect of MVAT payable on scrap sale.

C) The Company has preferred appeal before Assistant Commissioner, Mumbai for demand amounting to Rs. 45 lakhs (March 31, 2023 : Rs. 45 lakhs) determined for FY 2017-18 in respect of Service tax Credit on Retention money

Based on the interpretation of the provisions / legal position and facts, the Company is of the opinion that the aforesaid demand would be either deleted or substantially reduced.

Note 28 : Unhedged foreign currency exposure

The unhedged foreign currency exposure is Nil.

Other financial liabilities	3,767.35	3,767.35	2,928.82	2,928.82

Note 31 : Fair value hierarchy

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level 1 Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities. This includes quoted equity instruments, government securities, quoted borrowings (fixed) and mutual funds that have quoted price.

Level 2 Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices). This includes derivative financial instruments and unquoted borrowings (fixed and floating rate).

Level 3 Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. This includes unquoted equity shares.

All financial instruments are carried at amortised cost.

Note 32 : Financial risk management objectives and policies

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Board of directors ensures that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

(A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. The Company's financial instruments are exposed to interest rate risk since the company has floating rate debt instruments.

The following table summaries the carrying amount of financial assets and liabilities recorded at the end of the period by categories:

The sensitivity analyses in the following sections relate to the position as at March 31, 2024 and March 31, 2023. The sensitivity analyses have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt are all constant and in place as at March 31, 2024 and March 31, 2023.

(B) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

As real estate development is capital intensive, the Company are exposed to interest rate risks. The Company's real estate development projects is funded to a large extent by debt and any increase in interest expense may have an adverse effect on our results of operations and financial condition. The Company's current debt facilities carry interest at variable rates and fixed rates (with periodic reset of interest rates). As at March 31, 2023, the majority of the Company's indebtedness was subject to variable interest rates. In view of the high debt to equity ratios for the company's real estate development project, an increase in interest expense is likely to have a significant adverse effect on financial results.

(Rs. in lakhs)

(C) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument, leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its financing activities, including deposits with banks, foreign exchange transactions and other financial instruments.

Credit risk on cash balances with bank are limited because the counterparties are entities with acceptable credit ratings. The exposure to credit risk for trade receivable is low as the Company gives possession of flats to customers on receipt of entire agreement value.

(D) Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing including debt and overdraft from banks at an optimised cost.

The Company's maximum exposure to credit risk for the components of the balance sheet as at March 31, 2024 and March 31, 2023 is summarised as below:

	On demand	Less than 1 year	1 to 5 years	> 5 years	Total
As at March 31, 2024					
Borrowings	-	2,120.75	48,948.71	56,524.17	**107,593.63**
Other financial liabilities	-	8,202.73	2,710.94		**10,913.67**
Trade and other payables	-	1,215.59	-	-	**1,215.59**
	-	**11,539.06**	**51,659.64**	**56,524.17**	**119,722.88**
As at March 31, 2023					
Borrowings	-	558.82	62,537.75	65,399.75	**128,496.32**
Other financial liabilities	-	10,201.11	2,000.45		**12,201.55**
Trade and other payables	-	772.05	-	-	**772.05**
	-	**11,531.98**	**64,538.20**	**65,399.75**	**141,469.92**

At present, the Company does expect to repay all liabilities at their contractual maturity.

Note 33 : Capital management

For the purpose of the Company's capital management, capital includes issued equity capital, convertible/redeemable preference shares, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, lease liabilities less cash and cash equivalents.

	March 31, 2024	March 31, 2023
Debt		
Borrowings	74,502.94	90,980.00
Trade payables	1,060.77	622.02
Other financial liabilities	6,478.29	4,929.27
Lease liabilities	-	-
Less: cash and cash equivalents	(1,534.20)	(531.23)
Net debt	**80,507.80**	**96,000.06**
Equity	2,353.80	(13,104.43)
Total capital	**2,353.80**	**(13,104.43)**

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2024 and March 31, 2023.

Note 37 : Gratuity and other post employment benefit plans

(a) Defined contribution plan
The following amount recognised as an expense in statement of profit and loss on account of provident fund. There are no other obligations other than the contribution payable to the respective authorities.

	March 31, 2024	March 31, 2023
Employer's contribution to provident fund	5.97	10.54

(b) Defined benefit plan
The Company has a unfunded defined benefit gratuity plan. The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and salary at retirement age. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service as per the provision of the Payment of Gratuity Act, 1972.

The following tables summaries the components of net benefit expense recognised in the statement of profit and loss and the unfunded status and amounts recognised in the balance sheet for the gratuity plan.

	March 31, 2024	March 31, 2023
Statement of profit and loss

Actuarial gain arising on account of experience changes	(1.72)	(24.94)
Benefits paid		-
Closing defined benefit obligation	5.18	4.85
Net liability is bifurcated as follows :		
Current	0.65	0.24
Non-current	4.53	4.61
Net liability	5.18	4.85

A K P J & ASSOCIATES ★ CHARTERED ACCOUNTANTS ★ F. R. No. 156292W MUMBAI

PIRAMAL AGASTYA OFFICES PRIVATE LIMITED ★ MUMBAI

(Rs. in lakhs)

The principal assumptions used in determining gratuity benefit obligation for the Company's plans are shown below:

	March 31, 2024	March 31, 2023
Discount rate	7.44%	6.98%
Expected rate of return on plan assets (p.a.)	Not applicable	Not applicable
Employee turnover	5.00%	5.00%
Salary escalation	6.50%	6.50%
Mortality pre-retirement	India Assured Lives Mortality (2012-14) Urban	India Assured Lives Mortality (2012-14) Urban

A quantitative analysis for significant assumption is as shown below:

	March 31, 2024	March 31, 2023
Assumptions - discount rate		
Sensitivity level	1.00%	1.00%
Impact of increase in 100 (50) bps on defined benefit obligation	(0.23)	(0.39)
Impact of decrease in 100 (50) bps on defined benefit obligation	0.25	0.44
Assumptions - salary escalation rate		
Sensitivity level	1.00%	1.00%
Impact of increase in 100 (50) bps on defined benefit obligation	0.24	0.44
Impact of decrease in 100 (50) bps on defined benefit obligation	(0.23)	(0.40)
Assumptions - employee turnover rate		
Sensitivity level	1.00%	1.00%
Impact of increase in 100 (50) bps on defined benefit obligation	(0.09)	(0.01)
Impact of decrease in 100 (50) bps on defined benefit obligation	0.09	0.01

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The gratuity liabilities of the Company are unfunded and hence there are no assets held to meet the liabilities.

Amounts for the current and previous year's are as follows:

	March 31, 2024	March 31, 2023
Gratuity		
Defined benefit obligation	5.18	4.85
Plan assets	-	-
Surplus / (deficit)	(5.18)	(4.85)
Experience adjustments on plan liabilities	(1.72)	(24.94)
Experience adjustments on plan assets	-	-

The following payments are expected contributions to the defined benefit plan in future years:	March 31, 2024	March 31, 2023
Within the next 12 months (next annual reporting period)	0.65	0.24
Between 2 and 5 years	2.56	1.03
Between 6 and 10 years	2.48	1.59
Beyond 10 years	1.94	7.25
Total expected payments	7.62	10.10

The average duration of the defined benefit plan obligation at the end of the reporting period is 10 years (March 31, 2023: 10 years).

(Rs. in lakhs)

Note 38 : Leases

The Company has certain leases of machinery with lease terms of 12 months or less and leases of office equipment with low value. The Company applies the 'short-term lease' and 'lease of low-value assets' recognition exemptions for these leases.

Set out below are the carrying amounts of right-of-use assets recognised and the movements during the year.

	Rental property	Plant and machinery	Total
As at March 31, 2022	57.66	92.05	149.71
Additions	-	-	-
Written back	(45.03)	(74.91)	(119.94)
Depreciation expense	(12.62)	(17.15)	(29.77)
As at March 31, 2023	-	-	-
Additions	-	-	-
Written back	-	-	-
Depreciation expense	-	-	-
As at March 31, 2024	-	-	-

Set out below are the carrying amounts of lease liabilities (included under interest-bearing loans and borrowings) and the movements during the year

	Rental property	Plant and machinery	Total
As at March 31, 2022	70.38	90.00	160.38
Additions	-	-	-
Written back	(59.45)	(73.98)	(133.43)
Accreation of interest	3.51	5.58	9.08
Payments	(14.44)	(21.60)	(36.04)
As at March 31, 2023	-	-	-
Additions	-	-	-
Written back	-	-	-
Accreation of interest	-	-	-
Payments	-	-	-
As at March 31, 2024	-	-	-

	March 31, 2024	March 31, 2023
Current	-	-
Non-current	-	-

The following are the amounts recognised in statement of profit and loss	March 31, 2024	March 31, 2023
Depreciation expense of right-of-use assets (note 24)	-	29.77
Finance cost on lease liabilities (note 23)	-	9.08
Expense relating to leases of low-value assets (note 25)	46.10	36.84
Total amount recognised in statement of profit and loss	46.10	75.70

Note 39 : Events after reporting period

There is no subsequent event after the reporting period which requires adjustments to the financial statements.

Note 40 : Other supplementary information

Contract balances

	March 31, 2024	March 31, 2023
Trade receivable from customers under Ind AS 115	243.45	285.98

Note 41 : Corporate Social Responsibility

As per section 135 of the Companies Act, 2013 and rules therein, the Company is required to spend at least 2% of average net profit of past three years towards Corporate Social Responsibility (CSR). The Company has losses in past three years and hence no amount is required to be spent towards CSR.

Note 42 : Exceptional items

	Mar-24	Mar-23
Exceptional items	Nil	Nil

Note 43 : Social security code

The code of social security 2020 has been notified in official gazette on September 29, 2020. The effective date for which the changes are applicable is yet to be notified, and the rules are yet to be framed. Impact if any of the change will be assessed and accounted in the period in which said Code becomes effective and the rules framed thereunder are notified.

Note 44 : Segment reporting

A. Basis of Segmentation

The company is primarily engaged in real estate activities where revenue is principally derived from operating lease rental income and commercial real estate development and related activities. Accordingly the company has only one identifiable segment reportable under Ind As-

B. Geographical Information

The Company is operating in a single geographical segment i.e. India, hence operations of the Company do not qualify, for reporting as geographic segments, the criteria set out under Ind AS 108 "Operating Segments".

C. Information about major customers

Revenue from three customer is Rs. 6496.37 Lakh for the year ended March 31, 2024 (Previous Year: Rs. 3203.36 lakhs) constituted more than 10% of the total revenue of the Company.

Name of Customer	March 31, 2024		March 31, 2023	
	Amount	% of total Revenue	Amount	% of total Revenue
Aditya birla fashion and retail limited	1784.10	19.38%	1201.52	24.34%
Mahindra & mahindra financial services limited	1918.55	20.84%	900.46	18.24%
Piramal Capital & housing finance limited	2793.72	30.35%	926.38	17.33%
	6496.37	70.57%	3203.36	59.92%

Note 45 Ratios

S. No.	Particulars	Reference	March 31, 2024	March 31, 2023	% Variance	Reason for variance*
1	Current ratio	a	0.70	0.63	12%	
2	Debt equity ratio	b	32.67	-7.00	-566%	Increase in total equity due fresh issue of 324 lakh shares @ Rs. 45 Per Share (10 Rs. Per Share Phase Value 35 Rs. Per Share Securities Premium) & Conversion of NCPS to CCPS.
3	Debt service coverage ratio	c	0.39	0.13	212%	Due to decrease in repayment of borrowings as compare to Financial Year 2022-2023
4	Return on equity ratio	d	0.26	0.01	4722%	Due to increase in equity
5	Inventory Turnover ratio	NA	NA	NA	NA	NA
6	Trade Receivables Turnover ratio	e	34.78	15.87	119%	Due to increase in turnover
7	Trade Payables Turnover ratio	f	2.77	4.57	-39%	This is on account of increase of trade payable.
8	Net Capital turnover ratio	g	-6.20	-3.87	60%	Due to Increase in Revenue
9	Net Profit ratio	h	-15%	2%	-1052%	Profit on sale of land 5068.23lakh Recorded in last financial year
10	Return on Capital Employed	i	10.48%	9.52%	10%	
11	Return on Investment	NA	NA	NA	NA	NA

* Variance more than +/-25% is explained

a Current ratio = Current Assets/Current Liabilities
b Debt equity ratio = Total Debt(Borrowing + Lease Liability+Int accrued on borrowing)/Shareholder's Equity
c Debt service coverage ratio = Earning For debt service = Earning before Interest, dep, Tax and exceptional items/Debt service = Interest & lease payments + Principal Repayment
d Return on equity ratio = Net Profit after Taxes - Preference Dividend/Average Shareholder's Equity
e Trade Receivables Turnover ratio = Net Sales(Gross Sales - Sales return)/Average trade receivables
f Trade Payables Turnover ratio = Net Expenses(Other expenses + Employee expenses)/Average trade payables
g Net Capital turnover ratio = Net sales(Total Sales - Sales Return) /Working Capital (Current Assets -Current Liabilities)
h Net Profit ratio = Net Profit /Net Sales (Total sales - Sales Return)
i Return on Capital Employed = Earning before Interest, dep, Tax and exceptional items/Average Capital Employed (Tangible net worth + Total Debt + Deferred tax liability)

Note 46 Standards issued but not yet effective
There are no new standards issued as on the date of approval of financial statements.

Note 47 Previous year figures have been regrouped, re-arranged and re-classified wherever necessary to confirm to current year's classification.

Note 48 Approval of financial statements
The financial statements were approved for issue by the board of directors on May 02, 2024.
